SHALL ETTOR AND GIOVANNITTI GO FREE?

There is a question that is being put up to the public now, and we must do our best to answer it.

The trial of Ettor and Giovannitti is in the closing stages of the investigation.

Let the present trial be seen to the government as a fair trial.

How did the strike grow?

The strike began as a result of the murder of Ettor and Giovannitti.

There are those who say that the government is trying to cover up the truth of the matter.

Let the press tell the people the truth of the matter.
