ELDRIDGE CLEAVER, MINISTER OF INFORMATION, B.P.P.
LOS SIETE DE LA RAZA AND THE BLACK PANTHER PARTY

The Black Panther Party goes forth to meet the needs and desires of the people, De La Raza means the seven. The seven are a group of Latin brothers who are accused of killing a fascist San Francisco Pig, on May 1st this year. Six of these brothers are in jail and the fascist forces of S.F. are searching for a seventh. The fascist who man the county jail in San Francisco are brutalizing and torturing the brothers as they do all political prisoners.

One of the Latin brothers has a case of hepatitis, he has constantly been refused the right to see a doctor. Another brother is suffering from diarrhea, he has been refused a doctor's care. These brothers have been allowed to take only two showers since they were arrested in May. One of the brothers was put in the 'hole' for doing no more than stepping on a wet floor. The fascist dog police spit in the brother's food. They are approached individually by the fascist, who tries to get one to sell out the others.

Mario Martinez, Jose Melendez and Jose Rios

The Black Panther Party sees that there brothers are political prisoners the same as Huey P. Newton. Their community is occupied by fascist police who occupy it like a foreign troop occupies territory. They have been subjected to the intimidation and name calling of Alito and his gang of City bandits. The Black Panther Party stands in support of the Los Siete de La Raza and in firm solidarity with the Latin community.

We will do every thing within our power to see that these brothers are not railroaded into the gas chamber by the fascist pigs of this state. The brothers are being defended by the best and most revolutionary attorney in America; Charles R. Garry.

On Saturday afternoon of last week the chairman of the Black Panther Party met with the parents and families of the seven. The chairman and the Panthers were greeted with warmth and enthusiasm as they explained the Party's ideology and the necessity of forming coalitions in order to survive fascist Americans. The families of the seven were given a massage from the Minister of Defense Huey P. Newton which is also printed in this issue of the paper.

Los Siete de la Raza

Taken from prison CMC East, And would like to tell the parents and the Siete group that the Black Panther Party and the community is behind you 100%, and that we intend to do everything within our power to see that you're liberated, I've had the same experience of going through an ordeal similar to what you're going through now. So I know the many pressures upon you. But I would like to say that it's very important for you to remain very strong, in order for your parents to be able to go through this. Together you will give each other strength, in knowing that the community is behind you, and that the whole liberation struggle is supporting you. That you have very little to worry about in the final effect, because the people are always victorious. So I would like to say again, keep your spirit high, because that will be very important to surmount the obstacle, and to surmount the oppression that you're facing at this time. Because once you give up, then it's all lost, but as long as your confident and your spirit is high there's nothing that we can't overcome together. So I would like to say, Power to all the People, Brown Power to Brown People, Black Power to Black People, and Power to all the Oppressed People in the world.

LETTER TO CHARLES GARY

Mr. Charles R. Gary
241 Market street
San Francisco, California
June 23, 1969

Dear Mr. Gary:

Reference is made to the Black Panther organization. We have this day mailed a letter to the President of the United States urging him to propose legislation affecting the Black Panther membership. We urge the President to outlaw the Black Panthers as a militant group who advocate the overthrow of the United States government. We suggest that members of the Black organization be immediately arrested and detained and subsequently convicted to an imprisonment camp. The President as Commander in Chief of our armed forces should have such authority. The imprisonment should also apply to the SDS and splinter groups. People who advocate the overthrow of our form of government should be removed from society and if one were to receive a malignant cancer growth.

One day last January, the National Right to Life Committee held a rally on the steps of the U.S. Capitol in Washington, D.C., to protest the pending bill on abortion. The rally, which was attended by thousands of pro-life activists, included speakers from across the country. The goal of the National Right to Life Committee is to protect the sanctity of life from conception to natural death. They believe that abortion is a violation of human rights and that every child deserves the opportunity to live. The committee, which was founded in 1971, has been a vocal advocate for anti-abortion laws and has fought against the legalization of abortion at the federal and state levels. They continue to work towards their goal of ending abortion. 

The National Right to Life Committee has been influential in shaping public opinion on abortion. Their efforts have led to the passage of anti-abortion laws in many states and have resulted in a decrease in the number of abortions performed. However, they have also faced opposition from pro-choice groups who believe in a woman's right to choose. The National Right to Life Committee continues to work towards their goal of ending abortion and protecting the sanctity of life.
WESLEY ROBERT WELLS, POLITICAL PRISONER

I had less than 30 days to live. This was over 20 years ago. Charles R. Garry has given me thru his acts a new concept of love, life and freedom.

"Please bear in mind, that I entered prison a young man of 18 years of age; I left a small farm near. I am now, 50 years old and our country the free world had changed a great deal. I will be frank, I found my circumstances are very different that I expected. I do not mean that I have done poorly, but I have done better, and it requires me to be frank with you to state that it is not easy to go straight, and make good, one must find something else to interest him, or he'd be useless.

I tried to find a suitable job, but found I was handicapped. I couldn't seem to interest any employer. I was finally released from prison in 1942 in San Quentin, where I was immediately placed in solitary. I was destroyed of re-

RECOGNIZING FASCISM FOR EXACTLY WHAT IT IS

PART ONE OF THREE PARTS

All American people and Black people in particular must recognize fascism for what it is.

FASCISM III

THE VICARIOUS (preedy, ex-eriting) ROGUE-BLOOMODY

THE DEMOCRAT (lying, deceiving, traitor and other) FULL-TIME

THE FASCIST (brutalizing, terrorizing, terrorizing) PIG-POPULATION ALL RIGHT HERE, IN AMERICA, UNDER THE "NATION"!

All American people who don't recognize Fascism in American life and who are mechanistically seeking to identify Fascism in one person, another country, three or more hundred miles away, are people who want to say that there is nothing to do with "our" country. We take it for granted that what Fascism is to Germany is to Hitler, Mussolini in Italy or some other place in the world and history.

What has to begin to be understood is that Fascism exists for what it is, RIGHT HERE IN AMERICA, A RIGHT PLACE, FASCIST, even before Hitler in Germany and Fascism in Spain.

And to do this historically, we quote A.H. Martí and Alvaro Stevenos from the book, "THE PERIL OF FASCISM, page 31:

"It is an axiom (a prophetic evil of what isn't so) that Fascism creeps into the government of this country. Right now, to one of the most important fascist organizations in the world, the modern Fascist Klassen, launched November 18, 1931, it amalgamates the fascist of Mussolini and the storm troopers of Hitler.

"Fascism is taking root in America. It is a fact that Fascism has spread into this country from Europe, just as it did in the same way today but organized fascist organizations. This is happening in the United States. Fascists have organized in America.

The fascist organizations are being incorporated into this country, and the same organizations that were organized in Europe today are also being organized in America. What is happening in America is happening in Europe.

"The Black Legion, organized in America, is a fascist organization. The Black Legion, organized in America, is a fascist organization. The Black Legion, organized in America, is a fascist organization. The Black Legion, organized in America, is a fascist organization.

"The Black Legion was organized by the Klassen between 1931 and 1933. The result of the Black Legion, however, lay not in the Klassen. What gave it national significance was the particularly violent character of its activities. The organization's first target was the working man, particularly the working man in the West Coast cities. FASCIST PIG TACTICS
**WIFE OF N.Y. POLITICAL PRISONER BEATEN BY FASCIST PIGS AND SWINDLED BY PIG LAWYER**

Fascist, the power of finance capital, manifests itself in every way. It can come in the form of a racket pig cop kicking down your door at 5:00 a.m. in the morning. Now it did on April 2, 1969 when pigs vamped on Caritas Powelw, harassed and brutalized her wife and two small children, her baby was born prematurely and died. Or it can come in the form of carnivorous lawyers, who pick and prey on the lowest miscreants of justice.

On May 23, 1969, Lyon Powell engaged the services of attorney Samuel J. Siegel. According to Powell, Siegel and one incorporated with Brother Curtiss, Attorney Siegel was supposed to be a bad "Maryland farmer in the court room." This ridiculous information was related to Walter Powell, and she went to Attorney Siegel.

Before leaving the building against the N.Y. Panther 21, Pig Siegel said, "Oh, this is nothing. Your husband is as innocent as a lark."—"We'll look into this. You wait here."

The next day, Lyon called Pig Siegel to see whether or not he was following through on the case, and Siegel began to question Lyon POWELL's family. He wanted to know if Curtiss was "alcoholic." What this has to do with the most recent contempt citation against the Reithofer Pig Trials, has not been clarified yet. People in the courtroom did have enough sense to know that the contempt is not the real "criminal" and that the imprisonment was whim by a sadist.

Siegel demanded $500.00 as a retainer. Before he would even go see Brother Curtiss, Attorney Siegel refused to receive the $500, and alleging that he could have the brother on the street in a week's time. Pig Siegel went to see Brother Curtiss the next day. Upon returning from his visit to the men's house of detention, American Siegel demanded $750.00 more.

For the defendant the quick pig lawyer beat the stretcher for $2,300.00. The case was waiting for court. He was asked to come to court when the police were appearing. Pig Siegel didn't take it because he thought it was not necessary. And when the food did show up, he showed up on the wrong day. He wasn't even on the job enough to know the case had been postponed. Moreover, the chauffeur was in the wrong part of the courthouse.

This is a clear example of a film flam artist of the highest order. The fascist nature based in prey and took full advantage of sister Powell's inexperience and took her for $2,300.00.

At present, Pig Siegel still doesn't know what's happening and he still is running down the same con game.

**FASCIST TERROR**

**PIG GETS JAIL SENTENCE FOR BEATING CITIZEN**

**PIGS BLIND BLACK YOUTH**

---

**CHICAGO, June 7 (Fred News Service)—** On Sunday, June 1, police were called to the William Penn Elementary School at 1315 S. Archer Street by a woman who said her husband had been beaten. When the police arrived, three youths who the woman said had been involved were seen. However, the youths discovered their black caps were not on the tip of their shoes and they fled. The police arrested the young men.

At this time, a 13 year-old black girl was in the school playground and began crying as the police arrested the young men. When the girl's friend arrived, she was shot by Patrolman G. K. Jemison, 4th District. When the two youths were brought into the 13th District, they were charged with burglary at the instance of L. Joseph M. Cavanagh. A black sergeant and a patrolman argued with Cavanagh explaining to him that the 13 year-old had been beaten because they were ?black and that they were not involved in the burglary complaint. But Cavanagh insisted that they were charged with burglary and that they were beating up a white girl and that they wereLOGY of us. When Mrs. Mollie Beals, 26, went to the station to inform the police about the young man, she spoke to Cavanagh who again professed innocence towards her and refused to give any information. Robert Hill, 32, came to the station to complain about Jameson striking his sister (the 12 year-old) at the time of the arrest. At first Hill and his companions were shown out of the door by the pigs, but later they allowed him to enter the station. Hill spoke to Cavanagh and said that he wanted to speak to Jameson. Cavanagh told him to wait until the arrests were charged. Then the police did not give Hill Jameson. While Hill was talking, Jameson had told Cavanagh to leave Jameson alone. During the conversation Jameson told Hill that he didn't want to be messed by anybody else.

Next, a pig known as "Glover" (because he wears black leather gloves) told Hill and his companions that they were contaminating the wrong way. When asked what the right way was, Glover replied, "I'm not going to tell you, boy!" Glover then put on his gloves and shouted, "You bastards, get the fuck out of here!" "You don't know who the fuck I am! I will kick all you bastards!"

At this point several pigs arrived on the scene brandishing sticks and filthy clubs and forcing everyone into the building. Cavanagh arrived at one of the arrested youths' houses, located the three youths involved in the burglary and that they had her 15 year-old son (also arrested for burglary) for 4 hours before releasing him to the police.

Chicago, June 10 (Fred News Service)— The Exonation Human Relations Commission is investigating an April 27 shooting of a 13 year old black boy by a white Exonation pig. Brown Williams was shot in the head and subsequently died following a reported burglary of an Exonation jewelry store. Williams' mother charges that the Exonation police did not notify her of the shooting charges and that they held her 15 year-old son (also arrested for burglary) for 4 hours before releasing him to her. She further charged that Exonation Hospital operated on Brown without notifying her, that a nurse transferred her to Cook County Hospital without notification. A hearing board member testified that Brown was transferred from Exonation Hospital to the day police who decided he was killed in the Exonation hospital. He offered to ride along with Brown from falling off the bench in the patient's ward, but the sheriff's police said another hand-cuffed prisoner could do that. Prior to the Commission's third hearing.

“DARE TO STRUGGLE, DARE TO WIN”

When the oppressor makes a victims attack against freedom fighters because of the way such freedom fighters choose to agitate for their liberation, then we know that we are moving to the right, and that our position is not the correct one. They have no rights which oppressed Black people are bound to respect. The racist mad dog oppressor fears the armed people, they fear most of all Black people armed with weapons and especially for the ideology of the Black Panther Party. The Black (Panther Party has clearly drawn clear line between the oppressed and the oppressor. This is why the BPP is carrying the future of the oppressed black people. It is because of the ideology of the Black Panther Party, and because of this ideology that they are winning. The main goal of the power structure is to completely eliminate all political revolutions and any economic base. A lot must be kept to the brothers and sisters of the white man.

Robert Landen Williams and Harry Wiley are being held political prisoners at the maximum security prison known as San Quentin. They are in isolation, as are all Panthers, because they are considered dangerous regardless of what the charges are. Landen and his have refused to take the PZP pill just due to the fact that they are being held political prisoners because they were arrested without warrant of arrest or warrant of conviction so as to prove the arrested crimes. Landen and his wife and Harry are now in San Quentin X-10 cell, smaller than an adult man’s cage in a zoo. To try to exterminate them, they have them on bread and water and no necessary privileges. In short, in fact, even an animal is taken; they aren’t even allowed showers, although only a week ago and all mail is denied whether incoming or outgoing.

The latest in a series of threats to betrayed and extermination of the Black Panther Party is the recent arrest of Lulu Watson, Deputy Minister of Defense for the Black Panther Party. New, Miss Simpson, and Chairman Brother, they were beaten on some 35-35 by charges of carrying a concealed weapon Sunday morning, June 15, 1969, at approximately 3:15 a.m. These brothers were harassed and arrested without a warrant of arrest or warrant of conviction so as to prove the arrested crimes. These brothers had a .38 revolver in their possession. When booked, the pigs had ‘manufactured’ a gun, Lulu Watson and Chairman Brother were placed in a cell with two pigs who refused to let them have their medicine. This was hopefully a means of exterminating them through absence of medicine. Today they are taken to Superior General Hospital. Black Power has been betrayed.

The oppressor, the endorsed speaker, and the ‘implacable’ (revolutionaries) have no rights which oppressed Black people are bound to respect. The racist mad dog oppressor fears the armed people, they fear most of all Black people armed with weapons and especially for the ideology of the Black Panther Party. The Black (Panther Party has clearly drawn clear line between the oppressed and the oppressor. This is why the BPP is carrying the future of the oppressed black people. It is because of the ideology of the Black Panther Party, and because of this ideology that they are winning. THE POWELLS: TOOLS IN THE HANDS OF THE FASCISTS

The fascists in Germany came to power in the 1930s after they had succeeded in creating an hysterical, anti-Semitic atmosphere. The forces of fascism—the imperialists, finance capitalists, and large agriculturalists—were able to create a fascist state through the use of their two most important weapons against the people: demagogy and terror. The “social democrats,” too, would today be equal to our “liberal enlightenment politics.”

The Nazis, the fascists, had the masses of the people down the river. In the name of anti-communism, so-called “democracy,” they sat back and watched the fascists take over without aligning themselves with the progressive and revolutionary forces in Germany the Communist Party to oppose fascists. They opportunistically looked (of course they were thinking only of themselves) that if they played it cool and didn’t get in with the Nazis, that maybe the Nazis would leave them alone when they came into power. So, what’s that they did, they played it “cool,” and they sided the Nazis coming to power. What they didn’t reckon on, what they didn’t count on, they were in the process of driving them entirely out of the ruling circles and even into the concentration camps along with the communists; because after the Nazis were in power, they no longer had any use for the liberals, so they were disposed of just like everybody else. Trying to stem the tide the fascists didn’t work too well for them, just as it wouldn’t work too well for liberals in the United States. They will either have to take on a sizable stand with the anti-fascist forces in the U.S., or they will be taking a stand which supports the fascists in this country, which, in the end, is not in their interests. The fascists were the road for fascists. Fascism comes in different guises, and the people must be wise to all the different guises of fascism so that we can detect it and expose it to all the people before it’s too late. In Germany the fascists talked anti-communism. In the United States, the fascists talked about their so-called “law and order.”

What kind of “law and order” is there in a society in which millions of black, brown, red, and white people go hungry every day? What kind of “law and order” is there in a society which sends its youth, the sons of the workers, to fight and die and oppressed people of that country, to war in Southeast Asia to fight the poor and oppressed people over there? Are the Americans men in Vietnam fighting a war over there for the sake of “law and order”? No! They are fighting a war over there which is in the interests of the ruling classes in this country and no one else! Can we talk about “law and order” in a society where every week the Black Panther Party is confronted with new frame-ups against our members, when our offices are being bugged out, our pregnant sisters beaten, our unborn babies murdered? We say that there is not “law and order” in this society, and there has never been, “Order” for whom? There was no “order” for the slaves, and there has never been “law and order” for the ruling masses—every time the workers in this country have militantly struck in order to get some of their basic demands, they have been met with violence. Any time the people of this country organize to obtain their fundamental desires and needs, they have been met with force. This is why it has driven out this violence? Who is it that disrupts “law and order” in this society, and who is it that has driven out this violence? Who is being arrested and sent to prison? Who is being hung in chains? Who is being burned in effigy? Who is being fed to the pigs? Who is being fed to the pigs?

UNTIL THE LAST FASCIST IS SHAKEN FROM THE CRUMBLING POWER STRUCTURE, THE ENEMIES OF THE PEOPLE WILL BE RIGHT THERE TO LICK THEIR BOOTS AND BEAR FALSE WITNESS AGAINST THE VANGUARD PARTY...

LSENT NATURE OF AMERICAN SOCIETY IS THE WAY THEY TALKING ABOUT THE CLASS CONTRADSTRUCTIONS WHICH ARE HUGELY VISIBLE IN OUR SOCIETY. REVOLUTION AND EDUCATION

"In the old days, human genius, the brain of man, created only to give some the benefits of technology and culture, and to deprive others of the bare necessities, education and development. From now on all the marvels of silence and the gains of culture belong to the nation as a whole, and never again will man’s brain and human genius be used for oppression and exploitation. The working people will perform this titanic historical feat, for in them lie dormant the great forces of revolution, renaissance and revolution."

REVOLUTION
AND
EDUCATION

It is the duty of any society to see to it that every individual in that society is invested with the human heritage and provided with the technology, the skills, and the knowledge that will enable him to cope with his environment, to survive and to live a good life. This is the duty of the society to provide that, just as it is the duty of the society to provide the highest level of medical assistance, housing and also employment, every benefit that exists in society, it's the duty of the government to provide that.

Let's say that, and so long as the government to not providing that, it is not worthy of existing, and under our form of government, which is called representative democracy, it is not possible to provide this. It is not possible for a capitalist economy to provide a universal education for the people. What it has been providing is universal brainwashing that masquerades as universal education, the quality of the education in commensurate, it's abusive, and it's only geared to provide a level of intelligence or a level of competence that will enable the product of the educational system to become war material, to be exploited by the capitalist economic entities within the United States.

In order to maintain the American social order, we have to do something along the present structure of power in this United States. We have to overthrow the government. For too long we've been intimated into not speaking out clearly what our task is. Our task is to overthrow the government. It has to be understood as being nothing but the instrument of the ruling class. The courts, the congress, the legislature, the executive branches of the state and federal government are nothing but instruments in the hands of the ruling class, to serve the affairs of the ruling class, and to conduct the life of society in the interest of the ruling class. We're not out to destroy this machinery of power, to smash this machinery and to erect new machinery cannot be severed until the present machinery is destroyed. It is not the task of revolutionaries to keep their hands in the sky wondering about what they would do, when they're in power, what they have to do at the present time is to have a clear cut program on destruction, we're not to destroy the present machinery of the ruling class, that is what we must do, and we will do this by any means necessary. We have to do this by the only means possible, because the only means possible is in the means that's necessary, that is the violent overthrow of the machinery of the government of the ruling class. That means that we will not all strike, we will have a brutality and force upon us, without unity, we will be undone. We will, if we go along with the unity upon them, We must destroy their institutions from which they derive their power, a government president may have his power as a result of his service in a corporation, we must attack him on the campus and he must also be involved on campus and attack him in his home. If he has power in his corporations, we should destroy that power and the products of that corporation, or through the physical destruction of the property of that corporation, or the physical annihilation of him as an individual.

We must not get into a rig of things, a revolution is not a game, it is a war, we're involved in a war, a people war against those who oppress the people, this is the war in the clearest sense of the word. It is only that our resistance is under-developed, the repression is over-developed and it is our responsibility that is under-developed, because the ruling class has absorbed the materials of war to crush us, and they're only using these materials at this particular time, because our resistance has a large impact. The revolution has therefore been timid.

Fred Hampton, Deputy Chairman, III. Chapter B.P.P. is one of 16 party members indicted by a fascist grand jury on charges ranging from kidnapping to unlawful use of weapons.

SDS
NY Panther 21 trial postponed

By Chris Robinson

Lawyers for 14 of the Panther 21 argued in court last week that Manhattan District Attorney Frank S. Hogan should be replaced, and replaced by a temporary district attorney. The 21 members of the Black Panther party, charged with conspiring to bomb seven department stores, police stations, the Bronx Botanical Gardens and a section of railroad tracks, accused Hogan of being the source of inflammatory publicity prejudicial to their case. Defense lawyer Arthur Turoc argued that Hogan should be replaced because he "cannot present evidence against himself." The accusation was leveled June 13 in New York City's criminal court building, where several hundred Panther supporters demonstrated outside.

The trial was to open June 11, but defense lawyers presented eight motions to be argued prior to the trial. These motions call for dismissal of all charges due to premature and prejudicial publicity, suppression of witnesses and other evidence not available, and the trial of two defendants as youthful offenders because they are minors. The trial has now been postponed indefinitely, while defense motions are argued. Presentation of the motions is to resume June 26.

The brief June 11 court session was attended by 200 Panther supporters, who packed the courtroom. They were backed up by 500 more demonstrators outside the building. New York Supreme Court Justice John M. Murtagh allowed defense lawyers to meet with their clients for the first time as a group (the 14 Panthers are being held separately as individual cases) and then adjourned the case for two days.

Defense attorney Gerald Artzer appeared before seven judges of the New York Court of appeals in Albany June 12, to argue for a reduction in the Panther's bail, now set at $100,000 each. Leftour said he did not expect any state court to grant a reduction, and had been informed that "it is obviously unconstitutional."

Dear Brothers and Sisters,

Those of you who live in the city of Los Angeles, New York or wherever you are fighting against a new form of slavery, we are with you. The world is watching and the battle is raging.

We are writing this letter to our comrades, brothers and sisters in Black communities in Los Angeles, who wish to express our solidarity in the struggle of Los Angeles in its own self-defense and defense of the community that is capitalizing off them and robbing them of their hard-earned wealth.

Conrad, a former Black Panther, was moved to tears by the words of the letter, which he had written in response to a recent article in the Black Panther newspaper, calling for solidarity with the 21 Panthers on trial.

16 CHICAGO PANTHERS INDUCTED -- FACE ELECTRIC CHAIR

SIXTEEN members of the Black Panther Party including the chairman, minister of education and the minister of culture were indicted Tuesday by the county grand jury on charges of conspiracy, agrava ted kidnapping, aggravated battery, burglary and unlawful use of weapons. The aggravated kidnapping charge carries a maximum penalty of death. The state attorney's office opened the press conference on June the 3rd that the May grand jury was planning extensive investigations against the Panther leadership as part of the city's war on "gangs." The case which was chosen for use in attacking the Panthers was the current last April of a half-dozen Panthers who were charged with holding and torturing a couple in the janitor's apartment in an alleged attempt to recover a stolen gun. The defendants appeared in court in Oakland and three times the state was unable to produce any witnesses and asked for a continuance of the trial.

WHAT'S WHAT IN AMERICA?

DULCETON, BULLETIN, BUL LETIN, be on the lookout for FASCISM. If it is a nation wide convoy which is spreading rapidly throughout the American and foreign countries, if it is not stopped immediately it will kill all that oppose it.

It is hiding in the form of LAW AND ORDER. The fascist Pig Power structure is constantly attempting to commit murder against all oppressed people and those who lift a hand to help and in the crimes committed against the people, it has worked from the underground for years.

But by the Black Panther Party exposing capitalism and fascism, it has forced fascists to show their hand. It is necessary for the oppressed people of the world to unite before it is too late.

The fascist Pig Power Structure with the help of their lackey media news media, is continuously misusing the word fascist which is so much against their Fascist Way. The Oppressed people of the world are constantly being exploited, not enough money to survive on to feed their families or decent housing, food and recreation are year round visitors. Not enough dedicated enough to show people the way, etc. etc., but every day the cost of living is rising, more taxes. We still have nothing to show for our hard work and will never have anything as long as we continue to let the fascist fascist Pig Power Structure keep us from uniting.

Join in with the Black Panther Party and many other organizations to form a UNITED FRONT AGAINST FASCISM. Fascists are working hard to divide the Black Panther Party from the people. Let us unite in lock to keep all the Capitalist, Fascist, Criminals who are lifting their hands against the people. The spirit of the people is greater than the man's technology. We must wage a permanent fight to turn Fascists into a white elephant.

FIND THREE PANTHERS IN CONTEMPT OF COURT

BOSTON PANTHERS MACHED AND BEATEN FOR SELLING PANTHER NEWSPAPERS

DATE June 13, 1965

Joel and Frank were standing outside First National Stores on the corner, selling Panther newspapers. Two black dogs, Acerra (the S.O.S.) and Anderson (the SOB) told them they were not going to buy because they had done something to them.

The people were not complaining, and they were making good progress with the newspapers. They decided to leave, rather than risk harm to the people watching.

Joel and Frank left the store, and continued selling newspapers. They were approached by a man who asked for a copy of the newspaper. Joel handed him a copy, and the man paid for it.

The next day, Joel and Frank decided to continue selling newspapers, but they were not successful in finding customers.

A WARNING ON GROWING FASCIST PIG POWER

On June 11, 1939, the San Francisco Chronicle ran an article on a report of a tax force of the National Commission of the Causes and Prevention of Violence entitled, "A Warning on Growing Copper Power." The report said that the "police have emerged as a self-conscious, independent political power." This is a complete misnomer, for the current pig fascism that is running amok, all across the country.

Trying to formulate a concrete understanding of what fascism is all about based upon the double talk that is printed in the fascist anti-Fascist news media, is like professing to be an authority on China, based upon what one has discovered from John Wayne movies. Therefore, a historical approach to the question of Fascism is needed, in order.

"Fascism is the open terrorist dictatorship of the most reactionary, most chauvinistic (rancid) and most imperialistic elements of Finance Capital... Fascism is the power of Finance Capital itself, Finance Capital mans itself not only as banks, trusts, and monopolies, but also as the human property of Finance Capital - the extraction of surplus value, the economic pillage, the work of the poor, the destruction of the working class, the revolution of the proletariat and the intelligentsia.

The headlines of the June 11, 1939, Black Panther newspaper read, "CAPITOLISM PLUS RACISM PLUS FASCISM." This is a fitting description of Dressed America, in 1939. Fascism in America, under Stalin, is just as violent as it was in Nazi Germany, under Hitler. The only difference is that in Nazi Germany, Fascism has moved to a higher level, and it can be seen in all levels of this society. The fascists businesses, like the owners of the New York Stock... extract $500,000 per week from the workers, and every one of its stores... demand a $600.00 every week for Breakfast... Fascism is the power of Finance Capital itself, Finance Capital man itself, not only as banks, trusts, and monopolies, but also as the human property of Finance Capital - the extraction of surplus value, the economic pillage, the work of the poor, the destruction of the working class, the revolution of the proletariat and the intelligentsia.

A Democratic society (for the rich and the super rich) cannot digest forces that are required to long-standing and legitimate purposes.

The report said, "Fascism is the open terrorist dictatorship of the most reactionary, most chauvinistic (rancid) and most imperialistic elements of Finance Capital... Fascism is the power of Finance Capital itself, Finance Capital mans itself not only as banks, trusts, and monopolies, but also as the human property of Finance Capital - the extraction of surplus value, the economic pillage, the work of the poor, the destruction of the working class, the revolution of the proletariat and the intelligentsia..." According to the task force, J. Edgar Hoover said that it was the same for the growing fascist power, but fascism is here. It was an age when National Guard occupied Wilmington, Delaware for almost a year. The last of the N.Y. 2 can be equated to the Natchez Fire in Georgia when the fascist Nazi regime used this as a preface to annihilate the Communist Party and exterminate the Jewish people. When Reagan ordered O.K. Gas sprayed by helicopter over the University of California in Berkeley, this too is a clear example of fascism.

One of the most hated impositions of fascism to carry out is through the news media, exemplified through the "patriotism" that is afforded to fascism in all of the media. The media, print in the official line of the fascist state and when dealing with the opposition, it always quotes the oppressor out of context, when it does not print out and out lies.

FASCIST JUDGE UPHOLDS BEATING OF NEWSMAN

Chicago, June 11 (News Service)--Three Chicago cops were cited today by a federal court that although they did at least two different times, the officers are not charged with any constitutional rights without due process of law. This was so according to Judge Joseph Perry because... the element of willfulness was missing... There was a provocation. In fact, said Judge Perry, "The language that John Linn, a cop, used was vile and inflammatory to the officers. He accused the officers of committing crimes against their mothers. Any red-blooded American would fear the same." Of course, the victim was never in doubt. Unlike the movement, the reactionaries are notified in advance by Fascism to put a stop to any protest."

CONTINUED HARASSMENT OF ILL. PANTHERS

Eleven members of the Black Panther Party were arrested outside their Madison Street office on June 11. The police had stopped their car to harass the driver. The driver was charged with leaving a "redlighted" and "obstructed" vehicle because they did not have a ticket. The police then told the driver to take the harassment and called on the growing crowd to keep them out of the way. When police attempted to arrest all eleven, a black police officer was shot in the back of the head by the police officer. The police officer was taken to Cook County Hospital. The driver then told the police officer that they had found the car and materials to make a bomb. Later that day, the police officer was released to the police officer. The police officer was then arrested and charged with making a bomb. The police officer was shot in the head by the police officer. What We Want
What We Believe

2. We want an end to the robbery by the white man of our Black Community.

We believe that this racist government has robbed us and now we are demanding the overdue debt of forty acres and two miles. Forty acres and two miles was promised 100 years ago as restitution for slave labor and mass murder of black people. We will accept the payment in the form of reparations which will be distributed to our many communities. The Germans are now selling the Jews in Israel for the price of six million Jews. The American racist has taken part in the slaughter of over fifty million black people; therefore, we feel that this is a modest demand that we make.

4. We want decent housing; fit for shelter of human beings.

We believe that if the white landlords will not give decent housing to our black community, then the housing and the land should be made into cooperatives so that our community, with government aid, can build and make decent housing for its people.

5. We want education for our people that exposes the true nature of this decadent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

6. We want all black men to be exempt from military service.

We believe that Black people should not be forced to fight in the military because to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like black people, are being victimized by the white racist government of America.

7. We want an immediate end to POLICE BRUTALITY and MURDER of black people.

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

8. We want freedom for all black men held in federal, state, county and city prisons and jails.

We believe that all black people should be released from the many jails and prisons because they have not received a fair and impartial trial.

9. We want all black people when brought to trial to be tried in court by a jury of their peers or people from their black communities, as defined by the Constitution of the United States.

We believe that the courts should follow the United States Constitution: that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by his peer group. A peer is a person from a similar economic, social, religious, geographic, environmental, historical and racial background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been, and we are being tried by all the forces that have no understanding of the "average reasoning man" of the black community.

10. We want land, bread, housing, education, clothing, justice and peace. And as our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them, a decent respect to the opinion of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes, and accordingly, all experience has shown that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing inevitably the same object, evinces a design to reduce them under absolute despotism, it is the right, it is their duty, to throw off such government, and to provide new guards for their future security.
Soul on Ice?

"IT IS ONLY A MATTER OF TIME UNTIL THE QUESTION OF THE PRISONER'S DEBT TO SOCIETY VERSUS SOCIETY'S DEBT TO THE PRISONER IS INJECTED FORCEFULLY INTO NATIONAL AND STATE POLITICS, INTO THE CIVIL AND HUMAN RIGHTS STRUGGLE, AND INTO THE CONSCIOUSNESS OF THE BODY POLITIC. IT IS AN EXPLOSIVE ISSUE WHICH GOES TO THE VERY ROOT OF AMERICA'S SYSTEM OF JUSTICE, THE STRUCTURE OF CRIMINAL LAW, THE PREVAILING BELIEFS AND ATTITUDES TOWARD A CONVICTED FELON." (SOUL ON ICE, P.59)

Eldridge Cleaver made the decision to politically exile himself November 27th, on the basis that the Adult Authority made an outlaw decision, and that he has been denied his constitutional right to due process of law.

The rescission of Cleaver's parole was illegal, because no parole violation was committed.

The Adult Authority parole board had it to maintain that Cleaver violated his parole by having a rifle in his possession, and by associating with individuals of bad reputation. This contention, we will show, is false. The Adult Authority version contradicts the Superior Court order itself:

"... Cleaver's only handling of a firearm (the rifle) was in obedience to a police command. He did not handle a hand gun at all. There was nothing one way or the other to show a conspiracy or a situation calling for the application of the doctrine of aiding and abetting. Hence, nothing supported either the possession of a firearm or the assault charge.

As to the charge of association with individuals of bad reputation, the report indicated that two of the three mentioned had "police files," but nothing to show that Cleaver had been convicted of anything, or whether Cleaver knew of their arrest record." (Superior Court c.t. 137, 138, 140, 141)

Parolee Cleaver was denied parole due process of law by being denied opportunity to present his case.

Why was Cleaver returned to prison as a parole violator if documented evidence to the contrary had been presented in his defense? To answer that question, one must examine the Adult Authority. This board has the right to arbitrarily revoke or suspend parole on any individual. At the same time, the Adult Authority maintains falsely that Cleaver has the opportunity to defend himself at a hearing. This is how it works:

"A parolee is served with violation charges, is interviewed, is given a hearing (before the Adult Authority itself, the charging party) at which the parolee may 'plead' to the parole violation charges, and is afforded an opportunity to present his defense."

"At the 'hearing' a parolee is denied the right to counsel, may not have an independent and impartial officer to conduct the hearing and make decision. (Petition for Hearing in the Supreme Court, p. 17)

Not only does the Adult Authority hold secret hearings, but it also refuses to notify persons under its jurisdiction of its procedures, or of its variable definitions of what constitutes a parole violation. This secrecy and vagueness are in direct violation of federal law which requires agencies to publish their procedures "for guidance of the public."

"Petitioner (Cleaver) is immediately and seriously prejudiced by the Adult Authority's unlawful refusal to publish its regulations, since he is to be imprisoned by virtue of an action which the Adult Authority still seeks to call in this 'veil of secrecy.'" (Petition for Hearing in the Supreme Court, p. 12)

Yes, the Adult Authority acted unusually and illegally. Its decision was an outlaw decision. Cleaver had no chance of obtaining "justice" from those Star Chamber proceedings. Why then wouldn't the U.S. Supreme Court hear Cleaver's case? There are, we believe, three reasons why the case was not accepted. The first is that any fair minded court would obviously have released Cleaver, thereby setting a precedent. The second is that thousands of cases of alleged parole violation from all over California and other states would be subjected to reversal. Thirdly, the illegal functioning of the Adult Authority would come under attack. The U.S. Supreme Court just couldn't afford to consider the Cleaver case during this turbulent period.

Eldridge Cleaver is a victim of naked, shameless, political persecution. As Judge Shearer says: "... The uncontroverted evidence presented to this court indicated that the petitioner had been a model parolee. The peril to his parole status was abandoned by the state; undertaken by itself in pursuit of political goals, which were effective to many of his contemporaries. Not only was there absence of cause for the cancellation of parole, it was the product of a type of pressure unbecoming, to say the least, to the law enforcement paraphernalia of this state."

Cleaver is in political exile because a man of his convictions cannot get justice here. Indeed, if we are to give more than lip service to the concept of freedom and justice we must support him. The work to get him discharged from parole must continue. An intense publicity campaign is necessary now to bring to the public the legal defense and arguments which were carried to the courts with no satisfaction. We must all work together to focus attention of this case. This is not an issue of one man's freedom, but a broad struggle which affirms the right of all of us to speak out politically in this country. If Cleaver is not allowed his freedom, it is a matter of time until all our freedoms are further reduced. His is not a political struggle but a political one.

INTERNATIONAL COMMITTEE TO DEFEND ELDRIDGE CLEAVER
