

...the famous speaker of the Houston Chrysothema at the head of his column in Texas, wrote a review of the big events of the past year for the special edition of last week. Reviewing the government he says:

Field of Government.

...in the field of human affairs, and the relations of

The facts loom all over in this field. The second side, revolt centers against exploitation, profit, rent and interest. This struggle, upward of the masses, known as, has become the largest effort ever made by any race for their own betterment. Its number is more than a dozen, and, working to one end, peace, with a solid sci-

ism, modified in all aspects, the special economic conditions which prevail in each. It is the powerful minorities to the detriment of all the civilized nations—excepting only Russia, of the absolute despotism of the United States, and most amazingly exposed by the financial Panamas of the new world. It has inserted an entree into the national comedy a simple member, Robert C. Williams.
