OUALIFIED WORKERS IN BUILDING TRADES ARE NEEDED IN U. S. S. R.

Let U. S. Labor Take the Lead in Fighting the Bosses in the Pacific

By J. LOUIS ENGDAHL

TODAY, L. M. Karakhan, the Soviet ambassador to China, generated to layer Moscow for Pakin, the metropolis of North China, where he has ably and long represented the workers and passants of the Union of Soviet Republics. As a should not return to China; a clearly seen in the views expressed by their press. Reports have been assiduously spread that Karakhan would take Chicherif's place as Soviet command that the China is considered to some European post, but none of these runners, like practically all those originating in the imperialist capitals, has had any basis in fact.

Karakhan sturres the China sallor, the Characteristics of the China and Characteristics of the China and Characteristics of the China and Chi

But none of these rumors, like practically all those originates in the impedialite capitals, he had any basis in fact.

Karakhan returns to China stelling the international andity powers that the Chinese occurrence, to meet in Pekin, Oct. 26, hange like a two-edged woord over their health of the China. The control of th

American workers, therefore, may well consider this aituation, that the United States is taking the lead in the present anti-Chinese campaign as is revested by the part that it is playing in both the customs conference and the commission on extra-artrivoir aights. Under cover of a fake commission on extra-artrivoir aights. Under cover of a fake commission on extra-artrivoir aights. Under cover of a fake commission on the capital control of the commission on the capital covernments alone it laye claim to no territorial rights in China. But this makes it all the more dangerous as an enemy of the growing Chinese liberation movement.

The fall and winter months head will see the even of

The fall and winter months head will see the eyes of American labor more and more turned toward the orient, as the imperialist problems of the Pacific pass in review, as the imperialist problems of the Pacific pass in review, are the workers of all countries bordering the earths are the workers of all countries bordering the earth workers. The interests of America's workers are the interests of the Chinese workers; against the capitalists of both countries.

DEMAND BITUMINOUS STRIKE AND BEWARE OF LEWIS BETRAYAL IS **CALL OF PROGRESSIVE MINERS**

(Secretary of the Progressive Miner' Committee.)

Brother miners of the anthreacts, we are on strike for a few
pennies increase in wages and a few minor changes in working
conditions that will had us to live a little more life he human beings,
conditions that will had us to live a little more life he human beings,
brethers in the bituminous field. Our brothers in the soft coal
field are unemployed and starving. They have been in a state of
semi-starvation for the last three years and most of them are
starving since the signing of the Jacksonville agreement that was
seadfied on our necks in Fiorida, by Lewis.

While our brothers starve, the coal operators in conjunction with the other capitalists, have moved the coal trade from the usion sleds to the non-union sleds, in their effort it destroy our union in the osstral competitive field. To be more able to slash our wages and destroy our working conditions. During this process of destruction our president John L. Lewis, has quiety stood by and permitted our brother miners.
