The Government to Arrest Wayland and Debs

BY TELEGRAPH TO THE APPEAL TO REASON.

WASHINGTON, D. C., May 29.—District Attorney Bone of Topoke and United States Marshal Maxey of the same place, are in Washington this week in conference with the Attorney General and the United States and his assistants. These gentlemen are considering the advisability of instituting a criminal libel proceedings against Eugene V. Debs, of the Socialist party, on the charge of dangerous writings. The statements made in the Appeal to Reason of May 15th to the effect that the United States marshal had selected a jury of socialists in the recent case, Maxey vs. Debs, that he had nothing whatever to do with the selection of the jury—that the work was done by his deputies, Assistant Attorney General Lawler, formerly of Chicago, who was in charge of the case, is said to have ordered the examination of the methods employed by him in connection with the cases of the Mexican patriots and is determined to get retribution. Mr. Maxey will take this information from a man in the service of the government who knows where he speaks. He explained to me today that this administration, as well as the Roosevelt administration before it, is opposed to the Appeal to Reason. He asserted that all there were no grounds whatever on which to institute these proceedings, as the case with Warren, the object is to involve the Appeal in court expenses to such an extent that it will be forced to suspend.
One Aspect of the Capitalist System

BETRAYING AND SELLING GIRLS FOR PROFIT

Capitvists occupy in relation to all morality and especially to domestic morality, a position so revolting that it is difficult to discuss in a respectable paper. To prove this we refer you to the words of Federal Attorney Sims, a member of ex-President Roosevelt's official family,

"The only thing that can get you is capital."

A MEXICAN HAT SILK ORCHARD

Tombstone, Ariz., May 21, 1919—The Nacional Industria de Millonarios, a company of rich people in Mexico, has been started to develop a silk tissue industry in this country. The company has already purchased a large tract of land near the town of Tombstone, where it plans to build a silk mill. The company has also purchased a large number of silkworms from China, where the silk trade is very active.

The capital invested in the company is estimated to be $10 million. The company plans to produce silk for both domestic and export markets. The company has already received orders for silk from China and Japan.

The company has also purchased a large amount of land in the surrounding area, where it plans to establish a farm community for the workers. The company has also purchased a large amount of machinery and equipment for the silk mill.
