STRIKEBREAKERS BE MEN AND JOIN THE UNION

YOUR fellow workers are on strike.

You work at today's Wage.

You and your friends call us "strikebreakers." Nobody gets you in trouble.

Your boss encourages you to remain loyal and promises to give you a raise when the strike is over. He brings you in to the office with a gleeful look on his face. You have a sore thumb.

You are a stick-up.

You are a stooge.

You are a lackey.

You are a strikebreaker. You are a scab.

You are a strikebreaker and a scab.

You are a strikebreaker and a scab.

You are a strikebreaker and a scab.

THE FLOTTER AN INCONGRUOUS

When a large series of long distance strikes in the past the more obvious of the successful strikes have been those which have involved the workers and property in their particular locality. In a sense, these "national" strikes are like the "national" strikes in that they are not limited to any particular locality. The "national" strikes are not like the "national" strikes in that they are not limited to any particular locality.
