“We stand with the Supreme Servant, Minister Huey P. Newton, who is the Soul Servant of the People, both in actions and deeds. You are an outcast. So read and digest this article well. We're not going to do any talking to you if you come here. Don't get us wrong. We're not threatening you, only advising you of your rights. For one day you'll be coming back here and we who are definitely your peers will judge you. We know and understand you, for we are going through what you once did. And you can bet your life you'll be dealt with justly.”
THE POLICE STATE AND REAGAN'S SLAVE LABOR SCHEMES

Reagan's latest proposal is to force hundreds of thousands of poor and oppressed people, "recipients", off the welfare rolls and to limit medical care for poor people and others on welfare, so as to force another two million into slave labor by forcing people to do unskilled labor work.

People are not going to stand for slavery, slave labor schemes, and the People will at least take the position to rebel more openly than singing "I would rather be dead in my grave than ever be a slave." And the present police state apparatus in California will be out to kill and murder poor people and black people who draw their checks and refuse to work under a slavery scheme, because we believe people know that the bulk of the taxes we've paid has been ripped off by the small minority exploiting class, demagogic politicians, rich industrial hogs, all of whom are still in pig control of the means of production.

Now comes, with Nixon's approval, Reagan's cheap slave labor scheme in the midst of the world's most wealthy, industrially developed, technological society. This slave labor scheme will force more people into burglary and peddling, kill to survive, and will result in nothing less than city-made ghetto plantation operations where even highly-skilled, forced-to-be unemployed persons have no alternative but to be subjected to the concentration camp - poor, oppressed ghetto community occupied by the brutal, murdering pig police.

No man or woman should be hamstring with such slave labor schemes, especially within the midst of a world of technological wealth and means of production and industrial development further under such slave-labor schemes, is that of armed, equipped-for-overkill, pig police who become the modern, backward-functioning slave overseer. In stead of a whip in hand, its rifle butt, billy clubs, .357 magnum guns and concentration-camp jails are already in existence.

One institution which must not be allowed by the people to continue functioning against the people is the police departments controlled and run by the avaricious, demagogic, exploiting, ruling-class rich and their puppet politicians from Nixon's end of this country to Reagan's California.

The major organizational task which the people must undertake is to implement community control of the police departments where the people of the communities control and run the police departments, not the avaricious, demagogic, ruling, exploiting, elite class, where the person who patrols a neighborhood police district is a living, resident member of that same exact community, and where basic institutional functions are controlled by the people. Without this power in the people's hands, we can and will be subjected to slavery at any time.

Hitler's tactics have arisen here with Ronald Reagan's attempt to set up a further degeneration of this society through slave-labor and concentration-camp schemes developing out of police state-ism.

Those oppressive forces - the pig, fascist-racist brutalizing, murdering police and avaricious ruling elite must lose power and the people gain and control the power. Community control of police with the people hiring and firing and maintaining control, with residential citizens of each neighborhood/community area elected and hired from our very communities is relevant to a people's revolutionary change which would be in direct opposition to all slave-labor schemes, and in opposition to the present prisons, jails, and county farms developing into the concentration camps throughout the country. Otherwise, the next overt concentration camp apparatus will be in our communities themselves.

THE STATE OF NEVADA AND WELFARE MOTHERS

To the State of Nevada and the welfare administrator, George Miller, take notice: You've made war on the poor by cutting them off welfare, you have taken the food off of the table and the roof from above the heads of little children; you have made illegal profits by cutting a basic minimum for decent living, by giving the poor and jobless checks for half their survival needs; you have judged people on welfare as subhuman because they could not find adequate jobs in your oppressive society; you have alienated your own people and stripped them of their dignity; and you justify oppression in the name of protecting the money of the state.

Your state claims that the welfare recipients cheated in declaring their income; that they are guilty of fraud; that they are criminals. So blind are you that you would sacrifice the lives of children to your greed, by not giving them fair hearings to defend themselves against your false charges. You have terminated 3,000 people from the welfare roles. You have temporarily cut 4,500 of the poor, and today 900 families have no income. These things you have perpetrated on the poor without due process of law.

Nevada, you have cheated your people, you have defrauded your citizens, and you have committed crimes against the poor. Your maximum aid to a family of four has been $144 a month, when the minimum standard of health and decency poverty level is $312 a month. And now you would deny the continued on page 5
PEOPLE’S FREE HEALTH CENTER AIDS IN CORRECTING CHILD’S EYESIGHT

The Black Panther Party people’s Free Health Center in Boston has been functioning for some time now, serving the needs of the community with free medical care.

On Friday, February 25, a community sister received a x-ray vision made possible by the Free Health Center. Fourteen-month-old Stacey Hartton received an eye x-ray to correct her eye sight. Since birth, she had a problem with the muscles in her eye which are responsible for moving her eye horizontally. At age 6 months (August, 1970), Stacey was taken to Boston Children’s Hospital to see a specialist who hypnotically examined her eyes, and prescribed glasses, telling her parents to return in six months.

During that time Stacey’s eyes became worse and had turned further inward. She had also begun to walk sidewise and had to turn her head sideways to look at objects. Her parents were never informed that a series of simple operations could straighten her eyes.

On January 20, Stacey was brought to the Free Health Center for an examination and subsequently received an appointment with an eye specialist who arranged the first operation.

BOSTON PEOPLES HEALTH CENTER

Stacey will be able to gain her normal vision and see all other children do. The people and only the people are responsible for this great service. For without the people, the Free Health Center would not be accomplished and would lose the reason for its existence, that being to serve the people. By the people’s support of the Free Health Center, not only will Stacey receive in her lifetime, but hundreds upon hundreds of other community people will receive the gift of sight that they deserve. Only through survival programs such as ours can we remove the racist oppression of American society until we can organize ourselves in a political fashion and seize power, and meet the basic needs of all the people!

Dr. Noreen Smith (left) asked police to retake Merritt College from militant Student Coalition led by Douglas Miranda.

By Stephen W. Hofreiter

We demand full credit for all courses for all students who are currently enrolled.

We demand complete autonomy political, financial and academic for all Third World studies departments.

No cops on campus! This means Oakland or Berkeley Police, Alameda County Sheriffs or undercover police.

We demand that the Peralta Board turn over facilities currently being used, etc. to the strike coalition to conduct the election of a Community Control Board. We demand that the Peralta Board guarantee this election will remain at Merritt.

We demand that the Peralta Board present a full curriculum and operation on the Hill campus. (As of the student sign-up for Grove St., as administration maintains classes for only 50 course sections on Grove and 209 at the Hill. Also, the students didn’t decide course locations by pre-engineering; the department heads had the final say.)

We demand that the Peralta Board present a full curriculum and operation on the Hill campus.

On the 18th of February at 9:00 P.M., a unit of approximately 50 Seattle City pigs converged on the home of Mrs. L. M. Ed- wardes at 2031 E. 7th Stree. The pigs said they were looking for her 18 year old son, Alvin Ed- wardes, in a suspicion of shooting a pig while juke dancing. The pigs had the home under surveillance for several hours. Finally they knocked on the door and asked for Alvin Edwardes and said that they had a warrant for his arrest for ROBBERY, though this is not as same as a warrant as we understand it. Mrs. Edwardes refused to open the door or at first and finally cracked the door only after the pigs threatened. As soon as Mrs. Edwardes cracked the door, the pigs started forcibly entering. They forced Mrs. Edwardes back, against the wall. They then grabbed Alvin Edwardes and dragged him into the collar and said, “We know your here, where are you hiding?” While this was going on, someone took a shot at the pigs immediately began a search of the house for the presumed look for Alvin Edwardes who wasn’t there, and the murder weapon. After an unsuccessful search the so called pig in charge told Mrs. Edwardes, “You better tell Alvin to come down here to this house when he gets home or they will kill him on sight when they see him.”

After this they milled around for a few minutes more and then left. There was one cop who had a very heavy concentration of pigs in the neighborhood for the next 24 hours.

At around 7:00 P.M., or about one hour after, the same number of pigs reappeared and arrested Alvin Edwardes. This time they included the house of Curtis Wil- liams and Curtis Letter, friends of Alvin Edwardes, at 3018 21st Ave. South. They also had this house under surveillance for sometime before they RAIDED. Curtis Letter was arrested as a second suspect af- ter he came out of the house, got in his car and drove around the corner on the way to the store. They kept Curtis in the pig pen around the corner until the attack on his house was over. After they had arrested him, he had agreed to come to the door and opened it. Without say- ing anything about weapons and cars, the pigs forced their way in with guns drawn, immediately upon entering, they grabbed Chris, handcuffed, and searched him. They searched the house for weapons, they found and made a legally owned shotgun, Chris’s’ girlfriend, Lindi Fletcher, was physically assaulted. Chris Wil- liams and Lindi Fletcher were not arrested.

When arrested at Chris’ house, Alvin was searched inside and brought outside and searched again. He was hit twice in the head and twice in the stomach with a naked off shotgun. Alvin was not informed of his rights and was subjected to more brutality and harassment at the pigs drove him all around town before going to the pig station, trying to make Alvin say he did it. When Alvin arrived at the pig station, he was taken to the hospital and was immediately in- terrogated and people who witnessed the manner in which he, his family and friends had been treated by pigs. After the de- fence attorney left, Alvin was taken upstairs to be booked.

MERRITT COLLEGE STRIKES

The students of Merritt College, with the support of the community have again exemplified the Power of the People. Since March 1968, they have controlled the main campus buildings to demand that the Perk Ra (Board of Trustees) refuses to turn this college over to the community, to whom control of the college’s programs rightfully belongs. On March 10th, three of the Strike leaders were arrested, one of them was Doug Miranda. Following is a list of the demands we want to resist and re-emphasize the original three demands that were passed by the Perk Ra Board on November 2, 1970.

1. Merritt should be kept open and in full operation until such time as a new facility in the East Bay should be established.

2. That Merritt be under Community Control.

3. That Merritt campus, and any future campus in the future be located in the Perk Ra District as a whole.

Bradley Green Sentenced 15 to 50 Years

Bradley Green, a member of the Black Panther Party, was sentenced to 15 to 50 years in prison for the alleged murder of Nellie O. Kinner, a member of the Chicago Police Department. The case involved the death of a police officer and the attempted rape of another.

The judge and prosecutor knew that regardless of what did happen, if a Panther, a Revolutionary could in any way be convicted in this case, then the Panther as an ultimate symbol of the system, must be convicted.

Bradley Green was convicted of the first-degree murder of Nellie O. Kinner and sentenced to 15 to 50 years in prison. The judge's statement indicated that Bradley Green was guilty of murder and that the sentence was just.

The Panther Party has denied any involvement in the incident and has expressed its commitment to the principles of the party, which includes opposition to police brutality and the fight against systems of oppression.

The demonstration was peaceful and the Panthers have maintained their stance that the police officer's death was unjustified.

We are convinced that the law written for the court which killed Kinner, was innocent. However, these laws are not only on paper and they are no longer the fiber of justice which determined whether a person is guilty or innocent. The determining factor is the relation- ship that the accused has with the reactionary empire that the courts serve. Bradley Green was convicted and sentenced because he is a member of the Black Panther Party.

The facts concerning the actual trial itself, are at the utmost individu- al to the actions of the court. It is a matter of court record and public knowledge that since Kinner, a community member, ad- mitted killing Kinner, but the

ATTITUDE REPORT

Program Skillfully Designed to Exterminate Tennessee State Prisoners’ Time

The goal of the program is to make the prisoners feel worthless and useless, to break their spirit of freedom and restore a normal life without the feeling of hope or excitement.

The program has been successful in breaking the prisoners' will and their desire for freedom.

The prisoners have been subjected to long hours of hard labor, isolation, and isolation.

The only power is the power of the people who can keep free political prisoners.

Only the power of the people can keep free political prisoners.

St. Paul, Minn. (LNS) - Comite Trin嘛, 15 year-old black woman, charged with murdering a policeman, has been sitting in jail for two months, and is being held with the help of a $50,000 bail. She was a community organizer and was working with the Inner Youth League, (I.Y.L.).

Last May, the police got a call from a woman saying she was about to give birth and was asking for a ride to the hospital. When they arrived at the address where she was, they were met by the woman's mother, who said her daughter had been killed. The only evidence is the tear in the vagina of the woman who called up. The police depart- ment claimed that a "voice print" (a new technological advance to replace finger print- ing) of the woman's voice was used by her mother to identify her voice print and her voice entered the caller's voice even better. In California and New Jersey, voice prints have been ruled inaccurate as evidence. Furthermore, never before has it been made with female voices, which give less effective and easier proof than male voices.

To get the recording of Comite's voice, the Welfare Department participated with the police department by calling Comite into their office saying they wanted to see her. She then requested her welfare status. A policewoman then called in saying the welfare department wanted to speak with Comite. She then recorded her conversation with Comite.

According to the letter Comite was in jail, Comite has developed lice, eye infection, and the eyes became swollen and red.

In the process of convincing all legal channels for the pur- pose of educating the people, a motion for a new trial will be filed. If the case is as outrageous as the public opinion and the acts of legality, but rather than recognize the reactionary factors that exist in the society, we are united in our struggle against these de-

poor your cut-rate humanity.
Walk right on, Nevada, but you have made a fundamental mistake, a gross miscalculation. There is no crime in being poor. The crime lies with a system which makes men poor, so that others can be rich. There is no "money of the state" that does not originate with and belong to the people. The state exists for the people, to serve the people.
When the poor people of Nevada and their friends marched down the Strip in Las Vegas last Saturday, March 6, and stopped your houses of prostitution and your gambling dens, you took notice. When we took over Caesar's Palace, a symbol of the oppressive rich, and stopped the dice and the roulette wheel and the bars and the rich man's hustlers and the pimps, you took notice. But look ahead, Las Vegas and Nevada. When the state usurps the power of the people then the people must take it back. We're going to turn this state up-side down and shake out the money stolen from the pockets of the people. We're going to hit and run at your brothels, your employment offices, your oppressive welfare offices, your casinos, and at all places where the enemies of the people feel fat, rich, and safe.
We're going to shut your system down until the state serves the people. Take notice, Nevada. We are in the right. We are the just. We can look your system down, and there is nothing you can do to stop us. We have nothing to lose. Take notice, Nevada, for the power rests in the hands of the people!

PIGS TRY TO PROVOKE INCIDENT TO VAMP ON THE PEOPLE'S OFFICE AND MURDER PEOPLE'S SERVANTS

On Sunday, Feb. 27, 1971, around 5:30 p.m., Councilors Bradford Smith and Todd Andrews were outside the Black Panthers' office located at 3025 Wallace St., Philadelphia, Pennsylvania. The brothers were cleaning up some trash in front of the office when a group of at least 30 young pigs came by and told them to get off the street. The brothers, not seeing any reason why they had to get off the street, kept on working. The pigs drove away and about 5 minutes later came back around the corner and jumped out his car pulling out his .38 automatic. The brothers, seeing this, stared inward the office. The pig holding, "Don't run, neger, or I'll shoot." The brothers got inside the office and told their comrades what was happening. The pigs, knowing what he was doing and where he was, called for more pigs and in a matter of seconds, 3 pigs wagons and about 30 pigs came on the scene. The pigs were preparing to vamp, but the people inside the office had clamped aside and began to shout the people of the community. The people began to come out of their houses and check out the situation. When the pigs saw this, they began to pull back and pretended that they were checking an old house across the street from the office. When they were asked what they were doing, the District Command pig said, "We thought someone was breaking into this house here."

We know and they know that no one was trying to break into any house. It was plain to see that the pigs were trying to provoke an incident with us, so that they could vamp on the people's office and murder the people's servants. One of the main reasons for this was that on Saturday, the night before, two pigs had been arrested in this city and the pigs department was very upset about this revolutionary act. The people began to come out of their houses more and more and began to check out the pigs actions. The pigs seeing this began to make their retreat. We understood that there is no struggle there is a battle and we have our right -- and that we have the people. If the pigs attack us again, we will defend ourselves again. We will continue our work of serving the people. We recognize that is the only way for us gain total freedom. ALL POWER TO THE PEOPLE!

ANATOMY OF AN AGENT PROVOCATEUR

The psychological effect of 400 years of economic exploitation and racial oppression has taken a heavy toll in the minds of our people. As a psychological defense against the frustrations caused by previously used incorrect methods of liberation, and in defense against the daily humiliation that we have suffered, a few of our people have developed what is known as the "Identification with the Aggressor Complex," or more simply, the slave-master mentality. These people, in a weird process of the mind, have evolved a sort of superhuman strength of the oppressor, cannot see the oppressor's eventual end, and become his partners.

In that choice between licking the master's boots or taking his head, these latter have lost both.

COMRADE GEORGE JACKSON
ATTACKED AGAIN

At the present time, Comrade George Jackson (Soledad Brothers is being held in maximum security in San Quentin. The last ten years of his life, he has been imprisoned. As if the total barbarism of holding this man in jail for ten whole years on the minor charge of second degree robbery (which he did not commit), and adding the injurious insult of putting a completely phony murder charge on him were not enough, this time the San Quentin pigs themselves have denied him the most basic human right. They are now denying him all medical treatment or aid.

The Black Panther Party denounces this inhumane treatment of our Comrade, George Jackson, and call for all persons involved in the medical profession to come to his aid. We particularly call upon the Bay Area's Medical Committee for Human Rights to send Dr. Bert Small, no matter how right, to attend to our Comrade's needs.

Boston Chapter
OPEN LETTER TO THE PRESS

"IF THERE IS ONE OUNCE OF JUSTICE LEFT IN THE UNITED STATES’ FALTERING JUDICIAL SYSTEM, THE SOLEAD 7 SHALL BE ACQUITTED!"

Dear Comrades,

We, the Soledad 7, commend the Black Panther Party for their diligent efforts in helping engender the support of the people in behalf of the political prisoners throughout the penal system of California in particular the "Soledad Brothers." Your allegiance to our struggle in combating an attempt by the reactionary prison officials of Soledad to maliciously prosecute us has not only provided an impetus for us, to maintain a high degree morale, but has proven once again that the Black Panther Party is truly the people’s vanguard party. We, also, commend the Party for always showing tremendous courage in the face of the enemy. "Power To The Black Panther Party and Venceremos!"

When the reactionary prison officials first sought to use politically conscious Black inmates as scapegoats for the July 23, 1970 slaying of a prison guard, the Party immediately dispatched a Party representative to Soledad along with an attorney; all during the course of the 49 days that the reactionary prison officials illegally confined us to 0 Wing, the Party representative maintained contact with us, our families, and began to procure political support for us by educating the people as to the nature of the malicious conspiracy being plotted against us. Once the people began expressing concern and letting it be known that they wholeheartedly are with us by attending our pre-trial hearings in Salinas, the reactionaries very well knew that the eyes of the people are upon them. Since the majority of the mass media is controlled by the “power elite” and give preference to whatever issues they so desire and most of the time supporting the interests of government objectives, it is necessary for progressive, and revolutionary papers such as the Black Panther Paper to promote the true nature of the malicious conspiracies being waged against Comrades like Bobby Seale and many poor people who are facing similar trumped-up charges. The contradictions of America’s faltering judicial system must be revealed to all the people. It is the people, public opinion, that forces the “Power Elite controlled media” to carry objective articles and news coverage of the many political trials now pending across the country.

The reactionary prison officials within the California penal system have for years been slaying inmates such as the “January 13, 1970 Massacre” when 3 Blacks died in a hail of bullets fired by a blood thirsty pig. However, the reactionary prison officials in Sacramento are reviewing their past policy of letting ultra-right wing paramilitary guards carry out executions of political prisoners because they know the eyes of the people are upon them. They realize the growing political consciousness of the people and how people are beginning to see the political motive behind their acts, Kwame Nkrumah says: “there is no force, however formidable, that a united people cannot overcome.” The outcome of the Bobby Seale trial depends entirely upon the support the people give to see if there is one ounce of justice left in the United States’ judicial system, he shall receive that justice and be acquitted. We must prevent the reactionary forces from using a conviction against Bobby Seale as a political victory and rallying point for the reactionary forces across the country. Surely, they would use such a conviction as a precedent, a more criteria, for future political cases. Let us pay heed to the handwriting on the wall! Let us combat fascism in every way we can!

ANOTHER FASCIST RAILROAD OF OUR CHIEF OF STAFF

Monday morning, March 15th, at the Alameda County Courthouse, fascist D.A. Jenson in an attempt to aid the Nixon-Agnew-Mitchell clique, laid ground work for his pre-planned, attempted railroad of our Chief of Staff, David Hilliard.

On April 6, 1968, 17-year old Bobby Hutton, a member of the Black Panther Party was murdered by Oakland Pigs. Later that same year, our Chief of Staff was acquitted of charges stemming from the same incident - two counts of attempted murder on pigs and two counts of assault. Since that time the District Attorney has appealed the acquittal decision and has been granted a re-trial. On Monday David went to court to be illegally tried for the exact same charges he was acquitted of in 1968. This is a direct and blatant violation of David Hilliard’s “constitutional rights”.

Jenson is aware of how shaky his case is, because his fascist cohort, D.A. Vakota, had just bungled his “railroad” of Wendell Wade, John L. Scott, Donnell Langford and Terry Cotton, all of whom also had a case resulting from April 6th, 1968. This fourth futile attempt to railroad them ended in a hung jury on several counts and acquittals on others. (See Vol. IV, Issue 5, BLACK PANTHER INTERCOMMUNAL NEWS SERVICE.) Vakota had been sure he would get a conviction, making Jenson’s job on David easier. But his circus presentation of the case was so obviously contrived that even the jury of non-peers couldn’t deliver a conviction, continued on page 12.

"We stand with the Supreme Servant, Minister Huey P. Newton, who is the Soul Servant of the People, both in actions and deeds. You are an outcast. So read and digest this article well. We're not going to do any talking to you if you come here. Don't get us wrong. We're not threatening you, only advising you of your rights. For one day you'll be coming back here and we who are definitely your peers will judge you. We know and understand you, for we are going through what you once did. And you can bet your life you'll be dealt with justly."

We take our stand with the Minister (Supreme Servant), Huey P. Newton, No if’s or but’s about it. Not only have you broken every code a Revolutionary Comrade is supposed to live by, but also you have committed murder of one of our Comrades... "Smitey" (Clinton Smith - Rahim), whom, along with Byron Booth, you lied on about the theft of $20,000... while you yourself had done the stealing; and are guilty of treason and counter-revolutionary tactics against your Comrades. If we were in any position to do so, however, some of us will be soon- Nigger, your life would be mud. Some say your life isn't worth taking and to let you suffer in your sex-perverted, degenerated pig sty. But, nigger, you're not going to be let off that easy. Death is the only solution to the problem you pose. So whatever you do, you better hope this racist pig society here (America) don't send you back here. Some of us have been down six or seven years, and we know your reactionary ass. Many of us are still here from the time you left the joint the first time. Our hearts have grown bitter, not only from the way this pig keeps us suppressed, but from all power-hungry niggers" such as yourself. We felt like in all fairness to you to let you know just how we stand, not only as Party members, but Convicts to Convicts. You know our language and we know yours.
We know you’re going to be sent here (Quentin) or Folsom. And you know how to behave, nigger. If so, then you’d better give your last respects to your wife and children, because you’re not going to leave here again to hurt the People or the servants of the People. The grapevine has your name on it, along with the rest of your clan (counter-revolutionary pigs).

So, Minister Huey is more concerned about the welfare of the People and the children in the community than the threats you’ve made on his life. And as far as those who might make an attempt upon his life, remember one thing: they’ll have to come either to Quentin, Folsom, Soledad or Tracy. And we will know them when they hit the line, None of you can hide in these joints. So when you have them make their hit, then you’d better take them with you, Nigger, wherever you go. Because they can’t come here. In fact, the Minister has been lax on you. You should have beeniced when you first started this. You know the mind of Huey, Mr. Shank, but there’s no use in worrying about it. Because we know that there’s nothing we can do about it. We know that there’s nothing we can do about it. We know that there’s nothing we can do about it.

We intend to continue to struggle until we have no more blood, until we have no more power, and until there is no more life in us. We are tired of being lied to and cheated by anybody, especially our Brothers. We want freedom, we want equality, we want the right to get what we want. By doing what you did, Nigger, you’re pulling the rope around the necks of the Soledad Brothers, Rachelle Magge, Bobby Seale, Romaine (Chip) Fitzgerald, Ericka Huggins, Angela Davis and all political prisoners. We refuse to let this happen. We’re going to fight back. We’re going to set the struggle back ten years. It was hard getting this far. So we say to hell with you, Nigger, and this goes for the pigs siding with us. We’ll meet soon, but who are we? Our Lives are a little bit different from those of the Party members on the outside. And you know it. You know how to lie, this piece of paper can make you cry. The lying, the nonsense, the constant harassment of us, locking us up in “B” Section’s Hole and "O" Wing and 4-A, for nothing other than we are Blacks speaking out for what we no longer intend to put up with. Half fed, no hot water in our cells, the long time away from families and loved ones, if they are still running for us. It only intensifies hatred for this racist society and anyone who acts in its behalf, such as you did when you deliberately killed "Smitie", knowing that he was a Revolutionary Comrade. For your individual gain or satisfaction, when you took the vow, whether verbally or mentally, to stand together as the people, and no more to Elridge the individual. You were supposed to cherish the people, love the people, honor the people, and serve the people. The people come first and foremost in the eyesight of all revolutionaries. You have broken every rule that the Party has set for the proper people of the people. So we think you should be taken to the ditch, as was done in China to protect their security. You are like a mad dog carrying rabies, and you surely must be dealt with on that same level. However, we are sorry to say even after all your rhetoric you failed to take heed to what we were saying. Because if you had, you would have known that the truth would soon come to light. For the truth is the light, and we, the people, are the light. All lies soon surface, some sooner and some later, but they do appear. It has taken our people over 400 years to really see the truth about this fascist, imperialistic system and try to do something about it. It was a long road, but the truth did show. Fortunately, we didn’t have to wait that long to find out about you and your power-crazed ass, Nigger, don’t you know that power lies in the backing of the people? You are a fool to try and deceive the very element that has to back you. Maybe you’ve been drinking too much of your scotch or using that LSD. Whatever you are using, it has made you lose your common-sense, you’re going to pay, Nigger; you’re going to pay. We’re not like some of the other Party members, we certainly do not believe in the animalistic treatment of things. Therefore, we don’t believe in the use of any aides in a sense. But we are working on it, to come out of that bag. But sometimes it’s pretty hard. We have the same feelings you had, if not more, when you got out. Things here have worsened, but we continue to struggle in all hopes so one day get out to further the aid and educate people in their struggle for freedom, and not on an individual basis.

We want freedom for all oppressed people; we want it for all, from all oppressors, including you, Christmas. Jonathon Jackson and McCaun died because they could see no justice here in the U.S. And they attempted to change it. We feel the same. No matter how you try you’ll not be successful with your divide and conquer method. We could continue to write our feelings of you, but it would be a book, and "really" you’re not even worth the space taken up here. The only space you should be given is 3x60 feet by a black apple stuck in your mouth.

We stand with the Supreme Servant, Minister Huey P. Newton, who is the Soul Servant of the People, both in actions and deeds. You are an outcast. So read and digest this article well. And let’s all do our part to do many talking about you if you come here. Don’t get us wrong, We’re not threatening you, only advising you of your rights. For one day you’ll be coming back here and we who are definitely your peers will judge you. We know and understand you for we are going through what you once did. And that is just the tip of the iceberg. You’ll be dealt with harshly.

ANOTHER FASCIST

So on March 5th, Jensen decided he
needed more time and he had David’s
trial continued until May 3rd, 1971.
Just enough time to contrive some
“evidence” and far enough in advance
of the arrival of the attorney of David’s
choice, who cannot be here until June
of this year. However, the court is
“generously” going to allow David
to discuss the fact that the attorney
of his choice cannot appear in court
on the date they’ve set for trial. On
April 5th, he returns to court to argue
that he be given the right to the at-

torney of his choice.
All of this is part of a carefully
planned, fascist plot to destroy the
leadership of the Black Panther Party,
as this is only one of a long series
of legal attacks that have been launched
against our Chief of Staff to jell him
the false charges from his Moratorium
Speech (November, 1969) of threatening
the life of the fascist president of the
U.S.; a phony gun charge from Febru-
ary, 1968, (for which he was acquitted,
stood retrial, convicted and is now
appealing); a six-month contempt of

court charge (for which he served one
month, after the charge was dropped)
for being a black man trying to observe
the fascist, racist New Haven
court case of Chairman Bobby Seale
and Ericka Huggins; and now, this
false charge stemming from April
6th, 1968.

force on earth can stop the Black

A REPORT FROM CAIRO, ILLINOIS

The beginning of the Black people of Cairo's current struggle was March 31, 1969, when the residents of Cairo--led by the all-black housing project for over two and one-half hours, the most interested and determined people of the whole area--made their voices heard against their exploitation and racism.

March 31--June, 1969: In a series of demonstrations and marches, they showed that they would not be silent any longer. The Whole City has been shaken by this powerful challenge to its way of life.

May 1969: People's army arrested and charged with intimidation of Black people who called them out to mobilize for the fight against exploitation and segregation. The black merchants and their families were becoming more active in the struggle against the racist society.

July 1969: In Cairo, a large demonstration was held to protest against the arrest of several Black people and their families. The demonstration was peaceful and was attended by thousands of people.

August 1969: The arrest of several Black people led to a large demonstration in Cairo. The demonstrators were met with police violence, but they were determined to continue the fight.

INTERCOMMUNAL NEWS

On the 3rd of December last year, an airplane of the Korean People's Army engaged in high altitude flying practice, lost its direction in thick clouds and after flying around until it ran out of fuel, had to make a forced landing on the sands near Gansung, 20 Km. south of the Military Demarcation Line.

Although almost three months have passed, the Yankee imperialists and the Pak Jung Hi puppet clique have not only refused to turn over the pilot and his plane to the KPA, but continue to resort obstinately to wicked maneuvers to detain him by force.

As soon as the airman made his forced landing, the Pak Jung Hi puppet clique - as has been exposed - released the fabricated story describing the case as one of "surrender" and said they would soon make clear the "details of his submission."

But even though their attempts to force the Korean People's Army pilot to submit have failed, since they have not presented the so-called "details of submission", the U.S. imperialists and the Pak Jung Hi puppet clique continue their mean maneuvers to hold the pilot, currently using the pretext of an "investigation," aimed at achieving their dirty purpose by all means.

No investigation is needed, since it is a case of the forced landing of the KPA plane during high altitude flying practice, as they themselves have admitted. Therefore the problem can only be solved by turning over the pilot and his plane.

But the Yankee imperialists are now denying that the KPA pilot made a forced landing, a fact they themselves had previously admitted, and are insisting they must make an investigation. They are now trying to delay the solution to the current problem citing the cases of the "Pueblo", the armed spy ship of the Yankee imperialists; the "H-23" helicopter, the "1-2" - anything by using as "ha" the case of the "YS-II" passenger plane which is not under the authority of the Korean Military Armistice Commission and has nothing to do with the problem of a KPA pilot who made a forced landing in the southern part of Korea.

The Yankee imperialists, moreover, hypocritically allege that the case of the Korean People's Army pilot should be solved according to "the dignity of man" and "freedom of choice" in a wicked effort to cover up their criminal maneuvers to detain the pilot by forced and misleading world public opinion.

The requirements of the Korean Armistice Agreement and the precedent cases, oblige Yankee imperialists to immediately send back the pilot of the Korean People's Army who made a forced landing in the southern part of Korea.

All facts show clearly that it is unreasonable for the Yankee imperialists to delay the immediate return of the Korean People's Army pilot; nor can they in any way justify their criminal maneuvers to detain him by force.

The Executive Secretariat of OSPAAAL, in the name of all the progressive and revolutionary peoples of Africa, Asia and Latin America, sternly condemns the wicked maneuvers of the Yankee imperialists and the Pak Jung Hi puppet clique to detain the Korean People's Army pilot forced to land in the southern part of Korea.

The Executive Secretariat of OSPAAAL strongly holds that the Yankee imperialists must immediately halt their impudent maneuvers, to hold the KPA pilot in conspiracy with the Pak Jung Hi puppet clique, and must release and return him and his plane to the Korean People's Army without further delay.

It is a foolish delusion for the Yankee imperialists to think they can accomplish anything.
THE REVOLUTIONARY INTERCOMMUNAL DAY OF SOLIDARITY IN DENMARK

The Revolutionary Intercommunal Day of Solidarity with political prisoners in the U.S., called by the Black Panther Party, became a huge success in Denmark. On March 5th, six to seven thousand people demonstrated in front of the American embassy in Copenhagen, the capital of Denmark.

The reason for this success is to be found in the political work that, for especially the last two years, has been done here with regard to the Black Panther Party. In March, 1969, Bobby Seale visited Denmark; and since that time, the Danish people have shown great interest in the Black liberation struggle. In particular the work of the Black Panther Party. The Danish press has, in general, been fair in its reports about the Black Panther Party. It has been the politics and not just the image that has been projected. Hundreds of meetings at schools, colleges and public places have been held by members of the Black Panther Solidarity Committee (which was created by Bobby Seale).

Radio programs, newspaper articles and even television programs have been made by people in very close contact with the Black Panther Party.

Recently, the informative work around the issue of the Black Panther Party has been extended to include all of the U.S., Left, and the Black Panther Party Solidarity Committee (B.P.P.S.C.) today places much emphasis upon talking about the oppressive conditions in the U.S.A. in general, since Chairman Bobby Seale was jailed, he has been the focus of most activity. And there is a general understanding that he is Political Prisoner Number One in the U.S.A.

The political purpose for the Solidarity Committee’s work has been to make the Danish people realize the oppressive conditions in our great “Big Brother’s” backyard; to show the effects of capitalism in full blossom; and to create solidarity with and understanding for the Black Liberation struggle. In this way is a very important contribution made to make the Danish people understand the nature of imperialism. The U.S.A. is a threat also to our lives.

The solidarity work has begun getting a lot of very concrete results. The Danish High School Union announced last year that Chairman Bobby Seale was their choice for the “Freedom Prize of 1970.” This significant engagement on behalf of Danish High School students has created a lot of debate and understanding for Bobby’s case.

In early January, this year, an advertisement was published in one of our biggest daily newspapers. It was a statement signed by 175 “prominent” Danes. The statement voiced strong concern for the developments inside the U.S. and compared the situation to Germany in the thirties. Equally strong concern was voiced for the support of U.S. to “fascist and re-actionary forces all over the world!”

The statement was an appeal to the American people to rise up and resist. The most important task now is to free Bobby Seale, because his case is “symbolic for the persecution of the Left.”

Among the ones who signed the statement were the former Prime Minister Viggo Kampmann (Social Democrat), 15 members of Parliament - representing four political parties; Student leaders, labor union leaders, professors, priests, artists and many more professionals were among the ones who supported and paid for the statement. The statement is now being signed all over Denmark as an open letter to the American people. Everyone signing has got to pay a certain amount as an investment in Bobby’s political defense in Europe and in the U.S.A. So far thousands have signed.

For the demonstration on March 5th a broad united front was brought together. Twenty-four Danish political organizations supported the call for the demonstration. To the right were the youth organizations of one of the bourgeois government parties; to the far left was a so-called Maoist group, Communist Youth, Marxist-Leninist. Included in the front were the pacifist War Resisters League, the youth organization of the Social Democratic Party, three Parliament - represented political parties, the anti-imperialist Vietnam committees, women’s organizations, the Korean-Danish Friendship union, the Black Panther Solidarity Committee.

The very wide base of the front did not reflect a weak political base for the unity. The call for demonstration was strongly anti-imperialist. To begin with, the seriousness of the situation in South East Asia was stressed. This is not an isolated affair but a result of imperialism. “The U.S.A. must be forced into stopping its exploitation and war politics. The American Left wing opposition can hit where the war machine is weakest.” The war polities outside the U.S., were then linked to the terror policies inside the U.S. The kangaroo court in New Haven against Bobby and Ericka must be looked upon as a test case for the ability of the U.S. Left to resist repression. “Free Bobby Seale means much more than continuing on next page

the freeing of a person, it stands for an attitude towards the repression of all of the U.S. Left, Solidarity with the oppressed against the oppressor." Because U.S. policies also are directed against us, we support the U.S. Left and encourage it to fight too.

Slogans for the demonstration were: FREE BOBBY SEAL!/FREE ANGELA DAVIS! AND ERICKA HUGGINS! FREE ALL POLITICAL PRISONERS! SUPPORT THE AMERICAN RESISTANCE MOVEMENT! FIGHT U.S. IMPERIALISM!

The spirits were high when between 50 and 100 persons at 4:00 pm, Friday, started a vigil in front of the U.S. embassy. Everybody had a sign around his neck with the name of a political prisoner. It was good with the high spirits, because it was extremely cold. By the time the rally started at 7:00 pm, it was about 10 centigrades minus (In centigrades zero is the freezing point for water; this was ten below zero). The cold, of course, limited the number of participants somewhat. However, six to seven thousand people demonstrated in front of the embassy. The out-pouring of people, despite the cold, must be taken as a clear sign of how worried the Danes are because of the apparent lack of support in the U.S. for FREE BOBBY. The demonstration was a strong outcry for you to WAKE UP!

Speakers at the demonstration were: Ho Thanh Vanh, leader of the Provisional Revolutionary Government of South Vietnam Information office, here in Copenhagen. On behalf of the Vietnamese newspaper editor, he spoke about the fascist tendencies in the U.S.A., and said that all of the U.S. Left in fact are political prisoners. He attacked the Danish government for having the same attitude as in the thirties, namely silently and approvingly looking upon fascist repression. Herbert Washington, a black revolutionary, spoke about Bobby Seale. He called the demonstration a major achievement for the Black Liberation struggle.

After the demonstration, six hundred people spread information material out to the worker communities. In order to counter the publicity, 30,000 pamphlets about the Black Panther Party and the relationship between our struggle in Denmark and the struggle of black people in the U.S. are being distributed. Demonstrations were also held in Germany at the military bases there. About 3,000 Germans support this, there was also a demonstration held in Stockholm, Sweden. It is reported that demonstrations were also held in Italy and France and Belgium.

INSTRUCTIONS FOR LOADING THE M1911A1 PISTOL

To remove magazine: Press magazine catch down and slide magazine out of pistol. Magazine will automatically lock, and should be cycled with left hand. If spring is weak, it may come out part way, which is normal.

Slide stop. When the last shot has been fired, a section of the barrel of the magazine follower, pushed up by the magazine spring, presses against the underside of the slide stop. This forces the stop up into a notch cut in the slide and holds the slide open as an indication that the pistol is empty.

FIELD STRIPPING THE M1911A1 PISTOL

Remove slide stop. (1) Push slide back until the rear edge of the slide stop is even with rear end of slide. (2) Now press from the right side against the protruding pin which is part of the slide stop. This pin passes through the right side of the receiver, then through the barrel link which holds the barrel, then through the left side of the receiver. (3) Now pull slide stop out from left side of pistol.

Remove magazine and examine chamber. (1) Press magazine catch and withdraw magazine. (2) Draw back slide and look into chamber through the ejection port to be sure the pistol is empty.

Remove slide and components. Pull slide forward on its guides in the receiver and remove. With the slide will come the barrel, barrel link, barrel housing, recoil spring and recoil spring guide.

Release tension of recoil spring. (1) Press on plug which covers end of recoil spring, using thumb or hint of magazine if it is too stiff. (2) Barrel housing, freed from spring tension, may now be turned to the right side of the pistol.

Remove recoil spring guide. (1) The recoil spring guide on which the recoil spring comes (or goes) may now be pulled out to the rear. (2) The recoil spring and plug are pulled out from the front of the slide. (3) The barrel housing is turned to the left which unlocks it so it can be withdrawn.

Unload pistol. (1) Rotate magazine in magazine body. (2) Grasp slide with thumbs and fingers of the left hand and pull back slide as far as it will go. (3) Release slide, and magazine drop out. (4) Remove barrel. Push barrel link forward on its pin and withdraw barrel assembly from the front of the slide; note normally no further stripping of this pistol is required.

IMPORTANT NOTE:
Anyone who is not a skilled expert in the care and servicing of weapons should never attempt to disassemble a trigger housing or trigger mechanism on any weapon. Nor should adjustable sights or sights be taken apart by the novice. When a self-defense group loses a weapon due to the ignorance of its members it is as much a loss as if the weapon had been seized by the enemy aggressors. For this reason it is not advisable for anyone who has not had experience to break a weapon down any more than is necessary for general care and cleaning.

What We Want

1. We want freedom. We want power to determine the destiny of our Black Community.
We believe that black people will not be free until we are able to determine our destiny.

2. We want full employment for our people.
We believe that the federal government is responsible and obligated to give every man employment or a guaranteed income. We believe that if the white American businessmen will not give full employment, then the means of production should be taken from the businessmen and placed in the community so that the people of the community can organize and employ all of its people and give a high standard of living.

3. We want an end to the robbery by the CAPITALIST of our Black Community.
We believe that this racist government has robbed us and now we are demanding the overdue debt of forty acres and two mules. Forty acres and two mules was promised 100 years ago as compensation for slave labor and mass murder of black people. We will accept the payment in currency which will be distributed to our many communities. The Germans are now doing the Jews in Israel for the genocide of the Jewish people. The Germans murdered six million Jews. The American racist has taken part in the slaughter of over fifty million black people. Therefore, we feel that this is a modest demand that we make.

4. We want decent housing for a shelter of human beings.
We believe that if the white landlords will not give decent housing to our black community, then the housing and the land should be made into cooperatives so that our community, with government aid, can build and make decent housing for its people.

5. We want education for our people that exposes the true nature of this decadent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little chance to relate to anything else.

6. We want all black men to be exempt from military service.
We believe that Black people should not be forced to fight in the military service to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like black people, are being victimized by the white racist government of America. We will protect ourselves from the force and violence of the racist police and the racist military, by whatever means necessary.

7. We want an immediate end to POLICE BRUTALITY and MURDER of black people.

What We Believe

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community, from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

8. We want freedom for all black men held in federal, state, county and city prisons and jails.
We believe that all black people should be released from the many jails and prisons because they have not received a fair and impartial trial.

9. We want all black people when brought to trial to be tried in court by a jury of their peer group or people from their black communities, as defined by the Constitution of the United States.
We believe that the courts should follow the United States Constitution so that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man's right to be tried by his peer group. A peer, a person from a similar economic, social, religious, geographical, environmental, historical and racial background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been and are being tried by all-white juries that have no understanding of the "average reasoning man" of the black community.

10. We want land, bread, housing, education, clothing, justice and peace.
As our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly, all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pur- suing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.

SURVIVAL PENDING REVOLUTION

HUEY TOLD ME THAT THE PEOPLE ARE RESPONSIBLE FOR MAKING REVOLUTION. BUT WHILE IN THE PROCESS OF MAKING THE REVOLUTION, HUEY SAYS, "WE THE PEOPLE ARE THREATENED WITH GENOCIDE, BECAUSE RACISM AND FASCISM ARE RAMPANT, NOT ONLY IN OUR COUNTRY BUT THROUGHOUT THE WORLD." HE SAYS, "WE INTEND TO CHANGE ALL THAT. BUT IN ORDER TO CHANGE IT, THERE MUST BE TOTAL TRANSFORMATION. BUT UNTIL SUCH TIME THAT WE CAN ACHIEVE THAT TOTAL TRANSFORMATION, WE MUST EXIST. IN ORDER TO EXIST, WE MUST SURVIVE; SO THEREFORE WE NEED A SURVIVAL KIT." SO THAT WE CAN GROW UP HEALTHY WITH A MIND THAT CAN BE FUNCTIONAL AND CREATIVE.
