Labor's Chance in the Tobacco War

The war against labor is already on. It is a concerted attack on the Federation. There are ten million workers in America, and the attack is made at a time when the Federation is in the saddle, as it were, ready to ride. The workers are fighting back, and the Federation is making every effort to keep the fight going.

The Federation has been working hard to organize the workers and to get them organized. They have been successful in getting the workers to join the Federation, and the workers are now solidly behind the Federation.

The attack on the Federation is being led by the industrialists, who are determined to break the Federation and to make the workers pay for the cost of living.

The Federation is determined to fight back, and the workers are determined to fight for their rights.

The workers are determined to keep the Federation alive, and the Federation is determined to keep the workers organized.

The workers are determined to win the war against labor, and the Federation is determined to win the war against the industrialists.

TO STOP BRIEFERY

Before the New Year legislative session, the House of Representatives was roistering over the cuts in the budget and the state agencies. The Republican leadership in the House was accused of not giving proper consideration to the needs of the state. The Democratic party, on the other hand, maintained that the cuts were necessary to balance the budget.

The Tolls of Profit

Advertising on certain lines has been increased, but there is no evidence that it has been unjustified. The advertising industry is a legitimate business and should be protected. The increase in advertising is due to the increase in the demand for goods and services.

Destroying Democracy

ANOTHER FOOD CORNER

You may look for a great raise in prices on your next visit to your local grocer. An inspector recently went over the work of the Chicago Board of Trade and found that the prices of all food items have risen. This is due to the high cost of living and the high cost of production.

Billy Teachers

The coming school year is the poor student's paradise. Education is for everyone, and it is not going to be the right to educate the rich that is being challenged. The right to educate the poor is also being challenged.

PADDIN THE CENSUS

An officer of the Board of Trade of Chicago recently went out with a large party of canvassers to attempt to get the people to fill out the census. They found that many people were not willing to give their information.
