WORKERS OF THE WORLD, UNITE!

Oh, it may be, oh, conceal it,
In the days that yet shall be,
There shall be no slave of selfish kwid,
Twin the breadth of sea to sea.

Oh, when men and maidens are weary,
See the sunlight leaves the earth,
All too short for all their mirth.

Life, or death—then who shall be?
What do we gain, or what we lose?
Fair fate like sunshine or the shrouds.
And the Cause for each shall choose!

THE MISSOURI FREE SPEECH FIGHT

The following is a report of the Free Speech Fight in Missouri.

Mrs. Anna Smith and Mrs. Carrie H. Rounds, as well as many others, have been in active work for the Free Speech Fight in Missouri. They have been out in the streets, distributing literature and making speeches, and have been in close touch with the situation. The fight is still going on, and it is expected that it will continue for some time longer. Mrs. Smith and Mrs. Rounds are doing all they can to support the movement, and are making themselves heard. They are very enthusiastic about the Free Speech Fight, and are doing all they can to promote its success.

THE MURDER OF FERRER

Dr. Claude L. Moore, the leading labor organizer in this city, is reported to have been assassinated last night in his home here. The reason for the murder is not known, but it is believed that it was committed by some anti-labor element. Dr. Moore was a prominent labor leader, and had been associated with the I.W.W. for many years. He was a fearless advocate of labor rights, and had done much to promote the interests of the working class. He will be greatly missed by his friends and associates.

Our Fellow Workers, Preston and Smith, Are Still in Prison;

The following is a report of the situation concerning our fellow workers, Preston and Smith, who have been in prison for some time. The two men are still in prison, and there is no word as to when they will be released. They are both in poor health, and it is feared that they may not live much longer. The strike situation is very serious, and there is much concern for the welfare of these two men.

APPEAL OF VICTIMS OF MCKEES ROCKS

The appeal of the workers of the United Mine Workers of America, District 5, who are on strike as a result of the action of the McKees Rocks Coal Company in firing picketing miners in the vicinity of the company's property, has been considerably bolstered by expressions of support from various circles.
