PIG FEVER

Health authorities caution all persons in the bay area about an epidemic of PIG FEVER. The virus is transmitted by mosquitoes and can be deadly. Signs of the disease include fever, weakness, and an increased risk of death.

CIVILIAN CONTROL OF POLICE

More and more in the United States today, the police force is the institution of government used to oppress and degrade the poor, the dispossessed, and the Black Community. The brutality and horrendous treatment of citizens by police is not just the result of some untrained, untrained officer, but is rather the result of the functions assigned to the police as an institution. We call for a restructuring of the police that would provide services, not just for the community, but for the community itself. We call for community control of all police personnel, expenditures, and law enforcement priorities. Only in this way can the police force be changed, and the attitudes of the police toward the community be changed.

DONALD DUCK MAX RAFFERTY

SPIES ON SCHOOLS

SAN FRANCISCO — Max Rafferty, California State Superintendent of Schools, has conceived a statewide plan for spying on high school militants with the help of local officials.

Rafferty has asked for names of activists from local superintendents and report cards on contacts with the Black Panthers, End the Draft, Student Union, and Students for a Democratic Society. Rafferty's plan was to "deal with the militant threat" as opposed to the San Francisco American Federation of Teachers, AFL-CIO. They have called on local superintendents to comply with Rafferty's request.

Rafferty's plan involves a series of meetings with local officials to discuss the "militant threat." In some cases, the meetings were convened by Superintendents to discuss the "militant threat." In one case, the meeting was held by a Superintendent of schools who was promoting the "militant threat."

AGAIN - A SMITH ACT FRAME-UP

The Cal Expo International Executive Board of October 29-30, 1963, decided that the board had been faced with a decision whether to include the Smith Act. The board had been faced with a decision whether to include the Smith Act. In the face of the Smith Act, the Cal Expo International Executive Board decided to go forward with the Smith Act.
Thousands of people around the world rallied on May Day in support of Huey P. Newton, Minister of Defense for the Black Panther Party.

Despite the people's demand to free Huey, Judge Alphonso J. Zirpoli sat on the bench in his federal court and found the charge based on the two previous convictions was not enough to justify the charge and set his bail at $50,000.

After the District Attorney protested about the "unprecedented" nature of this kind of decision by a federal judge, Zirpoli decided not to decide whether or not the state had cause for detaining Huey.

Huey Newton had been in jail for over a year since he allegedly shot and killed a man in an Oakland bar as a defense for his community. A racial jury in Oakland found him guilty of murder, but sentenced him to 2-15 years in jail on a manslaughter charge for an act of self-defense against the racists who ran the court system in America.

In hope of applying some heat on Judge Zirpoli, more than 10,000 people gathered in San Francisco to hear speeches by Panther leaders Kathleen Cleaver, Bobby Seale and David Hilliard and representatives from the Black Panther Party in Chicago, including Tom Hayden, who was introduced as "the founder of SDS."

Speakers from the TWFL, Brown Berets and women's liberation groups also spoke at the rally. A large group of children from the Panther's "Breakfast for Children" program attended, chanting and singing in support of Huey.

In Chicago, 2,000 people gathered in the area surrounding the Federal Courthouse around banners that read "Free Huey!" Speakers included Panthers Bobby Rush, Choka and Bob Lee, Mike Klonsky, SDS National Secretary, and Elliot Khare from Chicago Circle Campus SDS gave solidarity speeches, as did Cha Cha Jiminez, leader of the Young Lords, and Guad Lopez from the Latin American Defense Organization (LADO).

Several demand Huey's release, the crowd demanded that all political prisoners in Chicago be released and that the real criminals, the pig ruling class, be jailed. At present, there are dozens of Panthers in jail or facing long sentences following a wave of repression against the black and brown movements in Chicago. Panther Mickey White is still in prison for supposedly conspire to purchase explosives and guns from a local pig. At Mickey's bail reduction hearing, Judge Abraham Lincoln Mayerza (Paul Buhle Man of the Year) raised his bail from $75,000 to $100,000 in order to keep him off the streets.

As the rally came to an end, reports were coming in of rallies in New York, Detroit, East Lansing, Denver and Los Angeles, as well as in Europe, where students stormed U.S. embassies, demanding that Huey be set free.

motion and then they ask, "What about the brothers who you murdered?" But when it comes to murder itself, it's forgotten, gone by, glossed over. And nothing has been done about it. So this is why I say, if we get involved in the civil rights movements and go to Washington or any place else to help our people get registered to vote, we intend to go prepared, on one side and in realizing that there was a plan all along to intimidate some of the people when you register things in Harlem so that they could vote, you uphold the law, it's all right. To register in Harlem who were prepared and equipped and ready to retaliate situations like that who, although they were not involved, the real miracle of 1964, I feel it is you, and not the people who are being illegally attacked. And it is not the police, it is not the people who are being illegally attacked. And it is not the police, it is not the police. And it is not the police, it is not the police. And it is not the police.

Concerning the Harlem incident that took place during the summer, when the citizens of Harlem were attacked in a "protest". How do you say that word? Protest? That's what it was. I was reading about it. I don't know how to pronounce that word. I can't pronounce it because it's not my word. (laughter) And when the people of Harlem were victims of that protest (that's your word) (laughter) during the summer, we had heard long before it took place that it was going to take place. We had gotten the word that there were elements in the power structure that were going to initiate a riot, something in Harlem that they could call a riot, in order that they could stop in and be justified in using whatever methods necessary to crush the militant groups which were still considered in the embryo. 

We don't intend to be a part of that. We are in Harlem so that they could vote, you uphold the law. It's all right. To register in Harlem who were prepared and equipped and ready to retaliate. And you get the right to protect yourself by anyone necessary.

Negroes should arm themselves for self-defense

As a man, Malcolm X had the physical bearing and the inner self-confidence of a born aristocrat. And he was potentially dangerous. No man in our time aroused fear and hatred in the white man as did Malcolm, because in him the white man sensed an implacable foe who could not be had for any price - a man unreservedly committed to the cause of liberating the black man in American society rather than integrating the black man into society.

Malcolm stated: "This country (America) and this society has mastered the art of very deceitfully pairing people whom they don't like in a league that they know you won't like. So you end up hating your friends and loving your enemies.

"Everyday, I would gamble all of my tips on the numbers, and dream of what I would do when I hit."

Why Black Nationalism? How can there be white-black solidarity before there is first some Black solidarity.

**QUOTATIONS FROM MALCOLM**

Revolution is bloody, revolution is hostile, revolution knows no compromise, revolution overturns and destroys everything that gets in its way.

It is criminal to teach a man not to defend himself when he is the constant victim of brutal attack.

We have a common oppressor, a common exploiter, and a common discriminator. Once we all realize that we have a common enemy, we can unite.

We are anti-exploitation, anti-degradation, anti-oppression if the white man doesn't want us to be anti-him then let him stop oppressing, degrading and exploiting us.

It is impossible for a white person to believe in capitalism and not believe in racism.

America's conscience is bankrupt. She lost all conscience long time ago.

Whenever they speak of a population explosion they are referring to the people in Asia or in Africa - the black, brown, red and yellow people.

This country smashes anything that gets in its way. It crushes anything that gets in its way. And since we're Americans, they tell us, well, we'll do it the American way. We'll smash anything that gets in our way.

You can't operate a capitalistic system unless you are vulturistic you have to have someone else's blood to suck to be a capitalist.

Anytime Uncle Sam, with all his machinery for warfare, is held to a draw by some rice-eaters, he's lost the battle.
LONG LIVE HO CHI MINH

Born May 19, 1890, Ho Chi Minh is the unparalleled leader of the people of Viet Nam. At the age of 77, he is looked upon as one of the greatest Marxist-Leninists of all times, Ho Chi Minh's great leadership is manifested in the history and heroic people of Viet Nam who are waging such an unyielding fight against the American imperialism. Not only have they resisted U.S. Colonialism, they refused to yield to the imperial forces of the Japanese or the French. Their struggles have spanned some 20 years. In the past ten years the entire Vietnamese have overcome hard ships, made every sacrifice and struggled valiantly against U.S. aggressors. Starting with their bare hands, they have seized guns from the enemy to fight against the enemy. They are recording victory after victory and are launching a continual attack, inflicting upon the U.S. aggressors and their puppets ever greater defeats and causing them to be bogged down more and more deeply.

The Black Panther Party and the revolutionary peoples of racist America wish Ho Chi Minh a very happy birthday and many returns of the day. Having faced the same enemy for four hundred years, we the Black Panther Party want him to know that we stand in complete solidarity with the revolutionary people of Vietnam. We will fight imperialism with persistence and resolution.

All Power belongs to All the People.

HAPPY BIRTHDAY

S.F. PIGS ATTEMPT TO ARREST ENTIRE BROWN COMMUNITY

By Lucien Lands<br>

The present harassment of Black Panther members and black people throughout the Bay Area is an ever-increasing issue of recent and never-ending violence, brutality, and legal harassment. The arrest of the recent pig impersonation and the kangaroo court on a local community level.

On February 28th, 1969, the Haight-Ashbury community and another brother were advertising a rally where they were being harassed by a group of pigs who were pulling out of Panther's parking lot. In March 1969, Thelma Bankston's house was in a state of disorder.

DES MOINES PANTHER BOMBING

The recent bombing of the Des Moines Panther Party's headquarters by police was an attempt to silence the voice of the Panther Party. The行动 was probably related to the attacks on the community and the active opposition to the war in Vietnam. The bombing followed a phone call from the Party, threatening to denounce the actions of the police.

The building, named the "Black Panther" by the FBI, was a center for the Panthers' activities. The action was aimed at disrupting their work and preventing them from carrying out their goals.

The police claim that the Panthers were involved in the bombing, but the Panthers deny any involvement. They believe that the police are trying to silence their voices and prevent them from speaking out against the war.

The Panthers are a political party that was formed in the 1960s to fight against poverty, police brutality, and racism. They believe that the United States government is a threat to their survival and they are willing to do whatever it takes to protect their community.

The Panthers have been targeted by the police and the government for many years. They have been arrested, beaten, and killed for their activism. But they continue to fight for their rights and to stand up for what they believe is right.

The Panthers are a symbol of the power of the people. They show that even in the face of adversity, people can come together and fight for their rights. They are an inspiration to all who stand against injustice.

The Panther Party has made exercises their constitutional right. BREAKFAST FOR SCHOOL CHILDREN

We of the Black Panther Party are calling on all mothers and others who work to provide our revolutionary program of making sure that our young have full stomachs before going to school. The schools and the Board of Education should have better programs instituted long ago. Some of the Black Panther Party are starting to see that the true needs and desires of the Black people are met. How can we expect to develop strong, brave, intelligent Black leaders if they have to concentrate on their empty stomachs instead of the better Black children in the Black Community. Mothers, Welfare recipients, uncles, grandmothers, guards and unionists with this COMMUNITY-PARTY PROGRAM. We are asking the Black Community for all business throughout to support this program. The food for our children.

SAFETY STORE OAKLAND DONATES FOOD FOR BREAKFAST FOR CHILDREN

After months of planning, Safety, which is one of the largest and richest chain stores in this country, finally came through for the people. On Saturday, April 26, 1969, Safety began its drive. I'm sure we will spread throughout the country, once people understand its needs.

Safety obviously recognizes the need of poor Black children to have at least one good meal a day. The six years of neglecting profits from the people, they (Safety) finally gave the people three cents out of 35 cents. During this period, the average Black family of five persons, approximately thirty dollars a week on food. This amount to $1,860 a year on food. With the cost of living going up, this figure is more and more going to the rich. This is also a known fact that the Black Panther Party is spreading rapidly across the nation, and that even more breakfast for children programs will be started. Since Safety has taken the initial step in showing a socialist attitude toward the needs and desires of the people, perhaps this action will promote other national chains stores to help the children.

If you make a donation, you will receive a receipt from the Black Panther Party.

We urge as many Mothers and Detroit Branch other Black citizens as possible to Black Panther Party.

SOLIDARITY AND VICTORY THROUGH THE STRUGGLE

I'm sorry it has taken me so long to write but I am only allowed one letter a day and I've been trying to correspond with the brothers and sisters in the cadre. I was informed of the pre-eminent's name of San Francisco Chapter and their attempt to see if G.O.C. originally, laws were made to serve man, but we have heard and seen the nature of the society without them, but when these laws fail to do what they were meant to do, then the laws must be set aside. We cannot perfect laws or institutions because we cannot make the people solve our problems ourselves. Therefore, we must be aware in mind that conditions change. As conditions change around us, so do the laws and institutions, for if the laws and institutions are not capable of coping with these changes we can and must expect instability. In recent years we find that every

where, the masses are asking for a redistribution of the wealth of the land which we all consider we should have worked this land, we have and will keep this land, and we want an equal share of this land for every one who will work or who will physically take part in the struggle. We do not believe some people are as great as others, but I believe it is a basic right of every man to be decently. We were all born and thus we all have a right to live. Some people do not like this, but it is true. We are all people, that is to say (Man will only be ruled if it is to be ruled). They gently themselves and hide their true faces, so let the people judge your integrity as well.

I suggest the following:

1) The Black Panther Party
2) The Black Panther Party
3) The Black Panther Party
4) The Black Panther Party

SOUL ON ICE?

Eldridge Cleaver made the decision to politically exile himself November 27th, on the basis that the Adult Authority made an unlawful decision, and that he has been denied his constitutional right to due process of law.

The revocation of Cleaver’s parole was illegal, because no parole violation had occurred.

The Adult Authority parole board has tried to maintain that Cleaver violated his parole by having a rifle in his possession, and by associating with individuals of bad reputation. This contention, we will show, is false. The Adult Authority version contradicts the Superior Court order itself:

"... Cleaver's only handling of a firearm (the rifle) was in obedience to a police command. He did not handle a hand gun at all. There was nothing one way or the other to show a conspiracy or a situation calling for the application of the doctrine of aiding and abetting. Hence, nothing supported either the possession of a firearm or the assault charge.

As to the charge of association with individuals of bad reputation, the report indicated that two or three of those named had "police records," but nothing to show whether any had been convicted of anything, or whether Cleaver knew of their arrest record." (Superior Court, p. 127, 128, 129, 130)

Parolee Cleaver was denied due process of law by being denied opportunity in person.

Why was Cleaver returned to prison as a parole violator if documented evidence to the contrary was presented in his defense? To answer that question, one must examine the Adult Authority. This board has the right to arbitrarily revoke or suspend parole on any individual. At the same time, the Adult Authority maintains falsely that Cleaver has the opportunity to defend himself at a hearing. This is how it works:

A parolee is served with violation charges, is interviewed, is given a hearing (before the Adult Authority itself, the charging party) at which the parolee may ‘plead’ to the parole violation charges, and is afforded an opportunity to present his defense.

"At the hearing" a parolee is denied the right to counsel, may not have an independent and impartial officer to conduct the hearing and make decision. (Pettition for Hearing in the Superior Court, p. 17)

Not only does the Adult Authority hold secret hearings, but it also refuses to notify persons under its jurisdiction of its procedures, or of its variable definitions of what constitutes a parole violation. This secrecy and vagueness is in direct violation of federal law which requires agencies to publish their procedures "for guidance of the public."

"Petitioner (Cleaver) is immediately and seriously prejudiced by the Adult Authority’s unlawful refusal to publish its regulations, since he is to be imprisoned by virtue of an action which the Adult Authority still seeks to guard in this ‘well of secrecy.’ (Pettition for Hearing in the Superior Court, p. 12)

Yes, the Adult Authority acted unjustly and illegally. Its decision was an unlawful decision. Cleaver had no chance of obtaining ‘justice’ from these Star Chamber proceedings. Why then wouldn’t the U.S. Supreme Court hear Cleaver’s case? There are, we believe, three reasons why the case wasn’t accepted. The first is that any fair minded court would obviously have released Cleaver, thereby setting a precedent. The second is that thousands of cases of alleged parole violation from all over California and other states would be subject to reversal. Thirdly, the illegal functioning of the Adult Authority would come under attack. The U.S. Supreme Court just couldn’t afford to consider the Cleaver case during this turbulent period.

Eldridge Cleaver is a victim of naked, shameless political persecution. As Judge Sherwin puts it:

... The uncontradicted evidence presented to this court indicated that the petitioner had been a model parolee. The peril to his parole status stemmed from no failure of personal rehabilitation, but from his undue elevation in pursuing political goals, goals which were offensive to many of his contemporaries. Not only was there absence of cause for the cancellation of parole, it was the product of a type of pressure backbiting, to say the least, to the law enforcement paraphernalia of this state.

Cleaver is in political exile because a man of his convictions cannot get justice here. Indeed, if we are to give more than lip service to the concepts of freedom and justice we must support him. The work to get him discharged from parole must continue. An intense publicity campaign is necessary now to bring to the public the legal defense and arguments which were carried to the courts with no satisfaction. We must all work together to focus attention of this case. This is not an issue of one man’s freedom, but a broad struggle which affirms the right of all of us to speak out politically in this country. If Cleaver is not allowed his freedom, it is not just a matter of time until all our freedoms are further reduced. His is not a personal struggle but a political one.

INTERNATIONAL COMMITTEE TO DEFEND ELDREDGE CLEAVER

I would like to join the efforts of all those who are working to defend Eldridge Cleaver from political persecution.

Please add my name to the list of sponsors of the International Committee to Defend Eldridge Cleaver.

The X is for the same
you can never re-claim,
cut four centuries ago from your lips,
and irrecoverably lost now,
blood, dust, sweat, and many bloody miles.
X, then,
is the unknown quantity,
and you write in what you choose,
Then let the X stand;
And if any ask why, say it means
a re-learned faith,
the rediscovered but tinfoiled
of your manhood, your womanhood.
As X marks the spot on many-named treasure maps
spotting buried gold,
birthright stolen by thieves and pirates of the flesh
so long ago.
That final X,
born out of the raped past,
And what it really stands for is,
Tomorrow.
