OTIS ATTACKS SHOAF

The Appeal's challenge to 29 states in the matter of registered mail is a reflection of the fact that the Department of Justice has been taken over by Reformers.

The Department of Justice has been taken over by Reformers and now the Reign of Terror, as it is known, is in session. The Department of Justice now is not only a police department but a revolutionary organization.

The God of Social Justice

There is a very great difference between God and the God of social justice. God has created the world, but the God of social justice has created men to work for it. God has made the earth to be a garden, but the God of social justice has made it a wilderness. God has given man the power to do good, but the God of social justice has given him the power to do evil.

A Child on Strike

Legislation Prevalent

The God of Social Justice has also made the world a marketplace, and he has made the laborer a slave to the capitalist. The God of Social Justice has made the rich man a king, and the poor man a pauper. The God of Social Justice has made the laborer a slave, and the capitalist a master.
