CARRY CALIFORNIA FOR SOCIALISM

From the San Francisco offices of the Appeal to Reason, Oct. 11, 1911.

Statement for the Attention of the National Socialist Labor Party.

You are authorized to reprint this article at your own expense, subject to the approval of this office.

In the state of California, it is the duty of the Socialist Labor Party to carry forward the struggle for the establishment of a Socialist Republic in the state. This can only be done by the adoption of the following program:

1. To carry forward the struggle for the establishment of a Socialist Republic in the state of California.

2. To carry forward the struggle for the establishment of a Socialist Republic in the state of California.

3. To carry forward the struggle for the establishment of a Socialist Republic in the state of California.

40. To carry forward the struggle for the establishment of a Socialist Republic in the state of California.
The Appeal and its Influence

W. J. Goeble, Congressman Surgeon's Private Secretary, in the Survey Magazine.
Spoiling the Farmer—His Hope

The Technical World Magazine contains a story which shows the efforts of the farmers by the times. The editors believe that the story is worth repeating.

There is no one more interested in the success of the farmer than the editor of the Technical World. He has watched the progress of the farmer in this country for many years, and he knows that the farmer is doing a wonderful work. The story which appears below is one of the many things which the editor believes will help to make the farmer more successful.

Buchanan's Great Scheme

The people of America are not being taken advantage of by the railroad companies, according to a report issued by the Land Settlement Association. The report states that the railroad companies are not doing all that they can to help the farmer. The editor of the Technical World magazine believes that the railroad companies are doing all that they can to help the farmer.

Railroad Men Waking Up

The railroad companies are beginning to realize that they are not doing enough for the farmer. The editors of the Technical World magazine believe that the railroad companies are doing all that they can to help the farmer.

Socialists at Work

The Socialists are working hard to help the farmer. The editors of the Technical World magazine believe that the Socialists are doing all that they can to help the farmer.

False and Misleading

The report of the Socialists is false and misleading. The editors of the Technical World magazine believe that the report of the Socialists is false and misleading.

Study Law

The Study Law is a book which has been written to help the farmer understand the laws which govern the railroad companies. The editors of the Technical World magazine believe that the Study Law is a book which will help the farmer understand the laws which govern the railroad companies.

Socialists at Play

The Socialists are playing a game called the Socialist ticket. The editors of the Technical World magazine believe that the Socialists are playing a game called the Socialist ticket.
