Ramsay MacDonald

Some of our readers believe we are too severe in our strictures on James Ramsay MacDonald, presbyterian divine and prominent socialist who became a figure of international importance when the British ruling class handed over to him the reins of government of the empire at a time when the tories and liberals were unable to empire at a time when the tories and therais were unable to least them out of the morass in which they were floundering e the end of the world war.

ce the end of the world war. MacDonalds record while premier was a series of betrayals of workers whose support gave him value in the eyes of the capital class. One of JacDonalds greaters pieces of discarcive to-the exters was his esponsal of the Davies plan, which helped to give the man ruling class a respite from the dangers of a proletarian obtation. That the capitalist class of the United States, those benefitted most from the Daves plan, appreciate the services dered by MacDonald can be seen from the following news the deed of the Condon Daily Meradd: a Lapsaced in a recent issue of the London Daily Meradd:

"The Pilgrims of America are anxious to do honors to Mr. Ramsay Donald, and the central feature being planned is a big dinner in his

Owned, and the entered feature being planned in a big dinner in his or a flew Yeef, in September.
