

Renter's Union.

will be voted on at the general election. Watch a hundred million acres thrown open for settlement. Watch the homes we will build and the civilization we will develop keep your eye on The Rebel.

person who sends in as much as \$50 for 4-year or life subscriptions. if

nations, but in our eastern
the plutocratic classes, who
taken to themselves the care
of the laborers are imitating
in some cases are out-doing
vicious excesses of feudal lords
law-made aristocrats.

We have as in the past, a par
ticular class, whose interest it is
"that the relation of master
servant must exist" and
as difference of conditions
some persons employers and
others laborers." The same state
it will, and did, justify the con
dition of slaves and freemen.
the right to work does not neces
sarily include the duty of being
worked." Among the intellige

by the Agency as bona
fide business and all teachers
information are asked to
"red card" to me so that I
them as Socialists. Of
red card will be returned

W. O. Brannen, Sec.
Kennard, Texas.
