WHAT IS THIS CO-OPERATIVE STORE?

IT IS A STORE OF THE PEOPLE.
A STORE FOR THE PEOPLE.
A STORE BY THE PEOPLE.

This co-operative department store will be a store owned by the people—conducted by the people—with all the profits going to the people.

It will be a store with the whole people behind it—back of it; a store conducted wholly in the interests of the people—a store that will reduce the cost of living and return to every shareholder not only the profit he pays on his own goods—but the profits made on the sales to the entire community.

There will be thousands of shareholders and every shareholder is a partner in the business, having a voice in the control and management. It will be a banding together of the people at large—a welding of your interests with those of your neighbors—a co-operation for the purpose of supplying every need and not only establishing lower prices, but bringing the profits back to you at the same time.

The store will have the selling force of thousands of proprietors, each one a partner working for its success—co-operating and insuring mutual benefit.

YOU WILL WORK TOGETHER—BUY TOGETHER—SELL TOGETHER—AND MAKE MONEY TOGETHER.

THE PUBLIC IS SUPPORTING THE STORE BECAUSE THE PUBLIC WILL BE THE OWNERS.

The present plan of this co-operative store is to sell Fifty Thousand (50,000) shares of stock, at twenty-five ($25.00) Dollars per share, no one person being allowed to buy more than Forty (40) shares. This limit has been decided upon because it is the aim to have a vast number of small shareholders in preference to a small number of large shareholders. More shareholders means more partners—more workers—more and stronger co-operation. The stock will be absolutely non-assessable. The owner of shares cannot be assessed for further payment under any consideration. Each shareholder or partner will receive a discount (probably 10 per cent) on all goods purchased at the store. In addition to this discount, each shareholder will participate at the end of each year, in the division of the net earnings of the store. The 10 per cent discount above referred to will alone save you more than your entire investment, in a very short time.

This Co-operative Store proposes and intends to dispose to the public, by the First Day of March, 1904, Three Hundred and Twenty-Five Thousand ($325,000.00) dollars worth of stock. Failing in this purpose, the directors of the store, as named below, will refund all money to all stock subscribers, and they have given their bonded guarantee to that end.

**Town Topics by the Town Clerk.**

On the front page of the Progress. Peoples' Right: appear this story: "Mr. Hall's address in the Hoosick Falls."

Several days ago, there was a small fire on the second floor of the new store building in Hoosick Falls, which was put out by the firemen. The fire was caused by a spark from a lighted match. The store was not damaged, and the firemen did an excellent job in extinguishing it.

The town is planning to purchase a new fire engine to replace the old one. The council has approved the purchase and the engine should be delivered within the next few weeks.

Education

The school board has approved the hiring of two new teachers for the upcoming school year. One teacher will be teaching math and science, while the other will be teaching English and literature.
