TO MR. TAFT:

The story of the Leavenworth prison cannot be connected with a presidential recommendation to retrench, compress, cut salaries, and cut expenses. These plans are for themselves and not for the benefit of the country.

Get one.

The Last Big Fight

I have every reason to believe that your present condition is the result of your efforts to secure the re-election of President Taft.

Another Kidnapping Plot!

Heads of Structural Iron Workers Charged with Dynamite Arson

The Repulsion of Mayer-Hoyet-Hubbard Outrage.

BY EUGENE V. DEBS

It is necessary to renew the attack on the Leavenworth prison. This is a matter of great importance to the labor movement. The case of the Leavenworth prison is a very serious one. The whole labor movement is deeply interested in this case. The settlement of the Leavenworth prison is a matter of vital importance to the labor movement.

The Leavenworth Case

The entire case is a disgrace to the American Civil Service Commission.

School for Suckers

In these cases the class struggle is in the process of development. The class struggle is the process of development. The class struggle is the process of development. The class struggle is the process of development.
