LET US SAVE RUDOWITZ!
BY EUGENE V. DEBS.

A MOTHER atrocious crime is about to be perpetrated upon a workingman under the force of law. Christian Rudowitz, an immigrant from one of the Baltic provinces who has sought refuge on those shores is demanded by the Russian authorities and is to be handed over to that bloody butcher. The charge against Rudowitz is that he was convicted in crimes growing out of the revolution in Russia in 1905 and 1906. The crimes he is charged with are of the same kind as those committed during the last electoral campaign in this country. They are also recorded in American history as deeds of valor and patriotism of imperishable fame.

The simplicity is that Rudowitz is a Russian revolutionary and that he unite with the forces of law. The Class Struggle

At a meeting at Independence, Kan., a number of workers expressed the belief that it was the power of the giants that was causing the low wages and long hours. They stated that the workers were so much at the mercy of the big business men that they could not resist the demands of the capitalists.

The Changing Order

There are many evidences of the growing power of the workers. The combination in the form of labor unions is an example. These organizations afford the workers a means of rising above the mire of toil. It is the growing power of the workers that is causing the capitalists to make concessions.

The Farmer's Woes

A large number of farmers stated that the low prices for their produce was preventing them from supporting their families. They stated that they were working hard but not earning enough to support their families.

The Appeal to Reason

The Appeal to Reason is a weekly paper published in Kansas. It is devoted to the cause of the working class. It advocates the abolition of the capitalist system and the establishment of a classless society. It is read by workers all over the country.
