664 Men Gain in Compromise With City Wage Board

Gravel Haulers for County Receive Low Wage Rate

If the first actions of the newly organized "liberal" majority of the Board of Commissions did not make an impression on all observers, and especially on the city officials, they did make an impression on the city officials and the city officials realized they must negotiate with the new majority.

With the Lineage
By Steve Jones

The schools of Minneapolis that are trying to make our young men look up to athletic excellence might well be getting into the teething stage. After all, your newspaper has published the story of the Minneapolis Athletic Club. Their program, which started with a few members, has now grown to over 1000 members. And this is only the beginning.

Harry's Cafe

We have been receiving quite a few letters from people who have been thinking of buying a horse. The main reason for this is that they have heard that horses are easy to take care of. We would like to say that this is not entirely true. Horses can be very expensive and require a lot of attention. It is best to have seen one before you buy one. If you follow these tips, you will have a good chance of owning a successful horse.

Now...More than ever before use GAS the Modern Fuel for Cooking, Water Heating, Refrigeration, Home Heating

$AVES CITIZENS $420,000 A YEAR
Due to the Minneapolis City Council, another drop in your household gas rate becomes effective on gas bills issued 1-February 1st and thereafter.
This is the 6th rate cut since October, 1937—a total saving of $420,000 per year to gas users.
The February 1st reduction of 2 cents per 1.000 cubic feet now means a saving amounting now to $6,000,000.
You now can enjoy the best gas service in the city's history—-the lowest rate.
If you know, more than any of Minneapolis houses use gas for important household tasks because modern gas appliances are far superior to other domestic appliances.
Look at this performance record—

1. Beautiful new gas ranges now are backed by a 20-year burner guarantee.
2. New Servel gas refrigerators also are backed by a 10-year guarantee—the only refrigerator so safeguarded.
3. When you install a new Servel automatic water heater, with the Monel metal tank, you get a 20-year guarantee of clean rust-free water—6 gallons for less than 1 cent.

Before you lewem in any new appliances, learn why you can do it better, and cheaper, with gas.

The DEBATE

Labor Versus Westover Pegler

V.

For his all but lamb, for all that he charges that the Program of Westover Pegler is national, in any other group, Peggy is the same but Peggy is the same, and women in organized groups are the same. Pegler, the sister, former women in organized groups are the same.

Pegler: Peggy has perhaps shouted loudest all about Westover Pegler, the Women's League for Better Books, and the National Federation of Women's Clubs.

The National Women's League for Better Books, Pegler, is a group of women who have been active in the world of organized groups.
