Pay Up! Square Up! Right Now

July is PAY UP month in the Socialist Party of Ohio. July is here. Therefore this is the month in which you are to "Square Up" with the best party on earth. Are you a month behind? Two months behind? Six months behind in your dues? It matters not. YOU ARE BEHIND—that's what hurts. And that's why we shout into your ear—PAY UP! Look here! Last year the state secretary reported an average of 4,283 dues paying members in our party. Since then we have admitted 5,420 new members. Therefore we ought to have 9,703 members today. Have we that many? No! How many have we? Just 5,787. Where are the 3,916 which are unaccounted for? WE'LL TELL YOU WHERE THEY ARE. THEY ARE IN BAD STANDING! Quit it! Pay Up! Do it now! Look at your dues book this very minute. Are your dues paid ahead? If they are not, you are in grave danger.

PAY UP! PAY UP! PAY UP!

What Men Are Worth

By SCOTT MANGRUM

Common sense tells us that men are worth at least $1.00. But how can we prove this? The answer is simple:

1. Men are valuable because they can produce things.
2. They can produce food, clothing, shelter, and other necessities.
3. They can also produce luxury goods.

Therefore, men are worth at least $1.00. If we want to make money, we must focus on producing goods and services that people need and want.

Debs Issues Statement

By VICTOR D. REINGOLD

In his latest issue, Debs has made some important points about the need for a new economic system. He argues that the current system is unjust and that it benefits only a small percentage of the population. Debs believes that we need a system that is based on cooperation and equality.

MR. POMPOSITY

(Continued from page 2)

The idea of giving up some of your money to a cause that you believe in is not as radical as it may seem. There are many ways to give, and each person should choose the way that works best for them. Whether you choose to donate to a local charity or a national organization, your money can make a difference in the lives of others.

Delegates Attending State Convention

A resolution was passed at the recent National Convention of the Socialist party, calling for the establishment of a State Convention. The convention will be held on November 24th and will be attended by delegates from all over the country.

Tar and Feathers Used By
Anti Labor Lumber Employers

Chattanooga, Tenn., July 26, 1919

The Chattanooga News reports that the Employers' Association has been using tar and feathers to strike fear into the workers. The Employers' Association is known for its anti-labor activities, and this latest tactic is a clear example of their willingness to go to extreme lengths to maintain their power.
