HARRIMAN, "THE MAN OF DESTINY?" TRIUMPHS AGAIN

Precedes Over State of Illinois Officially Represented By Its Governor.

STUVETSE FISH TO GO

The Illinois Central, the only railroad running through the state, has been sold to J. J. Astor, who is represented in the state by Harriman, and the Illinois Central will now have a new management. The new management will endeavor to do away with the Tram Co., and the Illinois Central will now be under the management of Harriman.

BIG INCREASED VOTE PROBABLE AT MANY POINTS

The vote will be taken three times as large as that of the last election, and will be taken in the following manner:

First, for the election of United States Senators, the Illinois Central will cast three votes, the first for the last, the second for the first, and the third for the last.

Socialism has a history of its own—a history that is not just the story of a few men and women who made a choice after the truth became apparent to them. Socialism is a movement that has been active for a long time, and it has been successful in changing the world in many ways.

The Evening's Golden Thought

How They Won in England

This is our third and last item from Richard Whittingham's "Rings for the Jew." He is the most interesting person of the present generation, and the hero he is talking to, the Jew, is a very interesting person also. It is a story of a Jewish family in London, when labor achieved a triumph over capital.

The story is told by George L. O.

WESTERN UNION DEMANDS
MIGHT WORK

The following message has been received by the Western Union, not from its New York office, but from San Francisco:

"The strike is still going on in this city, and we are preparing for a prolonged strike. We are prepared to meet the situation with all the resources at our command. We are prepared to do anything to protect our interests. We are prepared to support our brothers."

In reply, the union has stated:

"We will not accept any offer from the management. We will continue our strike until we get our demands granted."

COMPANY JUDGES OF NECESSITY

"The strike is a necessity. It is the only way to protect our interests. We are prepared to do anything to protect our interests."

VIND'S VICTORY SURE

The strike is a victory, and it is sure. The Western Union is a big company, and it cannot afford to lose money. It will not accept any offer from the management.

Get Rid of Political Bosses

The voters are called upon to rise in their majesty and wipe out the political bosses that have enslaved them. The men who actually own the political bosses are great like the section bosses on a railroad, but the hired men slaves of a more potential nature. William S. Burroughs, Murphs, Lorenzers, Crockers, Coons, are only the lackeys of the capitalist class. Wally Dink and Thelma John are but tools in the hands of the great financial interest of the First Ward. Murphy with Tammany is but an instrument with which to execute the orders of the banks and street railways and other big corporations of New York.

To overthrow these bosses, while the great interests behind them remain untouched, is, to substitute others. While capitalism remains there is but one way to relieve ourselves of political L-v rule. That is by ruling ourselves.

The Socialist Party is the only party that makes this possible. In this party the membership rules. The officers are but servants. The boss is a hired man, not of some power outside the party members, but of the boss and the bosses.

It not only practices but preaches the initiative and referendum.

Its campaign fund is drawn neither from capitalist interests, nor from some single great capitalist whose hired man it would thereby become.

The Socialist Party has overthrown boss rule in its own organization alone.

If you get rid of the dummy hired political boss, it now proposes to get rid of the boss of bosses, the capitalist.

We Dare Tell The Truth

No other daily in Chicago would have dared to publish the department store owners’ list of customers—nor the list of the threatened strike of department store drivers—nor of the men victimized on the great newpapers.

No paper would dare to print the facts we publish today about the cheap and dishonest schools.

No paper but a Socialist paper could do any of these things.

Vote for Yourself and Your Class

Todays only chance you have to express officially and effectively the desires that you have felt for the other 364 days in the year.

You have been asking, hoping, praying for your 365th day of life, for more education, better clothing, better schools, better schools, clothing and shelter for the right to be a man.

You have a chance to vote for those things.

You have complained of injustices, and police clubberings and robberies.

No longer do you look to the polls and vote for the continuation of these things.

Now do not go to the polls and vote for the continuation of these things.

The only party that is against that system is the Socialist Party.

The only other party stands for capital, either large or small, hell, or both.

If you meant what you said on the other days in the year show it today by voting a STRAIGHT SOCIALIST TICKET.

It’s Up to You

The circulation of the Chicago Daily Socialist has steadily increased in Chicago at the rate of about one thousand a day for the last two years. Every Socialist subscriber was re-elected today.

Every present subscriber should be voted today and his one-class ticket marked.

If you are not one of those whose order has not been sent in, write out an order and send it now.

The trouble is, the demand for the papers is greater than the supply.

All those who subscribed for two weeks and did not receive their papers have not been able to give the workmen full time to send them out.

They are now unable to supply the demand for these papers.

They are in need of the outside subscriptions.

It is easy to possible to secure five thousand subscribers and to improve the present effort is made.

Put in your full effort to see that this demand for these papers is met.

Chicago readers must not forget the big meeting at Brandt’s Hall, 49th St. and 8th Ave., election night.

We Are All Honorable Men

Do the radicals of the Board of Education really think that there is any honor in having newspapers in which the parents of the children can read the half-truths and half-truths of the newspapers that are published.

Do they believe that the parents of the children can read the half-truths and half-truths of the newspapers that are published.

Do they believe that the parents of the children can read the half-truths and half-truths of the newspapers that are published.

Do they believe that the parents of the children can read the half-truths and half-truths of the newspapers that are published.

Are they not ashamed of the fact that the newspapers are published.

Are they not ashamed of the fact that the newspapers are published.

Are they not ashamed of the fact that the newspapers are published.

Are they not ashamed of the fact that the newspapers are published.

Who ever heard of a newspaper publishing anything but the half-truths and half-truths of the newspapers that are published.

Who ever heard of a newspaper publishing anything but the half-truths and half-truths of the newspapers that are published.
