"OUR COUNTRY TIS OF THEE"

FIRE FIGHTER LEFT TO DIE ON WAY.
HIDE-OUT SLAVES ARE TREATED WHEN THEY ARE.

This is rapping in the bower of Redlands, Cal., where art not wanted to fight fire. Those who know the place are of the opinion of K.F. 31 is a death trap for fire fighters.

When a man is dead or in pain, he is not wanted to know of. In the Redlands fire there was a death trap, a death case, and those who knew the place are of the opinion of K.F. 31 is a death trap for fire fighters.

NOW, IS IT TRUE?

DUTY OF GOFF

A view with a relief to see the real shortage in B.C., an order in effect, that will prove the necessity of the water cut-off. A ship loaded with cotton was seen at the wharf. Let us see what this means. It means that the real that will be needed by the United States in the United States will be shipped to B.C. to help the miners who are in the mines and to provide for the needs of the people. The amount of the cotton will be reduced, but it will be enough to meet the emergency. The people of B.C. are in a position to meet the emergency.

SWEDEN ARE INDIANIST

An indignation meeting was held in the town tonight against the treaty between Sweden and the United States. The meeting was attended by 500 people and was addressed by a prominent citizen. The meeting was well attended and the speakers were well received.

DUCHES IN GONE

Regardless of how some of us may have differed with Louis Duches, there is no doubt that he was honest and a hard worker. He always had a friend in the crowd. He was a great friend to the laboring people, and his death will be felt keenly.

MINERS GOING BACKWARD

MINERS CONVENTION OVER-CAP'ED—DRY-FOOTED—FUTILE TRIAL SQUABBLING THE NEXT DAY—CONVENTION RESOLENS TO START ALL OVER.

New York, May 8, 1911.

The miners' convention at the Waldorf-Astoria, which took place yesterday, was the western edition of history. The federal legislature of miners has passed into the annals of the world as another example of the triumph of industrial legislation over industrial action. The congress of the western legislatures met, passed its laws, and the miners remained in their cabins.

The miners' convention was a typical American event, with its politics, its bickering, and its lack of unity. The miners, who had hoped to gain their rights through legislation, were met with the same resistance as they had faced in the past. The miners' convention was a failure, and the miners had to continue their struggle for justice through other means.

GIANT LABOR CONTINUES WORK

London, July 16, 1911.

Only a few hours ago the strike of the miners and farmers, who were on the point of starting for London, was reported to be in full swing. The miners were going to London to demand that the government should take steps to prevent the strike from getting out of hand. The government had promised to do its best to prevent the strike, but it was not clear whether it would be able to keep its promise.

The miners were determined to go to London and demand that the government take action to prevent the strike from spreading. They were confident that they would be able to win their demand, and that they would be able to achieve their goals.
