SOCIALIST MAYOR ASSUMES OFFICE. The Inauguration of Mayor Born at Sheboygan marks the First Municipal Victory for Socialism in Wisconsin.

Milwaukee, Wis., Saturday, April 25, 1903.

It was an event of very great, and almost unique interest, to see the accession of a socialist mayor to the city of Milwaukee. The new official was Charles A. Born, who has been a prominent leader in the movement for social control of business and for the establishment of a socialist society in Milwaukee. The inauguration took place on Wednesday evening, April 22, in the City Hall, with a large and enthusiastic audience present. The mayor was received with great enthusiasm, and the proceedings were conducted in a most orderly and dignified manner.

The inauguration was followed by a public meeting in the City Hall, at which the mayor made a speech in which he expressed his desire to work for the welfare of all the people, and to see that justice was done to all. He also spoke of the need for a better system of government, and the importance of the ballot as a means of obtaining it.

The mayor was then sworn in as mayor by Judge E. B. Bumstead, and the proceedings were concluded with the reading of a resolution of congratulation from the Common Council.

The "Danger" of Being Rich.

To contend the poor people with the advantages of having all that they need is a national duty. The capitalist system has been tried, and it has failed. The poor people have been left to suffer, and to die, and to be miserable, while the rich people have been left to enjoy all the advantages of the world. This is a national disgrace, and it is a national duty to see that it is remedied.

The poor people must be provided with all that they need, and the rich people must be made to bear the burden of the work of providing it. This is a national duty, and it is a duty that we must all do our best to carry out.
