WITH ALL OUR FORCE WE DEMAND PEACE

We demand peace under any and all circumstances. We know war for what it is. We can see right through the blinmy pretenses upon which we may be asked to go forth to murder our fellow workers.

We know war to be in the interest of the profits of the capitalist class, and to conserve and increase these profits we are asked to get ready to murder other workingmen like us. And, tell us, who's crazy enough to do that? Not we, certainly.

All the people on this earth could stand on Staten Island, New York harbor. All of the people on earth could live well provided for within the borders of Texas, with proper cultivation and manufacture. And yet we are asked to murder each other in a quareel for land—WHEN THERE'S TOO MUCH LAND!

The machinery of production could provide for many times as many people as are on this earth, and provide for them generously, and yet we are asked to get ready to murder each other by those WHO ROB US OF WHAT WE PRODUCE TODAY!

We won't do it, that's all. We refuse to be led forth to slash, shoot, kill, other workingmen, for our hearts are not full of hatred, we are not obsessed with vile passions, we are not patriotically insane.

WE PROTEST. We are uncompromisingly against war. North, south, east and west, hundreds of thousands of Socialists and sympathisers are holding protest meetings. Yes, many Locals are holding them weekly. The capitalist press reports that the wires are hot from carry-back and for peace in Washington. Keep it up, Comrades. Burn up the wires. Shout for peace so determinedly that the capitalist class and their hirelings will once and for all know that WE ARE A POWER to be reckoned with when once we are aroused.

Let's show the world that there is at least one whole-hearted, comradely, sane force upon this miserable, fighting, lying, bloody, hellish earth of ours.

WHERE'S YOUR DIME?

The State Office has been showered with dimes this last thirty days. Dimes by the dollar's worth, by the five dollars' worth, have been pouring in from the "up and doing" Locals. These Locals understand that the better posted upon party matters a member becomes the more useful he is to the party, and therefore dozens of Locals have secured subscriptions for "Our Ohio Socialist" from their good standing members and have subscribed out of their treasuries for their bad standing members.

But there are still many Locals to hear from. Is your Local lagging behind? If it is, it's probably lagging behind because you're not at the front helping to pull. Has your dime been sent to the State Office for a year's subscription to this paper? Haven't you a dime to spare?

LOCAL ALPHA IS SHOCKED

A. Wagternknecht.

The next time you want a THOUSAND DOLLARS don't ask so sudden like. Please break the news a little more gently. Why, you might have ruined—I mean exterminated—our little Local with one breath.

We had an awful time quieting the members down after your "Wanted $1,000" was read. You see, to one pair of eyes—especially when that pair happens to be placed in the face of a workingman—thousand dollars looks to him like Mt. Washington looks to a three-legged bedbug walking on a pair of wooden crutches. Nevertheless, when looked at with 4,000 pairs of eyes it looks like a mole hill. That is the reason you have already sent a P. O. money order for the sum of $5.00 enclosed, which is to help start the foundation for that $1,000.

Wishing you all success possible in raising that $1,000, and that we may be able to get some more for you, I am yours for Socialism.

Lester C. Cov, Local Alpha.

22 LOCALS AND BRANCHES TOE THE MARK

Yes, it's a race. The question is, shall we reach the Socialist Republic before capitalism "gets us" in its last for murder and spoils?

Twenty-two Locals and nine members-at-large and individual Comrades have lost the mark for a sprint that will out-distance the enemy. These Locals and members have planked down their little change and big change and have said: "Here's something to help carry us forward with accelerated speed."

Thanks to you. But how about the rest of you? Are the other 150 Locals and Branches in the State also going to toe the mark, so that this may be a well organized race for better organization? Are they? Will all State subdivisions help us get the $1,000 ORGANIZATION FUND?

Here are the Locals and members that have already helped: Cleveland, $50; Slovak Branch, Cleveland, $2; Slovenian Branch, Cleveland, $2; Alpha, $2; Connais, $5; Mansfield, $2; Zanesville, $1; Tehn, $1; Cuyahoga Falls, $1.25; Finnish Branch 1, Cleveland, $2; Bellaire, $5; Edgerton, $1; McNeny, $2; Sandusky, $5; Liedertafel Club, Cleveland, $10; Toronto, $5; Canton, $5; Byesville, $1.50; Toledo, $5; Belmont County, $10; Fostoria, $3; Ninth Ward Branch, Cleveland, $1.60; Wadsworth, $1; E. L. Hitchen (collected), $4.50; Orr Griswold, 90c; E. E. Horing, $1; U. C. Engle, $1; G. A. McBride, 90c; A. Wagentknecht (rent), $10.

Total contributions, $157.65. Added to this should be the money which accrues from the cent per stamp sold, which Constitutionally must be placed in the organization fund.

By the way, now that you have read thus far, HAVE YOU FORGOTTEN THAT THIS IS A CALL TO YOUR LOCAL TO HELP?

Writs Archie F. Jones: "Local Martins Ferry is going to hold a big Fair and Festival in Amusement Hall March 16th to 17th. The proceeds will be used to engage speakers and buy literature to distribute."
OFFICIAL BUSINESS

EXECUTIVE COMMITTEE
Motion, by Tom Clifford: That the "Reports of Locals" no longer be published in The Ohio Socialist.

STATE COMMITTEE
Motion 1, by John Brandstetter: That the State Executive Committee proceed at once in carrying out the wishes of the party membership in reference to the "Amendment of the Ohio Election Laws": (a) That the State Executive Committee proceed to put the proposed amendment into proper or legal form. (b) That they further proceed along the State laws of Ohio in getting out the necessary petitions throughout the State, and that same be voted upon by the voters of the State on next Nov. 8, 1917. (c) That they devise ways and means to secure the necessary funds to secure the necessary signatures that are required.

The motion is lost. No State COMMITTEE men changed their votes in the additional time allotted. The Yes votes of Jas. T. Marsh and A. R. Calender were added after the time set for the close of the vote, as also did the No votes of Moses Benjamin, W. O. McClory, Jos. E. Robb and Frank Hamilton.

Motion 2, by M. A. Toohey and Albert G. Storek: That the following rules be adopted for the guidance of the State Committee in making motions and conducting referendums:
1. A motion shall require two seconds before being put to a vote.
2. As soon as a motion is received at the State Office the State Secretary shall send it out for seconds. Six days shall be allowed for State Committee to second motions.
3. Comment not to exceed fifty words may be made for or against a motion by any State Committee man before the motion is finally put and while it is before the State Committee for seconds, and the State Secretary shall send such comment to the entire State Committee, together with the motion and the ballot. This comment must, however, be in the hands of the State Secretary before the close of the time allowed for seconds.
4. Ten days shall be allowed for voting upon a motion.
5. An amendment to a motion shall take the same procedure as a new motion, and, if carried, shall modify or qualify the original motion as per intent of the amendment.
6. The State Secretary shall have the opportunity to give information to the State Committee upon motions which concern State Office activities.
7. Comment sent with the vote upon a motion shall be communicated to the State Committee thru the columns of The Ohio Socialist.
8. Roberts' Rules of Order shall govern where applicable and where not in conflict with these rules.

The rules are adopted.

Motion 3, by John Brandstetter: That the action of the State Executive Committee in granting the Songs of Freedom Sales Co. and the Everett Prisoners Defense Committee the list of Local Secretaries be reversed.

Motion carried. The No votes of Jos. T. Marsh and the Yes votes of I. H. Harding upon the last two motions arrived too late to be counted.

Every Local in the State to make a contribution to the $1,000 Organization Fund.

We Want these matters attended to—not to-morrow, next week, next year or never—but RIGHT NOW.

There are 200 Party Organizers in Ohio. Every Local has one. Wonder what they're doing? Just imagine what these 200 organizers could do if every one of them would be what their office implies. Imagine!!
NEWS FROM LOCALS

The reorganization of Local Xenia has taken

place. "We have no Local here, but here's 90c

toward that $1,000 fund," Orr Griswold.

Canton will have a Debs meeting, and
details were worked out in Cincinnati last

month. T. H. Robertson, Canton.

Herbert Knecht of Byesville, was the first

local secretary, a very competent one, intro-
ducing the 1-2-3-4 letter sent Locals by the

National.

D) not hide your light under a bushel.

The national office sends a full list of

women's names in Ohio. Send the names of

your women members to the State Office.

There are putting out 5,000 national offi-

cers in a three week campaign.

"And that's what we call 'working at

Socialism.'"

"I am instructed by my Local to subscribe

for 100 or more of The Ohio Socialist and

send them to backsliders," Jos. Cooper,

Youngstown.

"We approve the plan of purchasing an

and organizing a State Office," Orr Taylor,

Norwood. All right. All we need is the

money.

"On the letter of F. W. Goll in last is-

sue, and agree with him that if we educate

the workers they will vote right." Wm.

D. Edmonds, Columbus.

"We appreciate the letters received from the

State office lately. They sound good; bre-

akfast in confidence. Keep it up," F. E. Pick,

Sandusky.

Ohio was one of the twenty-six States

that gained membership in 1916. Our total

membership for 1915 was 427; total

membership for 1916 was 4,300.

H. Bovey writes that Local Threlchwill

is busy trying to recognize Dennison.

That's the kind of voluntary work that

counts big in adding to our power.

"Hope to hear soon that you have that

$1,000 all safely in your treasury," L. B.

Myers, Alpha. We're waiting to tell that

same good news, Comrade Myers.

Tiltonville was no more than organized

when its bustling secretary, Calvin John-

ston, wrote for a list of other county Lo-

cals to perfect a county organization.

"We will elect a visiting committee

whose duty it will be to visit delinquent

members in town and country."

"From Newton, Trumbull, W. E. Hunt, Cam-

bridge. Other Locals please follow

suit.

If you will increase the activity of your

Local by two your members will think

twice as much about Socialism, will work

twice as hard for it, and we'll get it twice

as fast.

Local Hamilton has elected a "field man"

to represent it. We are pleased at its

former rule of holding an educational

meeting once a month, writes Secretary

Charles Manny.

"Comrade C. M. O'Brien's lectures are clean,

cut-cut Socialism arguments, and his argu-

ments are always kept in tune. Every

many Sundays from 10 to 12." L. C.

Robertson, Canton.

"Although the state of indifference is upon

our members, we are determined to keep

in good standing, meeting or no meet-

ing." O. H. Tolsey, Coshocton.

A letter from Walter Dobbs, Dover, or-

dering 8 dues and 12 initiation stamps,

announced by our member who always

dues stamps sold. Must be something up

somebody's sleeve in Dover.

"I am only sorry we can't donate the

whole $1,000 you are asking. Read your

letter at our meeting, and we surely agree

with the methods of organization you pro-

pose," Lester House, Coshocton.

The State office mail of initiation

stamps in 1916, showing that about

2,000 members were admitted last year,

and yet our list for the year was only 452.

What's the matter?

Local Toledo says: "Here's 50 for the

local. The party is at its best. We have

done a good line of work. We need more

tales, we did not know there were so many

good Locals in Ohio, nor can we fathom the

generosity of so many of them."

"The straight Socialist ticket for me. I

hope there are no Socialists so foolish as

to support the so-called non-partisans and

their reforms, and of the latter we have

That "Mt. Partel Grubs" from Aholn Ha-

nerica, Belmont county, reminds us of the

days when Socialism was a jokes and

when Socialism was only 1.1.1.1.1.1."

Normie Nes, Kenmore. Which means

that Kenmore is by no means on its last

legs.

We like to hear from Secretary Perry

Flies, Akron. His letters are usually

chuck full of questions. It proves that he

does not believe in "drifting" secre-

tary, but knows his port and has set sail

for it.

"We are all pleased with the new bulle-

tin THE OHIO SOCIALIST," Rae Curr, All-

iance. And some day it will be a still

better paper, with the ever increasing

organization and the organization is going

to grow.

Take that little red dues book out of its

hiding place; brush the dust from it and

take a good look at it. It connects you

with the greatest organization on earth-

provided it contains a stamp for the cur-

rent month.

"Of course we favor a red flapper and a

thorough awakening." Dan Wallace of

Day Tp. and E. S. Potts, Edgerton, writes:

"Here's a little to go towards pur-

chasing a little red flapper. Don't care

what color you paint it so it's red."

"Accept my hearty support in your ef-

forts to bring the bad standing members

into good standing. Write me back, Wil-

ter Tp. And we'll make a superhuman ef-

fort to "make the bad ones good" if Local

will mail us a list of their bad standing

members.

"It is to be hoped that the Locals will re-

alize what the local is stimulated by or

organizations with automobiles, and that

you are watching them," writes Comrade

Fred Walchell, secretary, Belmont county,

at the same time remitting $10 toward the

$500 fund.

Feb. 26 is the date of the "house warn-

ing" in celebration of Local Dayton's new

building. All the victims of the vicariously

are invited to attend. It is not every day

that a Local of our party dedicates a

$100,000 home.

WARING TO LOCALS

The membership is about to vote on the

Referee Committee's report of the election of

two National Committee-

men. Will your Local's vote be counted?

Will your members be disenfranchised because of sheer neg-

ligence and carelessness?

Do you know that no member can vote on a party referendum until

the expiration of sixty days from joining? Do you know that

each member must vote his OWN ballot and sign his OWN name thereto?

Do you know that a standing comm-

mittee of three, together with the secretary, shall tabulate the vote of

the members THREE DAYS BE-

FORE the meeting at which it will be voted on?

Do you know the wording of the certificate that must accompany the vote

of your Local when sent to the State Office?

Do you know that the State Committee makes its report on the state

of the work of the Local.

Do you know there is a Sec. 5, Art. 9, in the State Constitution that

should be read at your next Local meeting?

The State Constitution IS THE

PARTY LAW. The party law MUST

BE FOLLOWED. The party law must

be obeyed. WILL YOU? Will the re-

port of your Local be in the hands of the State Committee BEFORE

March 6th, or will your Local be disen-

franchised in the vote for National Committeemen? YOU CHOOSE.

OPPOSE "VICTORY FUND"

Local Cincinnati, in session assem-

bled Thursday evening, Feb. 1st, unani-

mously disapproved of the pur-

pose for which the Nat. Ex. Com\'

mittee is trying to raise a $50,000 fund.

We take the initiative in this mat-

ter, and demand that a referendum of the party membership be taken

on this question, and we further de-

mand that all contributions thus far

received (for the Victory Fund) be

withheld until the result of the re-

ferendum on our motion is known.

Motion, by Local Cincinnati: That

instead of the proper publication in "The American Socialist" and THE

OHIO SOCIALIST, so that all Locals may be

notified of our action.

Locals favoring this action should

send their ballots to the Nat. Ex. Committee and also to Lo-

cal Cincinnati, Socialist Party.

## Where's Your Local's Report—Missing?

If the name of your Local is not in this column, then walk up to your secretary at the next meeting and, with a smile in your voice, ask him why. Mind you, 125 Locals in the State and only 40 reporting isn’t enough to shake a little of the red out of the best of us? No—it’s not. It’s just enough to make the best of us more determined than ever to have a hundred per cent organization or work ourselves to death in the attempt.

## Party Supplies and Literature for Sale by the State Office

Locals and members are asked to patronize the state office in ordering literature at retail prices, or supplies. An increase in the receipts of the state office will place into our hands more money to prosecute state organization work.

**Want a Speaker? Call on the State Office**

The State Office is ready to supply Locals with speakers for propaganda or lecture purposes. No matter what subject pertaining to Socialism or allied sciences you may wish to hear a lecture about, the State Office can fill your wants.

C. M. O'Brien was formerly Socialist member of the Alberta, Canada, Legislature. His Marxist lectures upon "Value" and "The Machinery of the Profit System" are a popularization of Marxist economics which constitute an education in themselves.

Wm. F. Barnard is a lecturer of national prominence. He has for two seasons filled the lecture platform at Cleveland's Sunday night forum. He can give a good propaganda speech or an interesting lecture on any of the sciences.

H. M. Wicks has made application for lecture engagements in this State. Although young, he is a seasoned speaker. He spoke for seven weeks on one street corner in Detroit. Is qualified to give scientific lectures as well. Recommended highly as a course lecturer.
