WILL Gompers "COME THRU?"

COPY OF LETTER SENT BY THE MEXICO LABOR PARTY TO SAMUEL GOMPERS, CALLING ATTENTION TO THE MEXICO RESOLUTION OF LABOR, MARCH 13, 1913.

Headquarters of the Jews of the Mexican Liberal Party, 1913; 4th St., Los Angeles, California, March 13th, 1913.

Mr. Samuel Gompers, American Federation of Labor,

Dear Mr. Gompers:—

In order to call the attention of the American Federation of Labor to the importance of the present crisis, we have the honor of sending herewith a copy of the proceeding of the General Assembly of the Liberal Party, held in the city of Mexico, and the resolutions adopted by the same on the subject.

The position of the working classes in our country is truly serious, as you can well imagine, due to the fact that foreign capital is in control of all the industries of the Republic, and they are used for the purpose of forcing down wages and living standards. The working classes are, therefore, in danger of losing everything, and it is necessary to take immediate action to alleviate their condition.

We have, therefore, adopted the following resolutions:

1. That the Liberal Partydeprecated the policy of free trade and the influence of foreign capital in the industrial life of the country.

2. That the Liberal Party demands the nationalization of all industries controlled by foreign capital, in order to protect the interests of the working classes.

3. That the Liberal Party demands the creation of a Minimum Wage Law, in order to establish a decent standard of living for the working classes.

We believe that the American Federation of Labor can support these demands and help to alleviate the condition of the working classes in our country. We hope that you will take the necessary steps to do so.

We remain,

Yours sincerely,

The Industrial Workers of the World have always been in the forefront of the struggle for the rights of the working class. They have fought against the sweatshops, the exploitative bosses, and the bosses' greed. They have worked tirelessly to improve the working conditions for all workers.

The IWW has always been a leader in the fight for the eight-hour day, the minimum wage, and the right to form unions without interference from management.

We encourage all workers to support the IWW in their struggle for a better life.

The IWW is the union that workers want. It is the union that workers need. It is the union that workers deserve.

Join the IWW today and help make the world a better place for all workers.
