**11 UERW Locals in Four States; IA of M Has 181**

Chauffeurs' Dutch Lunch

The United Electrical and Radio Workers, CIO affiliate in the Grand Forks area, has started to organize in the manufacturing and service industries. The union has been active in organizing in the area for several years and has now expanded its efforts to include all of the UERW Locals in four states: Iowa, Minnesota, Wisconsin, and Montana.

The organizing efforts have been focused on the Grand Forks area, where the union is seeking to gain representation for the 181 members in the IA of M. The union's national organizing director has been actively involved in the efforts, working closely with local representatives to identify potential targets and develop effective strategies for organizing.

**FINK DRIVE IS REAL WEAPON IN ORGANIZATION**

Over $3,100 Collected in Dunn, 70 GE Drivers Sacked

Over 250 Uniom Men Take Part in Friday's Campaign

First direct drive union in the United States, the United Electrical and Radio Workers (CIO) has been making significant progress in organizing workers in the Grand Forks area.

The union has been successful in mobilizing a large number of workers to participate in its organizing efforts, with over 250 union members taking part in Friday's campaign. This has resulted in the sacking of 70 GE drivers in Dunn, with the organizing drive continuing to grow in strength.

**Welfare Board Votes 25% Increases for WPA Clients**

Direct Relief Problems Still Unsettled, 45 More Care Cases in City Since November

The Grand Forks Welfare Board has voted a 25% increase in welfare payments for all WPA clients in the city. This is a significant step in addressing the direct relief problems that have plagued the city since November.

However, the 25% increase is still not enough to meet the needs of all WPA clients, and further action is needed to address the direct relief problems.

**NSP CO, PARLEY NETS GAINS FOR UNION MEMBERS**

Classification of Overhead Jobs Clarified; Starting Change August 14

Five States, Coats Men to Receive Basic Cloth, Perlman

As a result of several recent collective bargaining agreements, members of the United Electrical and Radio Workers have been able to secure gains in compensation and working conditions.

The organization of these gains has been facilitated by the National Labor Relations Board, which has helped to clarify the classification of overhead jobs across five states. This has resulted in increased wages and benefits for union members.

**FLASH NEWS!**

Three-day Rochester strike ends; workers receive three dollars in wages, 60 cents in bonuses, and 25 cents in employer contributions.

The three-day Rochester strike has ended after workers received three dollars in wages, 60 cents in bonuses, and 25 cents in employer contributions. The workers were able to negotiate a better contract, which is a significant victory for the union.

**MEN REIMBURSED**

Three drivers of the Westerners' Grocery company in Mason, Iowa, were reimbursed for expenses they incurred during the strike. The drivers had to travel a long distance to deliver groceries to the customers, and the company covered their expenses as part of their compensation.

**CLIO-ANX Recess, General Motors Rejects UAWA; News Guild Fights N. J. Injunction**

As a result of the strike, General Motors has rejected the UAWA's proposal for a new contract. The union has been fighting for a new contract that includes better wages, benefits, and working conditions, but the company has refused to negotiate.

**Standard Oil Unfair to 544**

Attention of all members of the Standard Oil Company is directed to the fact that the Standard Oil Company has been found unfair to 544 standard oil workers in New York City. The company has been ordered to pay back wages and benefits to these workers.

**Make Minneapolis a Union Town**

To make Minneapolis a union town, we need the support of all workers in the city. Together, we can achieve fair contracts and better working conditions. We encourage all workers to join a union and stand together for our rights.
