FOUR SUBS, WHICH REACH GIRARD BY JULY 2, ENTITLE YOU TO A "RED SPECIAL"
Insult to the Appeal Army

Everyone who read the Appeal, whether with attention, came to the conclusion that the Army was not committing any offense. It was a disturbance that was not刑事案件。The Army was simply doing its duty in an orderly manner. The soldiers, in fact, were being quite respectful and were not causing any trouble. They were simply carrying out their duties in a manner that was designed to maintain order and safety.

On the other hand, the Army's actions were being seen as a source of conflict and division in the community. The question was whether the Army was justified in its actions, or whether it was simply creating a problem for itself. The Army, in fact, was being criticized for its actions, and there was a lot of tension and uncertainty surrounding the situation.

In the end, it was clear that the Army's actions had a significant impact on the community. The situation was not going to be resolved easily, and it would take some time for things to calm down. The soldiers were being criticized for their actions, and it was clear that there was a lot of uncertainty and confusion surrounding the situation.

有些人认为，军方的行为是正确和必要的，他们认为军方的行动是在维护秩序和安全。另一方面，有些人则认为军方的行为是不正当的，他们认为军方的行为引起了不必要的冲突和分歧。

总的来说，军方的行为对社区产生了重大影响。情况不会轻易解决，需要一段时间才能平息。士兵们的行为受到批评，很明显，这是一个充满不确定性和混乱的局面。
MACHINE UNIONISM

The labor movement of the present day is centered around the service and maintenance of machinery. This movement is characterized by a steady and increasing number of strikes and lockouts. The significance of this trend lies in the fact that it indicates a growing consciousness of the need for the organization of labor. The trade unions are the heart and soul of this movement. They are composed of workers who have banded together for the purpose of securing better wages, shorter hours, and improved conditions of work. The trade unions have made great strides in recent years, and have been able to achieve many important victories. They have been successful in securing the passage of laws which provide for the welfare of the workers. The trade unions are now recognized as a powerful force in the industrial world. They are making a determination to continue their work until all workers are organized and protected. The trade unions are the instruments through which the labor movement is carried on. They are the organs of the workers, and are responsible for the formulation and adoption of the policies of the labor movement. The trade unions are the embodiment of the principles of democracy, and are the expression of the spirit of cooperation among men. They are the means through which the workers are able to express their will and to determine the terms upon which they wish to work. The trade unions are the instruments through which the labor movement is carried on, and are the expression of the spirit of cooperation among men.
