Will They Learn From The Colorado Lesson!

Deringen, Washington, and managers of the Colorado-
State Fish and Game Commission, have been in charge of the
recent adjournment of the Legislature, and the

thirty-ninth session of the State Assembly, and the

work of the Fish and Game Commission

In the House, the measure to create a new division of

Fish and Game was introduced by Representative,

Mrs. J. P. V. Smith, and was referred to the

Committee on Agriculture and Natural Resources.

The bill provides for the establishment of a new

division of Fish and Game, to be known as the

Colorado State Fish and Game Commission, with

power to carry out the provisions of the law relating
to the conservation of fish and game.

The measure is said to be necessary in order to

prevent the further depletion of the state's natural

resources through the carelessness and neglect of

the Fish and Game Commission.

In the Senate, the measure was introduced by

Senator A. H. Fuller, and was referred to the

Committee on Agriculture and Natural Resources.

Town Topics by the Town Crier.

In last week's issue we included a most interesting article on the social events in the Milwaukee area. It mentioned the Town Crier's annual social gathering, which is held to promote goodwill and foster a sense of community. The event involves a variety of social activities, including games, music, and dance. The Town Crier's social events are well-attended and provide a platform for cultural exchange. The next social event is scheduled for next month, and we encourage all residents to participate.
