MOB VIOLENCE AT SAN DIEGO
SANDIEGO OUTDOOR FOREST HALLS—STIMPSON TAUKER ARRESTED AND SENTENCED TO FEDERAL JAIL IN SAN DIEGO

(Special to the Times—By H. J. Van Wyk)

SAN DIEGO, Dec. 15—A severe fire yesterday in the San Diego Industrial Hall, located in the center of the city, has destroyed the building and killed at least 12 people. The fire started in the roof, which is made of corrugated metal, and spread rapidly through the building. The cause of the fire is unknown.

The building, owned by the San Diego Industrial Hall Co., was occupied by the Industrial Employees Union of America, Local 1, and was used for meetings and other social gatherings. The building had been evacuated by the time the fire started, and no one was injured in the blaze.

The fire was reported at about 3:30 A.M. and firefighters were on the scene in minutes. However, the building was well engulfed in flames when the firefighters arrived. The cause of the fire is under investigation.

The building was insured for approximately $100,000, and the loss is estimated at $150,000.

The San Diego Industrial Hall was founded in 1902 and had been in operation for over 60 years. It was a popular meeting place for labor and social groups in the city.

The San Diego Fire Department, which arrived on the scene quickly, worked for several hours to bring the fire under control. The building was a total loss. The fire was contained to the building and did not spread to neighboring structures.
