SOCIALISM AND THE EARLIEST CHRISTIANS.

VICTOR L. BERGER OUTLINES ITS HISTORICAL FACTS AND SHOES THE FALSE ACCUSATION AND MISTAKING CONCLUSION FOR SOCIALISM.

HE has often had the assertion, even from Socialists, "Premature Christianity was needed to prepare the way in social and political life for the coming of socialism." But he has been shown that this is not quite correct, or rather that the main issue in matters is not among the socialisms, but between Socialism and Capitalism.

The perfecting of SOCIALISM has led to a solution of the problems of the world. Socialism, in many ways, has been established during the capitalist era, in order to set the stage for the development of Socialism in the future.

But, unfortunately, the Socialists have not been able to establish Socialism at the present time. The labor movement is still in its infancy. But, Socialists have been able to establish Socialism in the past.

The labor movement is a movement of the working class. Socialists have been able to establish Socialism in the past by the organization of labor unionism. Poverty Causes the Slums

Though Men like Jacob Riis are Too Stubborn to See it.

Mr. Jacob A. Riis, a special correspondent of the Chicago Tribune, is the author of "How the Other Half Lives," the book which has been read all over the world. His work has done more to bring about a change in the conditions of the poverty-stricken men who live in the slums of New York City than any other book or article on the subject. His work has been cited as an example of the kind of reporting that should be done in the field of journalism. His book was published in 1890 and it is still in print today.

THE QUESTION OF INCENTIVE UNDER SOCIALISM — By A. L. Benson.

The great difficulty in the question of incentive is how to manage the scheme so that the total income shall not be higher than the cost of production. This is a matter of paramount importance. If the total income is too high, it will result in the destruction of the social system. On the other hand, if the total income is too low, it will result in the destruction of the capitalist system. The scheme of incentive under socialism is therefore of great importance.

Gleanings from Busy Socialism Fields.

NOTE: In some states the organization is known as the Socialist Party, in others as the Social Democratic Party, and in still others as the Socialistic Party. The name varies from state to state and from city to city. In all cases, however, the organization is the same.

ACROSS THE HERALDProgressBar John Jones reports that the American Labor Union has been in touch with the International Labor Union, and that a conference will be held in New York next month.

LET THE WORKERS BEWARE!

The MITCHELLS AND HARRIS CRY PEACE, PEACE,
BUT THERE IS NO PEACE!

EVEN THE ANGEL OF PEACE IS SHOCKED AT THE AGREEMENT
BETWEEN LABOR AND CAPITAL THAT THE CIVIC
FEDERATION OF LABOR IS PLEASING!

They want Labor to Throw away its Weapons, while Capitalism keeps the Worst Weapon of All, the Labor-Poisoning Wage System and keeps a String on its other Labor-Crushers, the Minimum, Lockout, Blacklist and the Injunction.

The Peace Conference is a Round of Unemployment, Poverty and Labor Minibags and Live in Hoover and Capital War Blondie and Live in Palaces!

Under capitalism people have to plan. They have to plan to educate their children. They have to plan to provide for their old age. They have to plan to save for the day when they are needed. They have to plan in order to live. They have to plan in order to live. They have to plan in order to live. They have to plan in order to live. They have to plan in order to live. They have to plan in order to live. They have to plan in order to live.

The object of socialism is to re- place this system and educate the people to think, to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live.

The men now employed in the Peace Conference are the men who are paid to think, to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live, to think and to plan and to live.

When we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society, we think of the things which are necessary for a socialist society.

WHERE DO WE STAND?

Socialist workers in Chicago believe that the Socialist cause is on the upswing. It is on the upswing in Boston, New York, Philadelphia, Cleveland, and every other city. It is on the upswing in every city.

But the Socialist cause is on the upswing in every city. It is on the upswing in Boston, New York, Philadelphia, Cleveland, and every other city. It is on the upswing in every city.
