STEEL TRUST SEeks TO SURPRISE "SOLIDARITY"

There has been drawn on Solidarity its blood. Today is the day. At the one o'clock meeting, the rally will be held on the field in front of the steel plant. The only question is how many will go. There are those who believe that the strike will be successful, and that the workers will win. But there are also those who think that the strike will fail, and that the workers will be defeated. The question of how many will go to the rally is a matter of concern for all steel workers.

CALL FOR THE FIFTH CONVENTION

Each Local union in good standing that has paid tax on an average membership of five for six months preceding the date of the convention will receive credentials to replace the number of delegates entitled to them in accordance with the Constitution.
