AS A CHECKERED CAREER

A. Sarge traces the history of the Republican Party.

The Republican Party has recently celebrated the fiftieth anniversary of its organization, a period of time during which it has become the dominant political force in the nation. There are many who believe that the Republican Party is destined to continue to control the political scene in the future, while others are convinced that it is on the decline. In any case, it is evident that the Republican Party has played a significant role in the political history of the United States.

DEBS' TRIUMPHAL TOUR CONTINUES.

In Washington, D.C., the Social Democrats held a triumphal parade in honor of their leader, Eugene V. Debs. The parade was a resounding success and drew a large crowd of supporters. Debs addressed the crowd, advocating the cause of social democracy and calling for a more just and equitable society.

ROOSEVELT'S ACCEPTANCE.

Eugene V. Debs holds up to Meritized Criticism.

In his acceptance speech, Roosevelt criticizes Debs for being a sympathizer with the labor movement, arguing that his policies would lead to social chaos and disorder. Roosevelt stresses the need for strong leadership and law and order, and his speech is well received by the large audience present.

The Social Democratic Party threatens to split - This suggests a threat to the unity of the Social Democracy.

In the wake of Roosevelt's acceptance speech, there are concerns that the Social Democratic Party may split. Some members are reportedly upset with Roosevelt's emphasis on law and order, and there is a growing debate within the party over the best way to proceed.

The Socialist Party is in a state of flux, with some members calling for a merger with the Social Democratic Party, while others are concerned about the loss of independence that such a move would entail.

The Socialist party never had a chance to compete with the Social Democratic party. The two parties are very similar in their policies, and it is unlikely that a merger would result in a significant increase in their combined strength.
