The Death of Larry Murphy—A Symbol of Today's Youth

Lawrence Edward Murphy was a typical American boy. Born in St. Paul 21 years ago, he attended St. Paul and Minneapolis schools and has four daughters in the large Murphy family. 

Larry was a member of the James Logan Memorial Junior League 42. He was the son of Joseph S. Murphy, owner of the St. Paul Daily News. Larry, like many others, was lost in the ebb and flow of life.

The family of Larry Murphy had a message to the world. "Larry has lived a full life. The world will not be the same without him."

The funeral service for Larry Murphy was held at the First Methodist Church in Minneapolis. His body was laid to rest at the St. Paul Cemetery.

Larry Murphy never knew that he was going to die. He was sitting in his car, waiting for a friend to arrive. Suddenly, a car hit him. Larry tried to brake, but it was too late.

Larry had a message for the world. "Life is precious. Treat it with care."
