BIG PAPERS HELP DUPE THE PUBLIC

Wild Cat Stock Concerns Assisted by Tribune, Inter Ocean and American.

LAWSON REFUSES ADS

Millions Being Taken From Savings Banks to Give to Speculators.

Adventurers, who once 40,000 an hour were plundered in the last, Tribune, Inter Ocean, American, and other papers, and newspapers of the Tribune Company, are again planning to fleece the public in the manner which was so successful in the summer.

Victor Lawson of the Daily News, to whom 120,000,000 dollars was given for advertising, solicits subscriptions and memberships in the “Chicago Real Estate & Investment Trust Association.”

Although the proposed association is not a group of stock companies, it is still a scheme to dupe the public.

THE RECORDING ANGEL

CHAPTER I.

"The appearance of an angel who was present in the room," says a friend, "was not relished by the rest of the audience."

"I never knew," said the host, "that angels could have such a sense of humor."

"But," continued the first speaker, "I believe there is a reason for this."  The angel, in answer, said: "Yes, and the reason is, that there is a time coming when angels will no longer be considered as supernatural beings, but as naturalized citizens of the earth."

The audience, at first skeptical, was convinced of the truth of the angel's words when they saw him enter the room as an ordinary, everyday citizen, and take his seat at the table where he was to address the gathering.

SOLICITATION OF WORKERS' DEMANDS THAT THEY

YOU NEED THIS PAPER

AND--

THIS PAPER NEEDS YOU

The Chicago Daily Socialist is a working-class paper in every sense of the word.

It is owned, directed, controlled, and circulated by the workers.

Its only reason for existence is to fight the battles of those who have nothing and to speak out for the working class.

Its effectiveness depends upon the effort made by those who realize the importance of this fight to circulate the Chicago Daily Socialist.

Here are some ways that you can help.

Secure advertising. Nearly everyone can get at least one short "want ad". If you are in business it will pay you to use our column. When you buy goods patronize our advertisers and tell them why you do.

Urge your friends to buy and read the paper. Ask your neighbors, or members of your club to try it. Each one makes a difference.

Make a thorough canvass of your neighborhood for subscribers.

If you live in Chicago, no money need be sent. Secure the orders and the carrier will collect his costs.

If you live outside Chicago, where the paper can be delivered by mail, call attention to the low subscription list shown above and learn how many of your friends will be benefited.

Address, CHICAGO DAILY SOCIALIST, 100 Randolph St., Chicago.

WAS GILLETTE IN 
POISON PLOT?

New Turn in Famous New 
York Murder Case—Plans 
of Defense.

Herrick, N. Y., Nov. 20.— 
Andrew L. Murray, the 
29-year-old defendant in the 
poisoning case against the 
famous American surgeon, 
has announced that he will place 
the burden of the 29 counts 
against him on the witness- 
some of whom are prominent 
members of New York society.

Murray, who was arrested 
last March, is charged with 
the murder of his wife. Under 
the new theory Murray will 
also insist that Dr. William 
Gillette, the celebrated 
actor, is the murderer of both 
himself and his wife.

Dr. Gillette is scheduled to 
testify in the case before 
the grand jury, and Murray 
will bring his statements 
against the actor before the 
jury, which is made up 
entirely of prominent citizens. 

Murray's theory is that Dr. 
Gillette, who is a prominent 
member of New York society, 
out of a fit of jealousy, 
withdrew from the Crippen 
house, and at the same time 
sent his wife to the author 
with a letter containing a 
poison which would cause 
her death.

Murray is scheduled to 
testify in the case before 
the grand jury, and Murray 
will bring his statements 
against the actor before the 
jury, which is made up

House of Lords to the Scrap-pile

For a belt-down generations there have been walls that shied from class relations. Even so, there have been people who said that it was an obstacle to our class politics.
