We know it’s no use getting angry about it. But

Week after week we’ve sung the same song—that
popular refrain: “Pay Does Pay them NOW Pay
them AGAIN and you’ll never be behind.” And,
all the socialists in the town, too, have many socialists

Five Socialists on Trial in Chicago (Continued From Page One)

one of the leaders of the local Socialistic party. With this news, a crowd of 2,000 Socialist members from the neighborhood, attended the meeting, and a discussion ensued showing that the Socialist party was the only one that could save the country from a social disaster.

Mr. James F. Walker, a prominent labor leader, was also present, and in a speech he referred to the Socialist movement as "the only hope for the future." He said that the Socialist party would stand for the rights of the working class and that they would continue to fight for their cause until victory was assured.

The Socialist party was formed in 1910, and since then it has grown to become one of the largest political parties in the country. Its platform calls for a complete overhaul of the government, ending the influence of the wealthy, and placing control in the hands of the working class.

Free Speech on Trial With Five Socialists in Chicago

Chicago, December 6, 1919

The trial of five Socialist leaders began today at the Cook County Court in Chicago, with Robert M. La Follette, Senator from Wisconsin, as one of the defense attorneys. The defendants are accused of violating the Espionage Act by distributing literature that advocated the overthrow of the government.

Senator La Follette argued that the defendants were merely exercising their right to free speech and the government had no right to suppress their views. He said that their actions were in line with the principles of democracy and that they were fighting for the rights of the working class.

The trial is expected to last for several weeks, with both sides presenting strong arguments. It is estimated that thousands of people will come from all over the country to attend the proceedings.

We Want to Talk To You a Minute

AND HERE'S WHAT WE'VE GOT TO SAY:

The year 1919 is just around the corner. Suppose we all talk to each other with a half cup of coffee. What do you say? Are you with us?

THE IDEA?? It's a GREAT idea. We think so much of it that we intend asking upon it ourselves. And we feel assured that every reader of the OHIO SOCIALIST will join us.

LYNCH FOR MAYOR

There's but one way to start the New Year right, and that is by getting over some of the foolishness on the road to becoming a Socialist. There isn't just one way to do that and that is by putting your hand into your pocket and giving us a dollar or half a dollar and it pays for a subscription to the OHIO SOCIALIST for some relative, or brother, or mother, or father.

TAKE THIS SERIOUSLY, PLEASE

You know of some one who wishes to become a Socialist. Some one to whom you have talked and who has expressed his interest in the subject. Or you know of some one whose opposition to Socialism has been too strong to overcome by argument. In either case, the presentation of an OHIO SOCIALIST subscription card will work wonders and will place to your credit the merited praise of having begun the New Year right.

DECIDE NOW! And decide favorably. Send in that subscription for your friend or relative TODAY.

Make it a HOLIDAY GIFT. Use the blank below and upon receipt of the subscription we will send you the subscription card that will be sent.

"First-hand" critic, Carry A. It provides a means for the transfer of political ideas and the furtherance of the cause of socialism."
