False and Ridiculous Claims of the Fakers Again Exposed

Adressed Especially to Western Federation Men

The fact that the fakers have been so abundant in their propaganda and so successful in their efforts to deceive the public is only one of the evidences of the fact that they are in control of the situation. This is because they have been able to use the most powerful agencies of the nation to further their purposes. They have been able to use the newspapers, radio, and television to spread their lies and to manipulate public opinion. They have also been able to use the government and the military to further their ends. The fact that the fakers have been so successful in their efforts to deceive the public is only one of the evidences of the fact that they are in control of the situation.

The fakers are the ones who are responsible for the fact that the public is not aware of the truth. They have been able to use the most powerful agencies of the nation to further their purposes. The Industrial Union Bulletin

Industrial Workers of the World

Published Weekly at 212 South Temple, Chicago, Ill.

Vol. 1 No. 44

SATURDAY, AUGUST 30, 1907

A great deal of attention is being given to the strike and its consequences in the textile, publishing and railroad industries. In many places, especially in the South, the situation is critical, and it is feared that a general strike may result. The strike has been declared illegal, and orders have been issued to the police to break it up. The situation is very serious, and it is hoped that the authorities will not resort to violence.

Competition and Exploitation in the Railway Service

BY W. J. P. S. FRANK EDING

There are several ways in which the railway companies can increase their profits. One way is to charge higher fares for intercity travel. Another way is to reduce the cost of operating the trains. A third way is to increase the mileage of the railroad. A fourth way is to improve the service of the railroad.
