FIGHT
AGAINST WAR AND FASCISM
THE WORLD DRIFTS TO W...
THE BASIS OF THE UNITED FRONT

By JOSE MORALES

The basis of the United Front is the practice of co-operating with all those who are struggling against fascism and for peace. This means that we must be ready to make common cause with any group or individual, regardless of their political beliefs, as long as they share our common purpose.

THE MURDER MACHINERY

By FRANK BROOKWAY

The murder machinery is a complex system of spies, informers, and police agents that is used to suppress opposition to the ruling class. It operates at all levels of society, from the local police station to the intelligence agencies of the state.

FIGHT

People Don't Know

The war is not just about the fighting on the battlefield. It is also about the struggle for the rights of the working class and the poor. This struggle is being waged on many fronts, and we must be ready to fight wherever it takes place.

AR Nurse's Her Story

The war has brought many changes to our lives. Some of these changes are positive, such as the increased opportunity for women to work and to take on leadership roles. However, the war has also brought many hardships, and we must be prepared to face these challenges.

Venceremos Mario

The war is not just about fighting against fascism. It is also about fighting for a better world, one where there is peace and justice for all. This can only be achieved through the struggle for socialism, where the working class has control over the means of production and is able to make decisions about their own lives.

The United States Proposes for War

The American Proposes for War
EVEN the blind, deaf and dumb realize that the war danger is a reality and that Fascism, the last refuge of capitalism, is asserting itself everywhere. The working class, the ruined and exploited farmers, the Negro people, the middle class bankrupted by the economic crisis, the intellectuals and professionals have organized, in the words of Henri Barbusse, to “fight for their right to life and peace.”

Two days and three nights, this united and determined body of women of various shades of and affiliation discussed a of action. Out of their experiences in the field, factory, mine, shop, school and army came a million dollar program to fight War and Fascism. Out of their experiences in the World War, with its imperialist and betrayals, a weapon was

American League Against War and Fascism was formed at this Congress. A program was (see page 12). The 2,700 delegates back to their respective to the shops and factories offices and fields and lumber schools “though they differ in union affiliations . . . , to organize a force in disciplined and decisive struggle to war.”

Fight Against War and Fascism will be a force in the struggle against another world war, will be the leader against the war makers and their governments, if you help. The price of the magazine is 50 cents a year. This is a mass movement of the people, and we cannot afford page ads in the Saturday Evening Post. We depend upon you to secure subscriptions for the magazine. Will you help? Will you fight with us against War and Fascism? Will you fight for a workers’ and farmers’ peace?
