Government Rests In Socialist Trial

By DAVID KAHN

Chicago—At 11 a.m. yesterday, the trial of the Socialists who are charged with the murder of Samuel O'Clair, the Socialist leader, was adjourned until four o'clock today for the purpose of hearing testimony. The defense continued its presentation of evidence yesterday, and the prosecution has so far not made an attempt to cross-examine any witnesses.

The trial is expected to last for several weeks, and it is anticipated that it will be a trial of considerable importance. The case involves the murder of Samuel O'Clair, who was shot to death in Chicago several months ago.

Piqua Socialists Free

As we go to press an arrest warrant has been issued against W. A. N. Smith, the Socialist leader, charging him with murdering the Socialists of Piqua. The warrant was issued by the State Supreme Court, and it is expected that Smith will be arrested at once.

Smith has been a prominent leader of the Socialists for several years, and his arrest is likely to cause much disturbance.

HERE'S THE WAY TO DO IT. A GREAT idea! We think of so much of that we intend setting upon it ourselves. And we don't care how much money every reader of the Ohio Socialist joins us.

Here's the way to start the New Year right, and that is by starting some one you know on the road to becoming a Socialist. There is no better way to do that and that is to put your hand into your pocket, take out a dollar or a half and with it pay for a subscription to the Ohio Socialist for some relative, friend, employee or neighbor.

TAKING THIS SERIOUSLY—PLEASE! You know of some one who ought to become a Socialist. Some one to whom you have talked and who has expressed himself favorably upon the subject. You know of some one whose opposition to Socialism you have been unable to overcome, by argument. In either case, the presentation of an Ohio Socialist subscription will work wonders and will place to your credit the money having been paid for that purpose.

DECIDE NOW! And decide favorably and in that subscription for your friend or relative TODAY.

Make it a HOLIDAY GIFT. Use the blank below and upon receipt of the subscription we will send the person you subscribe for a holiday postal card tening him who presented him with the subscription and that it is presented with the sincere hope that he will also start the New Year right.

WILLI WITH OUR EDITORS

TWO CURES FOR BOLSHEMISM

To find them, to show them or to do what with the Bolshevism in the

United States in the campaign before the election. The writer has

relatively few solutions for the problem of Bolshevism in the United

States. He believes in the use of political means to defeat the

Bolsheviks. He believes in the use of economic means to defeat

Bolshevism. He believes in the use of social means to defeat

Bolshevism. He believes in the use of intellectual means to defeat

Bolshevism. He believes in the use of moral means to defeat

Bolshevism. He believes in the use of physical means to defeat

Bolshevism. He believes in the use of force to defeat Bolshevism.

This is our cure that is advocated quite extensively at the present
time. Another cure is not new. It is just a change in the national
system which is advocated at the present time. The President

of our Republic has been advocating the cure of Bolshevism by

the use of moral means to defeat Bolshevism. The only way to
defeat Bolshevism is to kill it out. The only way to defeat

Bolshevism is to kill it out. Moscow has ideas with bullets and

not a sword. It will not be defeated by any other means.

The way to defeat the cure of Bolshevism is to kill off the

Bolsheviks. The only way to defeat Bolshevism is to kill off the

Bolsheviks. Moscow has ideas with bullets and not a sword. It

will not be defeated by any other means.

The way to defeat Bolshevism is to kill off the Bolshevists.

We hope that President Wilson, from his high place in

Edison, is able to tell us in his high place how to defeat

Bolshevism from his high place here.

However, another cure is a cure that is a prevalent against the
inglish bolshevism. This cure is based on the idea of

socialism. It is based on the idea of socialism. It is based on the

idea of socialism. It is based on the idea of socialism. It is based

on the idea of socialism. It is based on the idea of socialism.

The basic idea of this cure is that communism is a means of

solving the problems of socialism. It is based on the idea of

socialism. It is based on the idea of socialism. It is based on the

idea of socialism. It is based on the idea of socialism. It is based

We hope that Mr. Roosevelt, as the President of this

country, will tell us how to defeat Bolshevism from his high
