STATE REPORTS TO BAR SCIENCE. SCE DEFENSE AFRAID TO E BOSSES' BIBLE DOPE

OAYTON, Tenn, July 16—The Scopes trial reached its great risk today when the state's attronys offered amotion to exude all scientific testimony touching on "the relation of sould be all the state origin of man."

Just before the seeks stated, a mail carrier brought in a ket of mail for Clarence Darrow. He empided the sack on the named table, most of the defense attorneys helping Darrow anime the better.

Japan to relinquish their advantages and in this way place American lamance capital has nothing to lose and everything to work a policy.

It is much a policy.

It has one advantage in particular—America appears in China as a champion of the territorial integrity of the Chinese republic FROM MAKING AN another property of the chinese republic from the segretor offert the influence of Seviet Russian—the projection of the property of the chinese republic from the segretor offert the influence of Seviet Russian—the projection of the property of the chinese republic from the segretor of the transfer of the chinese republic from the segretor of the segretor of the chinese republic from the segretor of the chinese republic from the segretor of the segretor of the chinese republic from the segretor of the segretor of the chinese republic from the segretor of the chinese republic from the segretor of th

as its real enemy in China.

But what can be said for the defenders of Scopes, who seek to prove that a belief in evolution is compatible with a belief in religious for Communist Movement.

The best that call be said for them is that they are even bigger fools than the fundamentalists who have enough fantical cumning to feel that the issue is between religion and science, between light and darkness.

OAAHA. Note. The lessue is between religion enough fanatical cuming and darkness.

The theologians of all ages have fought every advancement of knowledge. They have fought also that freedom of inquiry which leads to knowledge and the opening of the Stopes trial with prayer at each session is symbolic of the helict in a heing to whom appeal it is not a series of the state of the session is symbolic of the helict in a heing to whom appeal it is not far early from the human sacrifices on the altars of trials; gods to the spectacle in Dayton, Tennessee. Nor is there any great difference between the bunishment of the jury when selectified evidence is lesing taken and the secret hearings and torture of the in

arruggle between master and stave is a new scientific processes and mastery of nature has severed to gloss over the centifit between religion and science and conceal its essentially class character. The ligion and science and conceal its essentially class character. The Starr Jordan, the liberal paciety, and the mediaceal minded Hryanites is beforging the issues involved. Only the Communicies stand squarely against religion as "the opium of the people."

The start Jordan is the start of the start of the people is the people

THE DAILY WORKER The Militarization of Railway Labor

By William F. Dunne

It remains only to consolidate skeleton military units on the roads into actual regiments and sions officered by the same indivi-

hands of war-mongers.

They will see that while the vallway labor board has been fighting
them on matters of small wage focreases and working conditions, the
rest of the government apparatus has
been strengthening the machinery bywhich the workers can be desprived
of their civilian status at any time the
