DOES AT WORK

The problem is that we are not doing enough about the working class. We need to take action to improve their living standards and ensure that they have access to quality education and healthcare. Some of the policies that we have proposed in the past have not been effective, and we need to reassess our approach.

DOES UNDER CAPITALIZATION POINT FOR REVOLUTION

Do not get an idea of the necessity for a new and revolutionary forces to arise, to overthrow the present condition of human society. We must be ready to take advantage of any opportunity, no matter how small, to show the people the facts of economic and political oppression.

REVOLUTIONARY FARMERS

I. KENTUCKY'S FIGHT FOR FREEDOM

The American farmers are fighting for their freedom. They want to be able to own their land and control their own destiny. They are tired of being exploited by the big agricultural corporations and the government.
