"A FAIR DAY'S WAGES FOR A FAIR DAY'S WORK." — By Friederich Engels.

This has now been the notice of the Socialists for nearly 100 years. It is good to have union agreements after the rip-off of the auto workers, and it is good to have the still better service in the hands of the organization. The Socialists have always been at the heart of the European movement. For nearly 100 years, they have been the leaders of the movement. A Socialists' revolution will happen in our time. The Socialists have always been at the heart of the movement. A Socialists' revolution will happen in our time. The Socialists have always been at the heart of the movement. A Socialists' revolution will happen in our time.

A SICK MAN'S DOG CAN'T BARK. — By Robert Spencer.
