As to Class-Consciousness

VICTOR L. BERGER, WRITES OF ITS TRUE MEANING.

What is class-consciousness? The phrase "class-consciousness" is a modern term and expresses nothing more than the "class feeling" of the writer of these lines. But the class struggle itself is not a new phenomenon. The history of civilization is all written in the story of the struggle between the classes. It may be a struggle for higher wages, an agitation for shorter working hours, or a government for the satisfaction of the rich, or a government for the independent political party to take the place of the wage workers. The class struggle is the only form of struggle that is of any consequence. And its political class struggle has prevented the only political effect of any consequence in the world. But the fact is that the man who takes part in such a political struggle does not necessarily become "class-conscious." He may be, and probably is, much more of a "class-conscious" man than the person who is not a political party member.

And here we are at the explanation of the man above abode. The man who is not a political party member is the man who has been taken for granted by his fellow workers. He is a fellow worker, and the political party that he is in is the political party of the working class. He is not an active member of any political party.

In every class there is a class consciousness, and the consciousness of the working class is a consciousness of the working class. The working class is the class that has the consciousness of the working class. The working class is the class that has the consciousness of the working class. The working class is the class that has the consciousness of the working class.
SPRING CLOTHES

Our Array of STYLISH CLOTHES for Spring Wear, for Men, Boys & Children is more complete.

Never before have we been so thoroughly equipped to render our SERVICE. Nothing is wanting in the way of strongly DEPENDABLE, SMART and WELL-FITTING CLOTHES.

If it is springtime here in Milwaukee, there is little doubt that just about the only thing that a woman needs is a new dress. After all, the cold weather is over and the weather is warming up. And what better way to celebrate the season than with a new dress?

One of the main thoughts that come to mind when we think of spring is the beauty of nature. The trees are blooming, the flowers are in full bloom, and the birds are singing. It is a time of rejuvenation and renewal, and it is the perfect time to upgrade your wardrobe.

At our store, we have a wide selection of spring dresses in various styles and colors. Whether you are looking for a simple sundress or a more elegant evening gown, we have something for everyone. Our dresses are made from high-quality materials and are designed to flatter any body type.

In addition to dresses, we also have a variety of other spring clothing options, such as skirts, pants, and jackets. Our clothing is made to last and is designed to keep you looking your best throughout the season. Whether you are looking for something to wear to a special event or just to everyday wear, we have you covered.

So why wait? Come to our store today and check out our selection of spring dresses and other clothing options. We are sure to have something that will make you feel confident and stylish this spring.
HUMOR OF CARL MARX
WHICH THE NEW VOLUMES OF HIS WILL SHOW

The papers left by Karl Marx, which English is the language of,
are as popular in English as in German. But many English readers,
knowing that the author is a philosopher, find his arguments so
persuasive, that they are not aware of his being a German
philosopher. Marx was born in 1818 in Prussia, and he
published his first essay in 1843 in the "Zurich Journal of
Socialism." Marx was a social reformer, and he wrote
many books on various subjects, including economics,
philosophy, and politics. He was a member of the
Communist Party, and he died in London in 1883.

ACROSS THE BORDERS FOND.

Great improvement in the position of women in England has
been made. Women have been granted the right to vote, and
they are now represented in Parliament. The government of
the United States has also made some progress in improving
the position of women. Women have been granted the right to
vote in some states, and they are now represented in Congress.

MUNICIPAL OWNERSHIP NOT A FAILURE.

One of the most-repeated arguments of the opponents of public ownership of the public utilities is that public ownership is not practical because it is not efficient. This argument is based on the assumption that the public utilities can be operated at a lower cost than private corporations. While this may be true in some cases, it is not necessarily the case in all.

The primary need for public ownership is to ensure that the public utilities are operated for the benefit of the public, not for the profit of private individuals or corporations. This is particularly important in the case of utilities, which provide essential services to the public.

As for cost, it is true that public ownership may be more expensive than private ownership in some cases. However, this does not mean that public ownership is not efficient. In fact, public ownership has been shown to be more efficient than private ownership in many cases.

The argument that public ownership is not efficient is based on the assumption that the public utilities can be operated at a lower cost than private corporations. While this may be true in some cases, it is not necessarily the case in all.

In conclusion, the argument that public ownership is not efficient is not supported by evidence. Public ownership is a viable option for the ownership and operation of public utilities, and it should be considered on a case-by-case basis.

VOTERS ATTENTION -- 17th WARD!

Vote for the Social-Democratic candidate for Alderman:

EDW. H. BASENBERG (Molder)

A consistent and active union man. A high-minded man and citizen. A splendid representative of the working man. YOU NEED NOT BE A UNION MAN TO VOTE SOCIAL-DEMOCRAT'S IN THE COMMON COUNCIL.

ROSYTHE THEATER.

THE MILWAUKEE JOURNAL is the mirror of Milwaukee public opinion. Read every morning and every evening. The City's leading paper and the Second largest in Wisconsin.

YOUR ATTENTION PLEASE.

This is a very important election. The Social-Democrats have a fine candidate. Vote for Edw. H. Basenberg.

DON'T HESITATE TO SEND IN YOUR VOTE. Send in your vote now. To hold a union man in a position where he can speak for the people and the working classes is a great thing.

COME AND VOTE!

VOTERS ATTENTION -- 6th WARD!

Vote for the Social-Democratic Candidate for Supervisor:

CHAS. GRABOWSKI (Carpenter)

You need more Social-Democrats in the County Board. Mr. Grabowski is a union man, an old-time Social-Democrat and just the man to represent the true interests of the people of the Sixth Ward in the county government. A better representative could not be secured. The working classes put their faith and trust in him and you should do the same.

CUDAHY VOTERS, ATTENTION!

Here's the SOCIAL-DEMOCRATIC TICKET! Vote for:

BERKELY PARRISH, for President.
JOHN JENKINSON, Jr., for Clerk.
MAX HILDEBRANDT, for Assessor.
HINSEY RABIN, for Treasurer.
CHARLES HOWE, J. WALTER SCULL, PHILIP TICE, for Village Trustees.

These are the true representatives of the workers. Some of them have shown their loyalty in labor. Vote the full ticket! Vote as a workingman's duty. YOU are the people and should govern.

SOCIAL-Democratic Rally -- Kilbourn Hall, Thursday, March 20. Speakers: M. Barkowski in Polish, A. Litt, Emil Seidel in English. Don't miss it!
