WALLACE W. F. OF M. MAKES STRONG APPEAL

Local No. 11 of the Western Federation of Miners, 101 W. Pitt St., Butte, Montana, is seeking the release of Wallace W. F. of M., on the 13th of the present month. The Butte News states that Wallace W. F. of M. has been in jail ever since December 10, 1908, when he was arrested by the sheriff at Butte. He was charged with being a member of the Western Federation of Miners, and sentenced to six months in jail. He has been in jail ever since, and has not been allowed to see any of his friends or family. He is said to be in good health, but his friends are anxious to have him released as soon as possible.

DONT BE A QUITTER

A great many men are now engaged in the fight for the普托宁 battle, and a great many more are engaged in the fight for the W. F. of M. The fight is not over, and the struggle is not yet at an end. We must all be united in the fight for our rights. We must all be ready to fight and to stand up for our principles. We must all be ready to fight for our lives, and for our freedom, and for our liberty.

DON'T BUY JOBS-JOIN THE I. W. W.

The International Workers of the World is the only union that is working for the good of all the workers, and for the good of the working class. It is the only union that is working for the elimination of the wealthy class, and for the establishment of a socialist society. It is the only union that is working for the establishment of a free and democratic society, and for the establishment of a society where all men and women shall be equal in rights and opportunities.

TO THE MEMBERS OF THE W. F. OF M.

To the members of the Western Federation of Miners: We want to be earnest in our work. We want to be strong in our union. We want to be united in our efforts. We want to be ready to fight, and to stand up for our principles. We want to be ready to fight for our lives, and for our freedom, and for our liberty. We want to be ready to fight for our rights, and for our freedom, and for our liberty.
