THE RED CROSS

By JOSEPH FUNNEL

In the last two years France has seen the travail of war. And France, with her people, has endured. And France, with her people, has endured.

On the other hand, France has not been alone. She has been aided by the Allies. She has been aided by the Allies.

The Red Cross has been of the utmost importance in aiding France. The Red Cross has been of the utmost importance in aiding France.

WORLD EVENTS

January 1934

In offering with the World Congress an appeal to the American workers and youth to join the struggle against the Fascists, the League for Peace and Freedom has just published a pamphlet, "American Fascists," by Carmen Haider, a writer who knows the Fascist movement in America from the inside. In the pamphlet, Miss Haider gives a detailed account of the Fascist movement in America, its origin, and its methods. She also describes the activities of the League for Peace and Freedom, which is working to combat Fascism in America.

AMERICAN FASCISTS

By CARMEN HAIDER

American Fascists are a small group of men who are trying to organize a movement in America to support the Fascist movement in Europe. They are trying to use American workers and youth to support the Fascists in their struggle against the Communists.

They have been active in a number of places, but their activities have been quite limited. They have no headquarters, and their activities are not known to the public.

The League for Peace and Freedom is working to combat Fascism in America, and is making a great effort to expose the activities of the American Fascists. The League is working with the Communist Party and the American Federation of Labor to combat Fascism in America.

DOG DAYS AND HITLER

Speaking for ourselves, we have enough will and militant energy even in the dog days to
go on, though the thermometer crack with the measure of heat it registers.

In fact, our spirits go kiting up like the mercury itself when we realize the strides
we're making—have made; when we think of the material we have for our coming issues of
FIGHT; when we see the growing force, influence and effect of FIGHT everywhere. We
know we can kick 3 Hitlers into a cocked hat.

BUT—THIS IS a time of seasonal lag in the life of all publications, and ours, re-
member, is only 50 cents a year for 12 issues, carries no ads, and has to subsist entirely
on its subscription list.

A FEW THOUSAND SUBSCRIPTIONS MORE
AND OUR FINANCIAL PROBLEMS WILL VANISH!

If you're a friend of the struggle against War and Fascism, you must help us get more
