A BPOE. Cabinet.

There has been no more exciting news in the world than the news of the meeting of the United States Congress on February 10, 1911, in Washington, D.C. It was the news that brought a stampede on the stock market and a rise in the price of gold in New York and other cities.

A NICE FATHER.

SPokane, Wash., October 17.—The office of the BPOE lodge is well known to the public, and the members of the lodge are well known as its officers. The lodge is a great deal more than a mere social club, however, for it has a large number of members who are actively engaged in maintaining the lodge.

A CLEAN UP FOR K.C.

It appears that the authorities of Kansas City have already spent $2,000,000 in cleaning up the streets, and this is only a start. The money has been well spent, however, and it is to be hoped that it will be continued.

THE LITE SHIRT.

The sale of shirts and underwear has just been introduced in the cotton industry. This is the first time that a shirt made of cotton has been sold in the United States. The shirts are made in different colors and are sold in a variety of sizes.

TO RAILROAD WORKERS

Praying for Victory in Harriman Strike

(Continued from Page One)

"Eleven years ago," said Mr. Driskill in the mass meeting at striking shops on Oct. 19, "we were at the terminal workshops in Chicago and owned the stockholders. We were the subject of bitter speeches, with the result that dividends were an annual tax to the workers. Since then we have worked and the stockholders have increased in value at an average of 2 per cent a year.

Mr. Driskill, President of the Illinois Central Railroad Co.

"We have come from the old conditions of a few years ago, when the company controlled all the employees and the company owned the stockholders, to the present conditions of many years in which the employees own the company and the stockholders are controlled by the employees. This is a great change and we are proud of the change."

The members of the Illinois Central Railway Directors were addressed by Mr. Harriman and Mr. Driskill.

In the central office, the Harriman Strike Committee, composed of the managers and officials of the railroad companies, decided to resist all offers of mediation.

On the morning of Oct. 25, the workmen were still in a jubilant mood, ready to fight. The workmen say they are ready to meet the strikers at the southern terminal shops. Do you think the strikers can 'stand it' and how long will the men stay out? Do you think the strike will continue or the company will give in? What do you think will happen in the next few days? Do you think the strike will be settled or will it continue? Do you think the strikers will be successful or will the company win?
