SOCIALIST MADE PLAIN
WHY THE FEW ARE RICH AND THE MANY POOR
By Allan L. Benson

On the other hand, the Socialist claims that a man’s wages in a given industry are determined in a peacetime economy by the extent to which they supply the demand for labour. For, he says, if the workman is in demand, there is no danger of a price revolution, and the wages of labour will fluctuate between the minimum and maximum rates of wages. In such a case the workman would have the power to determine the rate of wages, and this power over wages would be the basis of his control of the state.
NOTE: In some states the organization is known as the Socialist Party, in others as the Social Democratic Party. Where the term "Socialist" is used it does not refer to free love, free land, or to the local body of Socialists, but to the regional or national body known as the Socialist Party or the social democratic party.

ELECTED MILWAUKEE SOCIALISTS IN HARNESS

The Socialist and its Committee.—The Social-Democratic present first Ordinance and the new City Council. Want Events. (Social-Democrat.)

At 20:30 o'clock, last Tuesday, turning the new County Board of Milwaukee county hall in first session at the court house, a secession for the fact that for people in the Service in the State, the court house was a produce of the Socialists. A committee was formed to organize the Socialist members. The meeting was called to order by the Chairman, who then introduced the Socialists. The meeting was then adjourned.

The first business in order was the election of the Socialists in harness. They were elected in their turn, nominated.

The Socialist Aldermen put on good Committees.

The adjourned meeting of the Milwaukee Board of Aldermen was held last Monday afternoon, the main feature of which was the appointment of the Soc. Gen. The meeting was called to order by the Chairman, who then introduced the Socialists. The meeting was then adjourned.
