NEW CASTLE STRIKE, I. W. W. IS GROWING

THE I. W. W. WINS OUT

McKee's Rocks Strike

On June 2nd the men of the "National" came against the men of order of the I. W. W. in the I. W. W. plant in McKee's Rocks. The men of the "National" were employed by the firm of McKee's Rocks Steel Company, which is one of the largest steel works in the country. The strike lasted for ten days, and during that time the men of the I. W. W. were able to make a clean sweep of the plant, driving out the "National". The strike was settled by the mediation of the state legislature. The men of the I. W. W. were represented by J. H. McAdoo, the president of the I. W. W., and the men of the "National" were represented by J. A. W. Hunter, the general manager of the company. The men of the I. W. W. were victorious in every respect, and the strike was settled without any loss of time or money. The I. W. W. is now in a strong position to make a clean sweep of the steel industry in McKee's Rocks.
Our Fellow Workers, Preston and Smith, Are Still in Prison

OUR CERTAIN TRIUMPH

"We will serve as labor leaders," Preston and Smith declared a few years ago, "and we will stand firm against any attempt to break the labor movement in this country."

In our struggle for freedom, we have been joined by many friends who have stood by us in the face of adversity. Our supporters have been not only men but women, and we are proud to say that we have a large following among the women workers of this country. We are confident that our cause will be victorious, and we are determined to continue our fight until justice is done.

THE WORKING CLASSES OF THE WORLD ARE LEADING THE STRUGGLE

The working classes of the world are leading the struggle for freedom. They are the backbone of the labor movement, and they will not be satisfied until all the workers of the world are free.

OUR SONG OF HOPE

"We will sing a song of hope," Preston and Smith declared, "and we will continue to fight until victory is ours."

The song of hope is our battle cry, and we will not be satisfied until we have achieved our goal.

OUR CALL TO ACTION

"We call upon all workers of the world to join us in our struggle," Preston and Smith declared, "and we will fight until justice is done."
