WAR and TEACHERS

By LEO S. BOWMAN

The People's Alliance of Teachers

The People's Alliance of Teachers is a national organization of teachers dedicated to the cause of education and social justice. They advocate for the rights of teachers and students, and work to improve the quality of public education. The Alliance organizes teachers across the country, promoting collective bargaining and improved working conditions.

U.S. WAR BUDGET

1934

The People's Alliance of Teachers is concerned about the current U.S. war budget. The Alliance believes that the government should be focusing on social programs and education rather than military spending. They call for a reduction in the war budget and for funds to be redirected to support education and other critical needs.

RAILROAD LABOR

By LEN DE CAUDE

The People's Alliance of Teachers is committed to supporting railroad labor. They believe that workers have the right to organize and negotiate fair wages and working conditions. The Alliance provides support and resources to railroad workers who are fighting for their rights.

BREEDING FASCISTS DOWN SOUTH

By JAMES M. SHELDON

The People's Alliance of Teachers is concerned about the prevalence of fascism in the southern United States. They believe that the Alliance should be proactive in addressing this issue and working to support communities that are threatened by fascist ideologies. The Alliance is committed to standing up against fascism and supporting those who are fighting against it.
WAR CLOUDS OVER JERSEY

by Richard Stuart

The author of this article—when editor of The World, a weekly newspaper in New Jersey—was an early supporter of American involvement in World War I. He was later appointed as a war correspondent for The World and traveled to France to report on the war.

The article discusses the potential for war in Europe and the impact it could have on the United States. The author expresses his concern about the growing tension between nations and the potential for conflict.

ROOSEVELT VISITS HAWAII

by Samuel Weinman

The article discusses the visit of President Roosevelt to Hawaii in 1913. The visit was a significant event in American history as it marked the beginning of the United States' involvement in the Pacific region.

The article highlights the political and economic implications of Roosevelt's visit to Hawaii, including the potential for territorial expansion and the impact on the local population.

PARIS CONGRESS

The article provides an overview of the Paris Peace Conference, which was held in 1919 to negotiate the terms of peace after World War I. The conference was attended by representatives from the Allied nations and aimed to establish a lasting peace in Europe.

The article highlights the key issues discussed during the conference, including territorial issues, reparations, and the establishment of the League of Nations. It also discusses the role of the United States in the conference and its impact on the outcome of the peace settlement.

WORLD WAR

On the 20th Anniversary of the World War....
Have you ever stopped over your daily newspaper and counted the columns of space devoted to War, Fascism, strikes, terror, etc.?
Well, we just did it.
And what do we find right on the front page?

HITLER'S STORM TROOPS TO BE DISARMED

2 SECURITY PACTS SOUGHT BY FRENCH
GAS BALKS RIOTERS ON JERSEY FARM
NAZI LEADER HERE DEFENDS DRILLING
DOLFUS WIDENS HIS CABINET POWER
HITLER REPORTED TO PLAN TRIP ON BATTLESHIP

We counted almost four solid pages devoted to War, Fascism, strikes, terror, etc., in a single issue of a daily newspaper picked at random from our desk.

We are now living in the most turbulent and important period of human history. Those of us who are conscious of our obligations to ourselves, our families, our class—those of us who are mentally alert—are fighting against the twin evils of capitalism, imperialist War and Fascism. Fighting for a new and better world.

Are you helping in this fight?
Are you helping to educate and organize your fellow workers, friends and neighbors in this struggle?
You can best do it by getting them to join a movement which is world wide in scope, the American League Against War and Fascism.
You can best do THAT by getting them to subscribe to FIGHT.

FIGHT Against War and Fascism, 112 East 19th Street, New York, N. Y.

HERR HITLER

in another orgy of blood tries to solve his problems. Things are not so easy for him.
We want to make it still harder for him and for the budding Fascism and Fascist organizations in the United States.
That's why the

SECOND U. S. CONGRESS AGAINST WAR AND FASCISM
SEPTEMBER 28, 29 and 30, 1934
CHICAGO, ILL.

must be a powerful, organized body against all the forces making for imperialist War and Fascism.

Popularize the Congress. Speak before every organization and group. Get them to endorse the Congress. Get them to elect delegates.

Order copies of the Congress Call. The price is $4.00 per 1000; $2.25 for 500; $1.00 for 250; 50c for 100 or less.

The drawing on the center page of this issue of FIGHT is available in poster form. The poster is larger than it is in the magazine, with space for advertising your local affairs. It is sold in quantities at a very low price. Order your posters now and help popularize the Congress.
