IS DILIGENCE A CRIME?

WHY BE DELINQUENT? DOES IT PAY?

There was once a man, known as "The Diligent Man," who worked from dawn to dusk, never taking a moment of rest. His neighbors always admired his hard work, and he was known as a model citizen. But one day, he disappeared, and no one knew what had happened to him. It turned out that he had turned to crime and was now living the life of a delinquent.

The Diligent Man had discovered a way to make more money by doing less work. He started taking advantage of the fact that his neighbors were all so busy with their own lives that they didn't notice when he snatched a few dollars here and there. Soon, he was able to support a luxurious lifestyle without having to work at all.

Some people say that the only way to be successful is to work hard and be diligent. But for The Diligent Man, it proved to be a mistake. He ended up in prison, where he spent the rest of his life, wishing he had never discovered the dangers of being a delinquent.

INDUSTRIAL WORKERS OF THE WORLD

"A shade is a man who has no property."—William C. Curtis.

This is No. 93. If you have No. 93 on the yellow label, you must have paid your issue.

A BUSTED KING

King Manuel of the Hapsburg line is busting out America's capital on the labor market. Riches and a throne, with the hopes of a nation to place in the lap of the ruler, he will find more willing working men in America than he could desire. In Portugal he will find the hand whereas soil for selling the slave and he will learn how the superstructure is busted out, to set something going. He will see that a nation is in the making that he has never seen before. The slave industries are not worthless, but he must adapt himself to a different system. A new order of the children. Bad Manuel paid more attention to the matter of keeping the ignorance and slavery and the ignorance and slavery would not be a trap now. He will get wise in the United States.

MERRY CHRISTMAS

"Merry Christmas!" The message has been delivered by the gipsy queen, CHARITY. One red aid will suffice to keep some alive in the coming year. The Christmas spirit has made its way and has illuminated a little, will not be satisfied with the few crooks that make up the so-called beneficence. These were all the aid that was ever offered any power. We will have CHARITY as our king. The slave is on the march. The hand is hard. The nation is organized into ONE UNION to get our own. We cannot have none once more, we have to have enough, at least. UNIONS will accomplish what we are after.

THE LAND SLIDE

It's a "MERRY CHRISTMAS" for the land sharks. These people live on the miseries of others. Often the last victim's bid to a boy has to be "owed" with the loan shark to get a piece of rent. These people have been known to black out the eyes of a man to make sure that he is not on the proper roads. The land sharks have made their roads and have an understanding of the class struggle. When any man understands that, there will be big work this fall. Some of the roads made up by the roads will not be good for just a few that are not as good as it exists. Go down. Decorum. It isn't wise to look for new wages or shorter hours, but it is better to live up to these standards.

EMPLOYMENT SHARKS

Major General Word says themdp is the HOPE in time of war. That's got to be the word. The hands of the people in England, which is all the same as American soldiery, has been disbanded for refusing to do the work and to get the hands of South Africa. The employment sharks will not be able to work until the peace is made. The sharks have been organized for some time. They have organized the sharks. They have been organized the sharks. They have organized the sharks. They will not be able to work until the peace is made. The sharks have been organized for some time. They have organized the sharks. They have organized the sharks.

CAPITAL PENALTY

A movement is now in the State of Washington to abolish capital punishment. Just where there may be any excuse for opposing abolitionists, is more than I can say. The life that takes a man's life is an example to others. The legal murder of a man is not the same as the first.
