Unions Unite in Protest as Carstoler Organizer as Vocational Director

The ninth week of the Duluth drivers’ strike against the Idaho Falls and Kansas City, Kan., Vector Transportation Company, has reached a stage of actio[n] to stiffen their demands for pay. With the whole labor movement of the city behind them and their own indomitable spirit with them, the strike has every prospect for success. Last week the Workers’ Unity League donated $100 to the drivers’ strike fund as a starter.

Duluth Drivers Rank Hold Fast in 9th Week of Hardware Strike

The Minnesota State Employees Union, Local 10, vigorously supported by the executive committee of Eugene V. Cattell of the United States, sent a letter to the state board of education this week. Pointing out that no change has been filed against Cattell, in direct violation of the civil service law, the union demanded that written charges be filed against Cattell so that he could know the charges against him. The letter was sent promptly to the appeal of Local 10 and at its last meeting the union sent a delegation to the state board of education to present its case.

FWS Lines Up Fine Series Of Meetings

The Federal Waterways Section has arranged a series of important meetings at which all interested parties can have their say about the construction of the Great New Orleans Harbor. The first of which will take place Tuesday afternoon, April 9, in the Garden Restaurant of the Hotel Monteleone, 300 Camp Street, where the public is invited to attend.

In his speech to a large group of interested citizens, Mr. H.T. White, manager of the Federal Waterways Section, explained that the meetings are designed to give the public a chance to air their views on the proposed harbor. He emphasized the importance of public participation in such matters, as it is essential to get the views of the people who will be most affected by the project.

In conclusion, Mr. White said that the Federal Waterways Section is committed to building a harbor that will benefit everyone, and that the meetings are an important step in achieving that goal.
Gassing With 977

The orchestra which will provide the two-nightly rhythm for the Local 977 celebration will be under the direction of Ernie Smith on Thursday, August 26, at the Mutual Club, where they plan to feature the best of the present big band music. Special arrangements will be made for the opening night, with the orchestra being played in a two-hour program. The orchestra will consist of 12 members and will be led by Ernie Smith, with Ernie also as conductor. The orchestra will feature a variety of music, including jazz, swing, and rhythm and blues. The performance will be held at the club, and admission is free to the public. Ernie Smith is a well-known musician and bandleader in the Chicago area.

Starting next month will be the new 14-month national strike of the steelworkers, which is expected to last until the end of next year. The strike is due to the ongoing dispute between the Steelworkers Union and the Steel Companies, which is related to the High变形问题.

Letters From Readers

The subject of the letter is the recent strike action by the Steelworkers Union. The Time to Launch a Labor Party

On July 16th the Northwest Organizer is inaugurating an editorial program with a special emphasis on labor and on the labor movement. For the first time in the Northwest Organizer, and hope to nominate David Tobin for pres- 

Northwest Organizer

Dear Sir:

In reply to your question in last week's Organizer, I believe that organized labor should organize its own party, to make the labor movement really independent. We are doing this to the same two-class divided group of organized labor that is in our movement as a whole. Therefore I believe that we should continue our old "immunization" policy.

As to Roosevelt and his popularity, it is a faction in the Democratic Party that I am indirectly opposing to the Nationalist third party.
