A RETROSPECT: From a Manuscript left by the Late John Swinton

The struggle of the Colorado miners.

Great news from the strikes of the miners in the southern states. The United Southern Coal Company has received the support of the national government. The company, who have been harass for many years, are now able to hold their ground. The strikes have been very severe, and many lives have been lost. The company has been in a very difficult position, but they have now been able to hold their own. The support of the national government is a great relief to the company.

GLEANINGS FROM BUSY SOCIALISTIC FIELDS!

NOTE: In some states the organization is known as the National Party, or as the Social Democratic Party. Where the name "Socialist" is used it does not refer to those unions whose bases are in the local community.

ACROSS THE HERRING FISH

The Socialist Party was elected in several states in the last few weeks. In New York, one of the states where the party is strong, the Socialist Party won a majority of the seats. In other states, the party was not able to gain as much.

CITIZENS TRUST COMPANY

The bank has a excellent reputation and is known for its honesty and integrity.

Books on International Socialism.

The Socialist Party is the most popular party in the United States. They have a strong base in the cities and have been successful in gaining votes in the rural areas as well. The party is working towards the establishment of a socialist society, where the state will control the means of production and distribution.
